Runaway Jury The:

The Runaway Jury John Grisham, 2010-03-16 1 NEW YORK TIMES BESTSELLER In Grisham's most addictive courtroom thriller *The Seattle Times* justice is fighting for its life and the jury is caught in the crossfire of greed and corruption They are at the center of a multimillion dollar legal hurricane twelve men and women who have been investigated watched manipulated and harassed by high priced lawyers and consultants who will stop at nothing to secure a verdict Now the jury must make a decision in the most explosive civil trial of the century a precedent setting lawsuit against a giant tobacco company But only a handful of people know the truth that this jury has a leader and the verdict belongs to him He is known only as Juror 2 But he has a name a past and he has planned his every move with the help of a beautiful woman on the outside Now while a corporate empire hangs in the balance while a grieving family waits and while lawyers are plunged into a battle for their careers the truth about Juror 2 is about to explode

The Runaway Jury John Grisham, 1996-05-01 1 NEW YORK TIMES BEST SELLER Every jury has a leader and the verdict belongs to him In Biloxi Mississippi a landmark tobacco trial with hundreds of millions of dollars at stake begins routinely then swerves mysteriously off course The jury is behaving strangely and at least one juror is convinced he's being watched Soon they have to be sequestered Then a tip from an anonymous young woman suggests she is able to predict the jurors' increasingly odd behavior Is the jury somehow being manipulated or even controlled If so by whom And more important why Don't miss John Grisham's new book **THE EXCHANGE AFTER THE FIRM**

The Runaway Jury John Grisham, 1997-01 A member of the jury for the century's most explosive trial against a giant tobacco company Juror 2 a mysterious man with a past and a hidden agenda joins forces with a beautiful woman on the outside to get the verdict he wants no matter what the cost

The Celluloid Courtroom Ross D. Levi, 2005-03-30 The genre of legal cinema is an extensive and revealing one it is a body of films that depicts lawyers clients criminals judges and juries often not as they actually are but as we would like them to be The idealized courtroom of many legal movies tells us a great deal about what we think of our justice system and what we want it to reflect about America but the films in the genre vary widely in how they do this From *To Kill a Mockingbird* to *Liar Liar* from *A Time to Kill* to *Twelve Angry Men* we see certain stereotypes repeating themselves again and again the judge as stern referee the jury as an ultimately fair body of decisionmakers the lawyer as hardworking and passionate fighter for the underdog In this new and comprehensive study of this understudied category of film author Ross D. Levi argues that contrary to popular belief legal movies show us a system that is far more fair than our actual one with corruption downplayed and greed made subordinate to compassion and compromise With a comprehensive filmography penetrating analysis both cinematic and legal and engaging discussion of a wide array of movies *The Celluloid Courtroom* is an indispensable guide to a key aspect of American movies and American justice The genre of legal cinema is an extensive and revealing one it is a body of films that depicts lawyers
