Of Bridles And Burnings Paperback By Burford E J Shulman Sandra:

Of Bridles and Burnings E. J. Burford, Sandra Shulman, 1992 **Power, Gender and Christian Mysticism** Grace Jantzen, 1995-11-16 In the western Christian tradition the mystic was seen as having direct access to God and therefore great authority In this study Dr Jantzen discusses how men of power defined and controlled who should count as a mystic and thus who would have power women were pointedly excluded This makes her book of special interest to those in gender studies and medieval history Its main argument however is philosophical Because the mystical has gone through many social constructions the modern philosophical assumption that mysticism is essentially about intense subjective experiences is misguided This view is historically inaccurate and perpetuates the same gendered struggle for authority which characterises the history of western christendom This book is the first on the subject to take issues of gender seriously and to use these as a point of entry for a deconstructive approach to Christian mysticism **The Big Book of Pain** Mark P Donnelly, Daniel Diehl, 2012-01-31 For millennia mankind has devised ingenious and diabolical means of inflicting pain on fellow human beings This deplorable but seemingly universal trait has eaten away at mankind s very claim to civilisation Despite how repugnant the practice of torture appears to us today for at least 3 000 years it formed part of most legal codes throughout Europe and the Far East The Big Book of Pain is an exploration of the systematic use throughout the ages of various means of punishment torture coercion and torment It takes the reader into the Ancient Roman Coliseum the medieval dungeon the Inquisitional interrogation the auto da fe the witch trial and the worst of prisons It is a shocking and compelling study of the shameful methods and motives of the torturer and the executioner and of the heinous duty they have performed through the ages **The Clues in the Fjord** Satu Rämö, 2024-10-10 THE CORRECT EBOOK IS NOW AVAILABLE FOR PURCHASE Satu R m s Hildur series is a wildly successful publishing phenomenon that has put the genre of Nordic blue on Europe s literary map The Guardian Atmospheric and startlingly original Sunday Times Hildur R narsdottir is the only police detective working on the isolated west coast of Iceland She is desperate to forget her traumatic past by burying herself in her cases alongside her new trainee Jakob Johanson But Jakob s life has its own complications and it soon becomes clear that neither can run from their pasts for long When a local man is found with his throat slit underneath an avalanche that has buried much of the evidence Hildur and Jakob must set their own problems aside and unravel the dark secrets to expose a killer Translated by Kristian London Praise for Satu R m Hildur R narsd ttir a police detective who surfs the icy waters of Iceland barrels into the genre like a tsunami This book must be read in one sitting Max Seeck NYT and Der Spiegel bestselling author R m plans to continue Hildur s story and if she does it as well as in this her debut novel she may become a significant new name in Nordic crime fiction Helsingin Sanomat **A Grim Almanac of Nottinghamshire** Kevin Turton, 2009-10-30 In 1826 resurrection men stole thirty bodies from the graveyard of St Mary s Church in Nottingham to sell to unscrupulous medical establishments in London It emerged they had been shipping their cargo to the capital in wicker baskets booked aboard stagecoaches but they

were never caught In 1908 Mansfield tattooist Arthur Scott attacked a customer who refused to pay his bill Scott tracked his quarry down after two days and attempted to shoot him He failed but it didn't take the police long to find Scott the only tattooist in Mansfield On 7 June 1865 Thomas Whittaker left the bar of a Newark pub to visit the toilet in the backyard As he returned he slipped from the top of a flight of wooden stairs and fell head first into a water butt He drowned When Retford eccentric John Clifton died in 1816 he left a deadly legacy He had a life long fascination for fireworks and made them for his friends While sorting through John's things his sister found a tin of black powder which she thought was worthless and threw it on the fire The resulting explosion killed her and demolished the house A Grim Almanac of Nottinghamshire is a collection of stories from the county's past some bizarre some fascinating some macabre all absorbing Revealed here are the dark corners of Nottinghamshire where witches body snatchers highwaymen and murderers have stalked Within the Almanac's pages we plumb the depths of past despair and peer over the rim of that bottomless chasm where demons lurk Author Kevin Turton has pored over the historic records of the county to bring together these extraordinary accounts of past events

Something Wicked Carol Ann Lee, 2024-10-10 On 20 August 1612 ten people from Pendle were executed before a vast crowd at Lancaster's Gallows Hill The condemned and their associates had endured six months of accusations imprisonment and torture their treatment was such that one of the group died in Lancaster Castle's dungeons while awaiting trial Today a thriving tourism industry exists in and around Pendle the former home of the so called witches yet virtually everything we know about the case originates from a single source Thomas Potts' Wonderful Discoverie of Witches hurriedly published in 1613 and distinctly skewed in favour of the prosecution Until now Sunday Times bestselling author Carol Ann Lee brings an entirely fresh perspective to the story by approaching it as true crime Having worked in the genre for more than a decade her research leads to revelatory discoveries transforming our knowledge of those shadowy figures behind ill famed names and the terrible events that befell them After four centuries of superstition and surmise the two central warring families each headed by a fiercely independent widow working as cunning women emerge fully formed as the book uncovers the reality of their lives and their alleged crimes before exploring the trial and executions Along the way we uncover the truth behind some of the story's most enduring mysteries the legend of Malkin Tower and the final resting place of the Pendle witches This is a ground breaking book that will take the reader on a spellbinding journey into the dark heart of England's largest and most notorious witch trial

The Confident Woman Marjorie Hansen Shaevitz, 2012-01-04 How Confident Are You Marjorie Hansen Shaevitz has won national awards for her work in women's health and has enjoyed the success some people only dream of a prosperous professional life a long happy marriage two Stanford educated children and a bestselling book *The Superwoman Syndrome* which coined a term for a generation of women Despite all of her accomplishments however she struggled with the issue of confidence After conducting extensive research she found that she was far from alone Many women experience the paradox of enjoying success in their business and personal lives while lacking confidence in
