Running Uphill Recollections Of A Congrebman From Arizona:

Running Uphill James F. McNulty, 2003 In this memoir former Arizona Congressman James F McNulty Jr takes the reader along on the emotional roller coaster of campaigning for office With a candor rarely heard he documents the exhausting expensive sometimes hilarious and sometimes slanderous and bitter process and he explores the motivations and foibles of politicians as he observes the enormous consequences of their successes and failures Jim McNulty has lived from one election to the next for most of his life When he wasn t running for office himself he was helping manage other Democratic candidates campaigns He ran successfully for the Arizona State Senate twice and was appointed once to complete the term of a Senator who died in office He ran for Congress three times including his victory over Republican Jim Kolbe in 1982 and his defeat by the same opponent in 1984 and he ran for the United States Senate in 1980 The author leads the reader along a life s journey that began in the Irish neighborhoods of Boston and winds through Tucson Bisbee Phoenix and Washington D C and includes a visit to the Soviet Union in 1962 Throughout the book he examines political and legislative milestones that shaped modern Arizona such as the GI Bill Rural Electrification the Central Arizona Project and the establishment of Land Grant Colleges He details the emergence of a group of liberal Young Turks at the University of Arizona who would eventually seize control of the Arizona Democratic party In 1960 under the leadership of Stewart Udall they overthrew the conservative wing of the party and won the Arizona delegation to the Democratic National Convention for another Boston Irishman John F Kennedy This was a turning point in Arizona political history and Jim McNulty was in the middle of it **BOOK JACKET**

literary ethos and a burgeoning ecological consciousness providing timeless insights into the natural world and humanity's relationship with it. John Muir, revered as the Father of the National Parks, was born in 1838 in Scotland and later emigrated to the United States. His formative years on a Wisconsin farm coupled with his extensive travels through the Sierra Nevada and other natural landscapes deeply influenced his environmental philosophy. Muir's experiences as a naturalist, scientist, and passionate advocate for the preservation of untouched wilderness led him to write works that would inspire future generations of conservationists and activists. This illustrated edition serves as an essential resource for anyone drawn to nature writing, environmental studies, or American history. Muir's evocative eloquence and insightful observations make this collection a must-read for those seeking inspiration in both the beauty and fragility of our planet. Dive into these essays to discover the soul of a man whose love for the wild still resonates in today's environmental discourse.
