Evaluation. Reading. "First & last". A look back Christopher Edgar,Ron Padgett,1994 This book contains 33 creative writers presenting ideas and techniques for exploring poetry writing fiction writing translation practical aesthetics creative reading and the imagination Selected from the very best articles in Teachers Writers Magazine over 17 years this two volumes sold separately offers a comprehensive multitude of ideas and techniques for writing in the classroom **Convenient Memory** John Boneham,2016-01-12 People often ask how it is that I came to write poetry I can honestly answer I just start writing and it just happens out that way Sometimes words come to me in my sleep which I need to put to paper immediately flashlight in hand then and there in the middle of the night Other times I merely put pen to paper and with inspiration or not a simple or complex idea just happens As Mr Cronkite put it Thats the way it is and as ridiculous as that may sound to some Im not too awfully concerned with my critics Folks may believe it or not but then the question would arise just what does it take to make a writer or poet anyway There are as many answers to that as there are those writers and poets and as different as the people themselves There are no set rules to all of this and I suppose it is the reason I love it so No particular set time or place for inspiration to come as it can happen to anyone just some are more likely to capture that thought or idea the ability to seize the moment so to speak while many others let it slip by Just as easily as these thoughts come to us they are just as easily forgotten and I like to think these go to that place where unwritten words live Hopefully it is somewhere lonely but beautiful where serenity abounds and those lost but none the less creative thoughts linger for an eternity Perhaps this is heaven There may also be an equal but opposite place for hateful and despondent words or thoughts end up this likely being hell where misery and grief thrive I have in the past captured some of these desolate thoughts usually when Im brooding over something that matters not although I really dont care for this sort of prose turning more towards poetry that says it like it is putting people and situations in perspective in the world as I see it with the idea to be portrayed Hopefully this will come out as my own style of the English language Good bad or ugly this is me and these things Ive managed to unlock from the depths of my mind that window of opportunity to my soul **The Mother-Daughter Book Club** Heather Vogel

Sporadic Memories Ali Marsman,2019-01-11 Sporadic Memories is a novel about a lifestyle that needs to be read about Within the first few pages you will realize there has been a loss it is not sad though the narrator expresses with great enthusiasm the life they lived which makes it nice during the times when it becomes difficult to read By the first few pages I hope you can hear the narrator has been alive for a long time explaining the way it is written There is no distinction between the characters genders which offers a personal experience for the reader The part that remembers the time they gave bracelets to each other brings about another way of joining together in marriage following how their courtship developed and the apple tree that is depicted throughout the novel using its fruit in traditional family recipes It gets sad for a bit after this but notice that it gets sad because there is so much more to why the one lost is worth writing about It is partly a love story

You know for sure it is when you get to the parts about the piano played and songs written you should at first read to the first song The memory at the exhibition and recalling times in the rain and snow are next They traveled a lot together and you will read of a place if you read a little past the description of the surroundings of their home If you read to the first birthday mentioned you will find a recipe worth trying a poem worth reading and fireworks The narrator is a playwright so there is a play that is broken down throughout the novel it is a difficult read but it is important in showing how the two brought their work together and what positive influences they made upon those they met Things are repeated to show how important positive repetition is which helps to move past pain while remembering the passion This novel is full of passion carried throughout the life they had for each other their work and their friends you might want to read through first until you hear about their friends This novel completes the story as the pages turn putting certain pages together will bring the memories in order It is an easy read It is written poetically which gives it justice It begins the way it ends Sporadic Memories is a novel about a lifestyle that needs to be read about
