THE MAKING OF A LEGEND

Robert Emmett The Making Of A Legend

Aimée Walsh

Robert Emmett The Making Of A Legend:

Chartist drama Gregory Vargo, 2020-06-10 The first collection of its kind Chartist Drama makes available four plays written or performed by members of the Chartist movement of the 1840s Emerging from the lively counter culture of this protest campaign for democratic rights these plays challenged cultural as well as political hierarchies by adapting such recognisable genres as melodrama history plays and tragedy for performance in radically new settings They include poet activist John Watkins's John Frost which dramatises the gripping events of the Newport rising in which twenty two Chartists lost their lives in what was probably a misfired attempt to spark a nationwide rebellion Gregory Vargo's introduction and notes elucidate the previously unexplored world of Chartist dramatic culture a context that promises to reshape what we know about early Victorian popular politics and theatre

Sir Henry Irving Jeffrey Richards, 2005-12-16 Sir Henry Irving was the greatest actor of the Victorian age He transformed the theater in Britain and America from a disreputable and marginal entertainment into a respected art form His admirers ranged from Queen Victoria to working men and housewives He was thought of by Gladstone as his greatest contemporary and in 1895 became the first actor to receive a knighthood Published to mark the centenary of Irving's death this book gives an account not only of Irving himself and of his career but also of his whole impact on the Victorian Theatre and on Victorian culture

The Cambridge History of Ireland: Volume 3, 1730-1880 James Kelly, 2018-02-28 The eighteenth and nineteenth centuries was an era of continuity as well as change Though properly portrayed as the era of Protestant Ascendancy it embraces two phases the eighteenth century when that ascendancy was at its peak and the nineteenth century when the Protestant elite sustained a determined rear guard defence in the face of the emergence of modern Catholic nationalism Employing a chronology that is not bound by traditional datelines this volume moves beyond the familiar political narrative to engage with the economy society population emigration religion language state formation culture art and architecture and the Irish abroad It provides new and original interpretations of a critical phase in the emergence of a modern Ireland that while focused firmly on the island and its traditions moves beyond the nationalist narrative of the twentieth century to provide a history of late early modern Ireland for the twenty first century

Writing Resistance in Northern Ireland Aimée Walsh, 2024-04-02 Writing Resistance in Northern Ireland is an examination of feminist republicanism's in the north of Ireland between 1975 and 1986 Republican prison protest was rife during this period and fractures opened up between the feminist and republican movements Despite their shared objective of self determination the two movements did not achieve a natural or total congruence While it has been argued that there is a disjuncture between feminism and nationalism this book argues for a new perspective on feminist republicanism's in the north and tells the story of a niche collective of republican feminists who came to the fore during the Troubles and sought bodily political and economic autonomy The book examines source material including historical narratives jail writings journalism documentary film and literary texts and paints a vivid picture of a movement of republican

feminist women's writing concerned with political crisis gender and the nation Aime Walsh uses the plural republicanism as a way of encapsulating the varied iterations of nationalist feminism from militant republicanism in Armagh Gaol to a non-violent literary nationalist feminism This examination of the interaction between nationalism and gender shows how the study of women's writing can offer a paradigm shift in the history of the Troubles as seen through a feminist lens Imperial Island Paul Kléber Monod, 2009-03-30 Imperial Island A History of Britain and its Empire 1660-1837 is a comprehensive account of Great Britain's imperial path from the Stuart Restoration of 1660 to its emergence as a dominant global superpower Suitable for students with no prior knowledge of British history Organized to help students and instructors comprises 21 thematic chapters set within a clear chronological framework Includes over 30 illustrations and maps to help orient the reader Addresses the new generation of American and British students that are interested in global environmental and cultural history

Bard of Erin Ronan Kelly, 2008-04-24 Colm Tibon has called Thomas Moore the most influential figure in shaping the Irish political psyche In *Bard of Erin* Ronan Kelly tells the story of Moore's extraordinary life from humble beginnings in Dublin to glittering social and literary success in London at one point his popularity was eclipsed only by that of Sir Walter Scott and his close friend Lord Byron Ronan Kelly's biography is a gripping and definitive account of a great romantic figure A stirring tale of the diminutive would-be duellist whom his friend Byron described as Masking and humming Fifeing and drumming Guitarring and strumming in a way we'd not quite see again until the rise of Bob Dylan Paul Muldoon TLS Books of the Year Thanks to Ronan Kelly's enthralling new biography Moore is about to become an important part of our cultural landscape again There hasn't been a better biography published in Ireland for many a year Irish Independent Vividly absorbing an enthusiastic persuasive and highly readable attempt to restore a full picture of the man Everything in this eloquent and intelligent life shows that Moore's achievement decisively transcended the poetical Roy Foster The Times a major reassessment scholarly and comprehensive Kelly makes it clear what fun Moore was Irish Daily Mail This new biography of Thomas Moore delights in the reading Ronan Kelly has done his groundwork well A substantial highly readable examination of the life social development and cultural significance of a figure who occupies a pivotal position in Irish history both as an Irish writer of the Romantic period and as Ireland's National Poet of a pre-partition era Sunday Business Post Definitive a fascinating story John Montague Irish Times *The British National Bibliography* Arthur James Wells, 2009

John Wilson Croker Robert Portsmouth, 2010 John Wilson Croker a forgotten man of 19th-century politics and letters is given new life in this book Drawing on previously unpublished Croker archives held in US universities the contemporary press and other sources author Robert Portsmouth provides a substantial re-interpretation of the life and times of Croker As a parliamentarian early spin doctor and close advisor to Sir Robert Peel George Canning and the Duke of Wellington Croker probably had greater influence on ministerial policy and popular opinion than all but a handful of his contemporaries He was a friend of famous literary figures like Walter Scott but his work as a popular critic won him the

enduring enmity of Shelley Lady Morgan T B Macaulay and others whose vilification of him as a slashing reviewer and bigoted Tory opponent of all reform has concealed his much more significant political work and ideas In fact Croker was a keen advocate of moderate parliamentary social and economic reforms He had been since he was a Dublin student campaigning for conciliatory Catholic Emancipation in opposition to both ultra Protestants as well as sectarian ultra Catholics and viewed his political philosophy for a unitary via media of opposition to extremes as something of a tradition of enlightened Irish thought stretching from Swift to Burke While his ambition to improve the state of his homeland and unite its people would end in failure John Wilson Croker and his predominantly Irish press circle saw essentially the same philosophy succeed in Britain after 1830 when they laid the foundations for modern parliamentary Conservatism by inventing the new Conservative party as a moderate reforming and conciliatory alternative to both ultra Tories and ultra Whigs

Made in Mexico Luis I. Reyes,2024-03-26 For more than a century directors from both sides of the border have chosen Mexico as the location to create their cinematic art leaving an indelible imprint on the imaginations of moviegoers and filmmakers worldwide Now for the first time Made in Mexico Hollywood South of the Border presents a comprehensive examination of more than one hundred Hollywood theatrical feature films made in Mexico between 1914 and the present day Lavishly illustrated throughout Made in Mexico examines how Hollywood films depicted Mexico and how Mexico represented itself in relation to the films shot on location It pulls back the curtain on how Hollywood filmmakers influenced Mexican films and Mexican filmmakers influenced Hollywood Listed chronologically and featuring cast credits synopsis and contemporary reviews along with a production history for each entry this book highlights the concept of crossing borders in which artists from both nations collaborated with one another Made in Mexico also provides a brief historical perspective on the aesthetics economics and politics of the film industries in each country giving readers a glimpse of the external forces at play in the production of these films With motion pictures permeating the cultural and historical landscape of both Mexico and the United States this compulsively readable compendium demonstrates the far reaching influences of the featured films on the popular culture of both nations

Killer Colt Harold Schechter,2010-09-28 With such acclaimed works as *The Devil's Gentleman* Harold Schechter has earned renown as the dean of true crime historians Now in this gripping account of driving ambition doomed love and brutal murder in an iconic American family Schechter again casts his gaze into the sinister shadows of gaslit nineteenth century New York City In September 1841 a grisly discovery is made aboard a merchant ship docked in lower Manhattan Deep in the cargo hold bound with rope and covered with savage head wounds lies a man's naked corpse While a murderer has taken pains to conceal his victim's identity it takes little time to determine that the dead man is Samuel Adams proprietor of a local printing firm And in less time still witnesses and a bloody trail of clues lead investigators to the doorstep of the enigmatic John Colt The scion of a prosperous Connecticut family Colt has defied his parents efforts to mold him into a gentleman preferring to flout authority and pursue excitement Ironically it is the ordered science of

accountancy that for a time lends him respectability But now John Colt s ghastly crime and the subsequent sensational murder trial bring infamy to his surname even after it becomes synonymous with his visionary younger brother s groundbreaking invention The embodiment of American success Sam Colt has risen from poor huckster to industrious inventor His greatest achievement the revolver will bring him untold millions even as it transforms the American West In John s hour of need Sam rushes to his brother s side perhaps because of the secret they share In Gilded Age New York a city awash with treacherous schemers lurid dime museum curiosities and the tawdry excesses of penny press journalism the Colt Adams affair inspires tabloid headlines of startling and gruesome hyperbole which in turn drive legions of thrill seekers to John Colt s trial The dramatic legal proceedings will fire the imagination of pioneering crime writer Edgar Allan Poe and fuel the righteous outrage of journalist Walt Whitman Killer Colt interweaves the intriguing stories of brooding brilliant John and imaginative enterprising Sam sharp witted and fascinating brothers on vastly divergent journeys bound by an abiding mutual devotion and a mystery they will conceal to the end Harold Schechter has mined the darkly macabre vein of a bygone era and brought forth a mother lode of storytelling gold From the Hardcover edition **Books Ireland** ,2003 **Sounds of liberty**

Kate Bowan,Paul A. Pickering,2017-08-10 Throughout the long nineteenth century the sounds of liberty resonated across the Anglophone world Focusing on radicals and reformers committed to the struggle for a better future this book explores the role of music in the transmission of political culture over time and distance Following in the footsteps of relentlessly travelling activists women and men it brings to light the importance of music making in the lived experience of politics It shows how music encouraged unified divided consoled reminded inspired and at times oppressed The book examines iconic songs the sound of music as radicals and reformers were marching electioneering celebrating commemorating as well as striking rioting and rebelling and it listens within the walls of a range of associations where it was a part of a way of life inspiring nurturing though at times restrictive It provides an opportunity to hear history as it happened **Shaping North America** James E. Seelye Jr.,Shawn Selby,2018-08-03 This fascinating multivolume set provides a unique resource for learning about early American history including thematic essays topical entries and an invaluable collection of primary source documents In 1783 just months after the United States achieved independence from Great Britain General George Washington was compelled to convince his officers not to undertake a military coup of the Congress of Confederation Had the planned mutinous coup of the Newburgh Conspiracy gone forward the American experiment may have ended before it even began The pre colonial and colonial periods of early American history are filled with accounts of key events that established the course of our nation s development This expansive three volume set provides entries on a wide variety of topics and themes in early American history to elucidate how the United States came to be Written in straightforward language the encyclopedic entries on social political cultural and military subjects from the pre Columbian period through the creation of the Constitution roughly 1400 1790 will be useful for anyone wishing to deeply investigate the who what

where when and why of early America Additionally the breadth of primary documents including personal diaries letters poems images treaties and other legal documents provides readers with firsthand sources written by the men and women who shaped American history both the famous and the less well known Each of the three volumes also presents thematic essays on highlighted topics to fully place the individual entries within their proper historical context and heighten readers comprehension

The Kentucky Derby James C. Nicholson, 2012-03-15 Provides a complete history of the Kentucky Derby examining the tradition spectacle culture and evolution of an event that has marveled America and the world for more than 130 years

Something Wonderful Todd S. Purdum, 2018-04-03 A revelatory portrait of the creative partnership that transformed musical theater and provided the soundtrack to the American Century They stand at the apex of the great age of songwriting the creators of the classic Broadway musicals Oklahoma Carousel South Pacific The King and I and The Sound of Music whose songs have never lost their popularity or emotional power Even before they joined forces Richard Rodgers and Oscar Hammerstein II had written dozens of Broadway shows but together they pioneered a new art form the serious musical play Their songs and dance numbers served to advance the drama and reveal character a sharp break from the past and the template on which all future musicals would be built Though different in personality and often emotionally distant from each other Rodgers and Hammerstein presented an unbroken front to the world and forged much more than a songwriting team their partnership was also one of the most profitable and powerful entertainment businesses of their era They were cultural powerhouses whose work came to define postwar America on stage screen television and radio But they also had their failures and flops and more than once they feared they had lost their touch Todd S Purdum s portrait of these two men their creative process and their groundbreaking innovations will captivate lovers of musical theater lovers of the classic American songbook and young lovers wherever they are He shows that what Rodgers and Hammerstein wrought was truly something wonderful

Memoirs of the Life of Anna Jameson ... Geraldine Bate Macpherson, Mrs. Jameson (Anna), Mrs. Oliphant (Margaret), 1878

Before the Trumpet Geoffrey C. Ward, 2014-09-09 Before Pearl Harbor before polio and his entry into politics FDR was a handsome pampered but strong willed youth the center of a rarefied world In Before the Trumpet the award winning historian Geoffrey C Ward transports the reader to that world Hyde Park on the Hudson and Campobello Island Groton and Harvard and the Continent to recreate as never before the formative years of the man who would become the 20th century s greatest president Here drawn from thousands of original documents many never previously published is a richly detailed intimate biography its central figure surrounded by a colorful cast that includes an opium smuggler and a pious headmaster Franklin s distant cousin Theodore and his remarkable mother Sara and the still more remarkable young woman he wooed and won his cousin Eleanor This is a tale that would grip the reader even if its central character had not

grown up to be FDR The Chartist Circular ,1841

Robert Emmett The Making Of A Legend Book Review: Unveiling the Magic of Language
