Magic Time: Angelfire Marc Zicree, Maya Kaathryn Bohnhoff, 2024-04-16 The world has changed forever Across America technology has been eclipsed by magic and people are changing into the embodiments of their darkest desires and deepest fears In this new time former lawyer Cal Griffin has united a small group of outcasts to battle the chaos Searching for the source of the unholy phenomenon and to save Cal's sister Tina these unlikely heroes make their way cross country led by the visions of a lunatic and the fragile song of a blind man Hidden within ancient burial mounds a secret paradise may offer the chance of hope if they can find Tina But first they must make their way to Chicago to battle a primal monster and the darkness within themselves

Angel Fire East Terry Brooks, 2001-01-18 That is Brooks way of casting spells transporting his readers into plausible realms where sorcery is alive whether those places are in other ages or right in the middle of our own As a result he's reaped more than a few magical moments *Seattle Times* As a Knight of the Word John Ross has struggled against the dark forces of the Void and his minions for twenty five years The grim future he dreams each night a world reduced to blood and ashes will come true unless he can stop them now in the present The birth of a gypsy morph a rare and dangerous creature that could be an invaluable weapon in his fight against the Void brings John Ross and Nest Freemark together again Twice before with the fate of the world hanging in the balance the lives of Ross and Nest have intersected Together they have prevailed But now they will face an ancient evil beyond anything they have ever encountered a demon of ruthless intelligence and feral cunning As a firestorm of evil erupts threatening to consume lives and shatter dreams they have but a single chance to solve the mystery of the Gypsy morph and their own profound connection Superior to most of the fantasy fiction being published today *Rocky Mountain News* *The Angel's Fire* Holley Trent, 2020-10-03 In sixteenth century Central America the goddess La Bella Dama witnessed the explosion of a slave ship off the coast Hundreds of years later she's still running from what she did in the aftermath A rare moment of softness for some of the nearly dead compelled her to make a deal with the devilish fallen angel responsible for the disaster The women got a second chance but now their descendents have caught up to her and

want her to mend her sloppy work And if she doesn't She and her little family in Maria will never have another moment of rest She's no longer a creature who wants to be worshiped She'll never be normal but as Lola Perez she enjoys the peace of blending in Her long ago collaborator Tarik thinks satisfying the angriest amongst the women in El Culto will be simple enough just give them a little more magic and let them rejoin their sisters in Mexico But Tarik's going to have to fix quell the uproar on his own Lola decided a long time ago that there's comfort in the status quo That's why she's been refusing his advances for the past five hundred years They get along like fire and gasoline and he's the only creature she's ever encountered who can make her heart race While they may be uniquely equipped to withstand each other's heat Lola's not ready to commit to him She was humiliated by a lover once before and proved there's nothing more reckless than a goddess scorned
