The Print Collector: An Introduction To The Knowledge Necessary For Forming A Collection Of Ancient Prints Joseph Maberly,2023 **The Print Collector** Joseph Maberly,Theodore Henry Fielding,1880 *The Print Collector* J. Maberly,2015-06-17 Excerpt from *The Print Collector An Introduction to the Knowledge Necessary for Forming a Collection of Ancient Prints* The study of art needs no apology Man may sometimes acquire too much power or too much money for his own advantage or for the good of his fellow men but true art is like true religion the more it is cultivated the richer are the heart and mind of its possessor Should it not beget wisdom it will increase knowledge and these if not twin brothers are very closely related There are good and bad systems of religion as there are true and false forms of art and a consideration of this analogy might be followed up with profit to the edification of some people and to the incredulity and disapprobation of others In this new country where for the last one hundred years utility has been the predominant idea I have often wondered why the poetic mind of the age has not created a goddess of Utility to whom we might render homage similar to that paid in the olden time at the shrines of the goddesses of Wisdom Beauty and Riches We know that art in its highest forms is capable of inspiring the purest of religious sentiment but this is only a portion of what it has done for the world in the past and is capable of doing for us now In all real art there is something which the lowliest person may partake of and enjoy just as art may be found and does exist in the lowliest and simplest forms and detail About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Print Collector, an Introduction to the Knowledge Necessary for Forming a Collection of Ancient Prints, Containing Suggestions as to the Mode of Commencing Collector. Remarks on the Ancient and Modern Practice of the Art and a Catalogue Raisonné of Books by J. The Print Collector Joseph Maberly, 1844 Appleton's Library Manual D. Appleton and Co. (New York, N.Y.), 1849 Appleton's Library Manual Daniel APPLETON (AND CO.), 1847 Rembrandt's Religious Prints Charles M. Rosenberg, 2017-09-11 A stunning catalogue of the seventy religious prints from the 2017 exhibition featuring detailed background information on each piece Rembrandt's stunning religious prints stand as evidence of the Dutch master's extraordinary skill as a technician and as a testament to his genius as a teller of tales Here several virtually unknown etchings collected by the Feddersen family and now preserved for the ages at the University of Notre Dame are made widely available in a lavishly illustrated volume Building on the contributions of earlier Rembrandt scholars noted art historian Charles M Rosenberg illuminates each of the seventy religious prints through detailed background information on the artist's career as well as the historical religious and artistic impulses informing their creation Readers will enjoy an impression of the earliest work The Circumcision 1625 26 the famous Hundred Guilder Print the enigmatic eighth state of Christ Presented to the People one of a handful of examples of the very rare final posthumous state of The Three Crosses and an impression and counterproof of The Triumph of Mordecai From the joyous epiphany of the coming of the Messiah to the anguish of the betrayal of a father Jacob by his children from choirs of angels waiting to receive the Virgin into heaven to the dog who defecates in the road by an ancient inn The Good Samaritan Rembrandt's etchings offer a window into the nature of faith aspiration and human experience ranging from the ecstatically divine to the worldly and mundane Ultimately these prints modest intimate fragile objects are great works of art which like all masterpieces reward us with fresh insights and discoveries at each new encounter Despite many reliable catalogues of Rembrandt etchings very few have focused on the religious content of these prints The outstanding range of the Feddersen Collection offers an excellent occasion for closer examination of Rembrandt's development as a printmaker but also as a spiritual devout Christian especially evident from his thoughtful return to the same subjects across his career Charles Rosenberg and his team at the Smit Museum deserve our thanks for fresh analysis of Rembrandt's religious prints combined with the latest scholarship on the artist and his etchings output Rembrandt scholars but also all lovers of the artist will want to consult this important catalogue Larry Silver author with Shelley Perlove of Rembrandt's Faith Church and Temple in the Dutch Golden Age Rembrandt's etchings of religious themes capture the emotional heart of their subjects through a uniquely inventive approach to both technique and content The seventy prints gathered by Jack and Alfrieda Feddersen span the full range of Rembrandt's production and offer an outstanding resource for appreciation and research This catalogue tells the

fascinating story of how the collection was formed and brings a fresh analysis to each print Charles Rosenberg's extensive catalogue entries will be useful reading for anyone interested in the history of European art and one of its most talented practitioners Rembrandt van Rijn Stephanie Dickey Queen's University *Jan Vedder's Wife* Amelia E.
