**Cannibal Error** David Kerekes, David Slater, 2024-03-07 A social history of the video nasty In the early 1980s video technology forever changed the face of home entertainment The videocassette a handy sized cartridge of magnetic tape inside a plastic shell domesticated cinema as families across Britain began to consume films in an entirely new way Demand was high and the result was a video gold rush with video rental outlets appearing on every high street almost overnight Without moderation their shelves filled with all manner of films depicting unbridled sex and violence A backlash was inevitable Video was soon perceived as a threat to society a view neatly summed up in the term video nasties CANNIBAL ERROR chronicles the phenomenal rise of video culture through a tumultuous decade its impact and its aftermath Based on extensive research and interviews the authors provide a first hand account of Britain in the 1980s when video became a scapegoat for a variety of social ills It examines the confusion spawned by the Video Recordings Act 1984 the subsequent

witch hunt that culminated in police raids and arrests and offers insightful commentary on many contentious and banned films that were cited by the media as influential factors in several murder cases It also investigates the cottage industry in illicit films that developed as a direct result of the video nasty clampdown CANNIBAL ERROR a revised and reworked edition of SEE NO EVIL 2000 is an exhaustive and startling overview of Britain's video nasty panic the ramifications of which are still felt today Dad Made Dirty Movies Jordan Todorov, Joe Blevins, 2020-09-18 Strippers zombies fugitives and jewel thieves These were just some of the characters who inhabited the weird wild films of director Stephen C Apostolof in the 1960s and 1970s But Apostolof's own life was every bit as improbable as the plots of his lurid movies Escaping the clutches of the communists in his native Bulgaria he came to America in 1952 and decided on a whim to reinvent himself as a Hollywood filmmaker right down to the cigars sunglasses and Cadillacs He produced a string of memorable sexploitation classics including the infamous Orgy of the Dead Along the way he married three times fathered five children and forged a personal and professional relationship with the notorious Ed Wood Jr Drawing on rare archival material and interviews with those who knew him best this first biography of Apostolof chronicles the life and career of a cult film legend Let's Go Stag! Dan Erdman, 2021-11-18 For much of the 20th century the underground pornography industry made up of amateurs and hobbyists who created hardcore explicit stag films went about its business hounded by reformers and law enforcement from local police departments all the way up to the FBI Rumors of this illicit activity circulated and became the stuff of urban myth but this period of pornography history remains murky Let's Go Stag reveals the secrets of this underground world Using the archives of civic groups law enforcement bygone government studies and similarly neglected evidence archivist Dan Erdman reconstructs the means by which stag films were produced distributed and exhibited as well as demonstrate the way in which these practices changed with the times eventually paving the way for the pornographic explosion of the 1970s and beyond Let's Go Stag is sure to point the way for countless future researchers and remain the standard work of history for this era of adult film for a long time to come Screening Adult Cinema Farrah Freibert, Peter Alilunas, Desirae Embree, 2025-08-29 This collection of 39 original essays is designed to support film screenings Each chapter focuses on a single adult film a category broadly construed as films that foreground sex as a primary narrative aesthetic or marketing element The chapters draw on a variety of perspectives contexts histories themes and politics in examinations of style genre authorship performance and stardom The first of its kind Screening Adult Cinema brings together a broad range of established scholars alongside new voices to demonstrate the global breadth and diversity of adult cinema from a variety of time periods and transnational contexts paying particular attention to regions and films that have been underrepresented within existing adult film scholarship Following the Screening Cinema series Screening Adult Cinema is intended as a teaching text and reference for courses in which film screenings are a core activity while also appealing to adult film scholars This unique collection will be invaluable for courses on adult or exploitation film history feminist film studies global queer cinema and porn studies It
