Officers Wives

AN Whitehead

Officers Wives:

Members of the Regiment Michele Nacy, 2000-04-30 Many extraordinary women traveled west with their Army officer husbands between 1865 and 1890 and discovered a world that was completely controlled by the United States Army The Army as a public institution colored virtually every aspect of their domestic lives Army directives customs and traditions imposed social obligations on these women and the world of the frontier Army garrison continually challenged their sense of what it meant to be true women Remarkably they flourished and established a defined role for themselves that went beyond the conventional definition of true womanhood The shared values loyalties and patriotism within the institutional environment of the frontier garrison transcended gender As distinctly masculine as the Army garrison was perceived to be the officers wives shared with their comrades in arms an unequivocal commitment to the Regiment Because of their presence the frontier garrison became a much different place to live as they subtly and slowly changed the very nature of the institution through their efforts to bring some notion of proper society to these rugged circumstances Unlike most studies which focus only on farm and frontier women this volume details the experiences of the women who viewed the world from within garrison walls

Moments of Truth Jessica Kay Mertz, 2019-07-08 Through laughter and tears this inspirational guide takes wives of law enforcement officers on an interactive journey of encouragement and support for themselves their husbands and families Moments of Truth covers meaningful topics especially important to wives of law enforcement officers You ll find helpful encouragement thoughtful inspiration and practical suggestions while going through this journey Each day offers powerful guidance but are also brief enough to fit into your busy schedule Upon completion you ll be empowered with a deeper understanding of and appreciation for your importance as the wife of a LEO

The Officers' Wives Club, Army, Navy and Marine Corps Officers' Wives Club, St. Paul, 1945

Army Spouses Morten G. Ender, 2023-10-19 Distilled from nearly two hundred interviews conducted from the 2003 invasion of Iraq on Army Spouses marshals an incredible breadth of individual experiences range of voices insider access and theoretical expertise to tell the story of US Army husbands and wives and their families during wartime in this century Morten Ender offers the first contemporary study of the emotional cycle of deployment and its impact on military families in the post 9 11 world Military spouses as he shows operate both near and far from the front lines serving on the home front to support combat service in the so called Global War on Terror that has intimately bound together soldiers families the military institution the state and society He paints a vivid picture of army spouses range of responses to deployment separations that illuminates the deep sacrifices that soldiers veterans and their families have made over the past twenty years

Standing by Alison Buckholtz, 2009 A Navy wife provides an unexpectedly honest and moving account of her family s experiences during her husband s deployment to the Middle East

The Black Officer Corps Isaac Hampton, 2013 The U S Armed Forces started integrating its services in 1948 and with that push more African Americans started rising through the ranks to become officers although the number of black officers has always been

much lower than African Americans total percentage in the military Astonishingly the experiences of these unknown reformers have largely gone unexamined and unreported until now The Black Officer Corps traces segments of the African American officers experience from 1946 1973 From generals who served in the Pentagon and Vietnam to enlisted servicemen and officers wives Isaac Hampton has conducted over seventy five oral history interviews with African American officers Through their voices this book illuminates what they dealt with on a day to day basis including cultural differences racist attitudes unfair promotion standards the civil rights movement Black Power and the experience of being in ROTC at Historically Black Colleges Hampton provides a nuanced study of the people whose service reshaped race relations in the U S Armed Forces ending with how the military attempted to control racism with the creation of the Defense Race Relations Institute of 1971 The Black Officer Corps gives us a much fuller picture of the experience of black officers and a place to start asking further questions

Cold War Encounters in US-Occupied Okinawa Mire Koikari, 2015-07-15 This book examines roles of gender race and nation in the geopolitics of Cold War East Asia on the Island of Okinawa *Air Corps News Letter*, 1944 **FBI Law Enforcement Bulletin**, 1977 **A Tale of Survival** Grace Flores-Hughes, 2011-09-20 A Tale of Survival is an explosive story that is much more than a simple memoir of an Hispanic woman it is an important quintessential American story of adversity and perseverance This is a brutally honest and provocative tale of not merely survival but success from one who came from a time and place where success and upward mobility for a Mexican American was not only unlikely but damn near impossible Unlike some other Hispanic memoirs Grace Flores Hughes describes her childhood and transition to adulthood and beyond against the tapestry of the modern Hispanic experience and the sometimes turbulent era of the rebellious baby boomer generation She writes of assimilation racial and ethnic injustice her role in coining of the term Hispanic and her championing the lives of the disenfranchised before and after the civil rights movement Further Ms Flores Hughes takes you on this treacherous journey while exploring her encounters and friendships with many of Americas leaders She demonstrates in this colorful and spicy story that Hold the Salsa has never been her style a story that chronicles the emergence of a child's identity to that of an accomplished Hispanic woman who rose against all odds

The Rise of the Military Welfare State Jennifer Mittelstadt, 2015-10-12 This study of US military benefits offers a disturbing view of the armed forces as a high value target in political clashes over public assistance The Nation Since the end of the draft the U S Army has prided itself on its patriotic volunteers who heed the call to Be All That You Can Be But beneath the recruitment slogans the army promised volunteers something more tangible a social safety net

including medical care education housing assistance legal services and other privileges that had long been reserved for career soldiers The Rise of the Military Welfare State examines how the U S Army s extension of benefits to enlisted men and women created a military welfare system of unprecedented size and scope In the 1970s widespread opposition to the draft led to the establishment of America s all volunteer army For this to succeed a new strategy was needed for attracting and retaining soldiers The army solved the problem Jennifer Mittelstadt shows by promising to take care of its own While the United States dismantled its civilian welfare system in the 1980s and 1990s army benefits continued to expand Mittelstadt also examines how critics of this expansion fought to roll back its signature achievements even as a new era of war began

Annual Survey of Army Families Janet D. Griffith,1988 **Military Families and War in the 21st Century** Rene Moelker,Manon Andres,Gary Bowen,Philippe Manigart,2015-05-14 This book focuses on the key issues that affect military families when soldiers are deployed overseas focusing on the support given to military personnel and families before during and after missions Today s postmodern armies are expected to provide social psychological support both to their personnel in military operations abroad and to their families at home Since the end of the Cold War and even more so after 9 11 separations between military personnel and their families have become more frequent as there has been a multitude of missions carried out by multinational task forces all over the world The book focuses on three central questions affecting military families First how do changing missions and tasks of the military affect soldiers and families Second what is the effect of deployments on the ones left behind Third what is the national structure of family support systems and its evolution The book employs a multidisciplinary approach with contributions from psychology sociology history anthropology and others In addition it covers all the services Army Navy Marines Air Force spanning a wide range of countries including UK USA Belgium Turkey Australia and Japan At the same time it takes a multitude of perspectives such as the theoretical empirical reflective life events narrative approach national and the global and uses approaches from different disciplines and perspectives combining them to produce a volume that enhances our knowledge and understanding of military families This book will be of much interest to students of military studies sociology war and conflict studies and IR political science in general *The Military Family* James Martin,Leora Rosen,Linette Sparacino,2000-07-30 Today there are more military family members than there are total uniformed service members Sixty percent of the military are married including more than eighty percent of all career status personnel and many have small children They come from diverse racial and ethnic backgrounds and they represent a wide variety of family types including single parents dual career military couples and families with eldercare responsibilities In an effort to cut costs many of the services utilized by military families are being privatized or outsourced to civilian service providers This guide is designed to benefit anyone who provides services to these families particularly those who may have little or no prior knowledge of the unique nature of military families and military family life This book contains research based information about the unique needs of military families across various duty

related conditions as well as within the context of military career demands Its multi service focus addresses the provision of human services in both peace and wartime Topics include military spouse employment retirement issues family support during deployments the New Parent Support Program and the experiences of adult children of military parents The authors encourage an understanding of military community based programs and services and they offer the reader numerous resources for collaboration with the military community

Anthropology and the United States Military P. Frese, M. Harrell, 2003-10-03 An edited collection of ethnographic research that seeks to provide visions of and for US military culture from a solid anthropological base The volume explores several important but relatively unknown cultural variations in the defense community through a variety of lenses A strong list of contributors highlight important issues such as anthrax vaccines the Golden Age culture of the military gender roles among army spouses weight control and physical readiness the military advisor and the United States Naval Academy

Adopting the Song of Appearance: An Psychological Symphony within **Officers Wives**

In a world consumed by screens and the ceaseless chatter of quick transmission, the melodic elegance and mental symphony developed by the prepared term frequently disappear into the backdrop, eclipsed by the persistent noise and disturbances that permeate our lives. Nevertheless, set within the pages of **Officers Wives** a wonderful literary prize full of fresh feelings, lies an immersive symphony waiting to be embraced. Crafted by a wonderful composer of language, this charming masterpiece conducts readers on a mental trip, skillfully unraveling the concealed melodies and profound impact resonating within each cautiously constructed phrase. Within the depths with this poignant review, we will investigate the book is main harmonies, analyze their enthralling writing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
