Prison Law Text And Materials:

Prison Law Stephen Livingstone, Tim Owen, 1993 The law governing the administration of prisons and prisoners rights is not separate from the mainstream of English law It consists of a body of rules and regulations drawn from other recognized legal categories including constitutional civil liberties and administrative law Because this area of law has not been well defined work in this domain has been complicated and plagued with problems of access to materials and the full process of the law *Prison Law* analyzes the relevant law and conveniently brings together the essential legal texts in this emerging field of law providing an important reference for students and practitioners

Smith and Hogan Criminal Law: Text and Materials David Ormerod, John Cyril Smith, Karl Laird, 2014 Criminal Law is written with the needs of the student foremost in mind to provide more than ever as modern and as comprehensive an exposition of the criminal law as he or she could possibly require

Reconstructing Criminal Law Nicola Lacey, Celia Wells, Oliver Quick, 2003-09 The authors analyse central aspects of criminal law in the context of the assumptions surrounding it and employ a number of critical approaches including a feminist perspective to give insights into the current state of the law

World Criminal Justice Systems Richard J. Terrill, 2013 Includes bibliographical references p 639 665 and indexes

Prisoners' Rights John Kleinig, 2017-07-05 This volume brings together a selection of the most important published research articles from the ongoing debate about the moral rights of prisoners The articles consider the moral underpinnings of the debate and include framework discussions for a theory of prisoners rights as well as several international documents which detail the rights of prisoners including women prisoners Finally detailed analysis of the moral bases for particular rights relating to prison conditions covers areas such as health solitary confinement recreation work religious observance library access the use of prisoners in research and the disenfranchisement of prisoners

Comparative Law Mathias Siems, 2022-03-24 Presents a fresh contextualised and sophisticated perspective on comparative law for both students and scholars

The Reasonable Person Valentin Jeutner, 2024-06-06 The first comprehensive account of the history and function of the common law s reasonable person

Principles of Enterprise Law Ewan McGaughey, 2022-09 Shows how the enterprises shaping our lives really work in education banking energy transport media big tech

Fortin's Children's Rights and the Developing Law Rachel E. Taylor, 2024-02-29 The notion that children constitute an important group of rights holders has gained increasing acceptance both domestically and internationally Nevertheless this rhetorical commitment to children s rights is not necessarily realised in practice Now in its fourth edition Fortin s Children s Rights and the Developing Law explores the extent to which law and policy in England promotes or undermines the rights of children Fully revised and updated this textbook uses current research on child development and welfare to reflect on the extent to which the law fulfils children s rights in a wide range of areas including medical law education and child poverty These developments are measured against the domestic law and the UK s international obligations under for example the United Nations Convention on the Rights of the Child

The Making

Sense of Politics, Media and Law Gary Watt, 2023-04-13 Makes sense of truthmaking in law media politics and courts of popular opinion including on transgender controversies and cancel culture Self, Others and the State Arlie Loughnan, 2019-12-12 Criminal responsibility is now central to criminal law but it is in need of re examination In the context of Australian criminal laws Self Others and the State reassesses the general assumptions made about the rise to prominence of criminal responsibility in the period since around the turn of the twentieth century It reconsiders the role of criminal responsibility in criminal law arguing that criminal responsibility is significant because it organises key sets of relations between self others and the state as relations of responsibility Detailed studies of decisive moments and developments since the turn of the twentieth century and original explorations of relations of responsibility expose the complexity and dynamism of criminal responsibility and reveal that it is the means by which matters of subjectivity relationality and power make themselves felt in the criminal law **Labour Law** Hugh Collins, Keith Ewing, Aileen McColgan, 2019-10-17 Written by prominent UK labour lawyers this textbook is comprehensive and engaging with detailed commentary and integrated materials Landmark Cases in Criminal Law Philip Handler, Henry Mares, Ian Williams, 2017-05-04 Criminal cases raise difficult normative and legal questions and are often a consequence of compelling human drama In this collection expert authors place leading cases in criminal law in their historical and legal contexts highlighting their significance both in the past and for the present The cases in this volume range from the fifteenth to the twenty first century Many of them are well known to modern criminal lawyers and students others are overlooked landmarks that deserve reconsideration The essays often based on extensive and original archival research range over a wide spectrum of criminal law covering procedure and doctrine statute and common law individual offences and general principles Together the essays explore common themes including the scope of criminal law and criminalisation the role of the jury and the causes of change in criminal law

International Criminal Law, Volume 1: Sources, Subjects and Contents M. Cherif Bassiouni, 2008-12-31 Volume 1 deals with international crimes It contains several significant contributions on the theoretical and doctrinal aspects of ICL which precede the five chapters addressing some of the major categories of international crimes The first two chapters address the sources and subjects of ICL and its substantive contents The other five chapters address Chapter 3 The Crime Against Peace and Aggression The Crime Against Peace and Aggression From its Origins to the ICC The Crime of Aggression and the International Criminal Court Chapter 4 War Crimes Crimes Against Humanity Penal Aspects of International Humanitarian Law Non International Armed Conflict and Guerilla Warfare Mercenarism and Contracted Military Services Customary International Law and Weapons Control Genocide Crimes Against Humanity Overlaps Gaps and Ambiguities in Contemporary International Humanitarian Law Genocide and Crimes Against Humanity Chapter 5 Crimes Against Fundamental Human Rights Slavery Slave Related Practices and Trafficking in Persons Apartheid International Prohibition of Torture The Practice of Torture in the United States September 11 2001 to Present Chapter 6 Crimes of Terror Violence International Terrorism

Law and Administration Carol Harlow, Richard Rawlings, 2006 **Remedies in Contract and Tort** Donald Harris, David Campbell, Roger Halson, 2002-03 Remedies is one of the key organizing concepts of the obligations approach to the common law This second edition modernizes the former 1995 edition quite considerably It determines the place of remedies in contract and tort within the debate about the reform of the common law obligation **Toward a New Legal Common Sense** Boaventura de Sousa Santos, 2002-09 The text emphasises a need for reconstruction of legality based on locality nationality and globality **Criminal Law, Second Edition** Charles P. Nemeth, 2011-11-16 In order to fully grasp criminal law concepts students must go beyond mere rote memorization of the penal code and attempt to understand where the laws originate from and how they have developed Criminal Law Second Edition blends legal and moral reasoning in the examination of crimes and explores the history relating to jurisprudence and roots of criminal law It fosters discussions of controversial issues and delivers abridged case law decisions that target the essence of appellate rulings Grounded in the model penal code making the text national in scope this volume examines Why the criminal codes originated and the moral religious spiritual and human influences that led to our present system How crimes are described in the modern criminal justice model The two essential elements necessary for criminal culpability actus reus the act committed or omitted and mens rea the mind and intent of the actor Offenses against the body resulting in death including murder manslaughter felony murder and negligent homicide Nonterminal criminal conduct against the body including robbery kidnapping false imprisonment assault and hate crimes Sexual assault rape necrophilia incest and child molestation Property offenses such as larceny theft bribery forgery and embezzlement Crimes against the home including burglary trespass arson and vandalism The book also examines controversial public morality issues such as prostitution drug legalization obscenity and pornography The final two chapters discuss inchoate offenses where the criminal act has not been completed and various criminal defenses such as legal insanity entrapment coercion self defense and mistake of fact or law Important keywords introduce each chapter and discussion questions and suggested readings appear at the end of each chapter prompting lively debate and further inquiry into a fascinating subject area that continues to evolve **The Limits of Criminal Law** Carl Constantin Lauterwein, 2016-03-03 This book compares the civil and common law approach to analyze the question What sorts of conduct may the state legitimately make criminal Through a comparative focus on an Australian and German context this book utilizes interviews with Australian criminal law experts and contrasts them with the German model based on

Rechtsgutstheorie By comparing the largely descriptive criminology based Australian approach with the more sophisticated German legal theory model the author finds the Australian approach to be suffering from a normative flaw illustrated by the distinction of different approaches to the offences of incest bestiality and possession of illicit drugs Carl Constantin Lauterwein discovers that while there is strength in the common law approach of describing the possible reasons for criminalizing certain conduct the approach could be significantly improved by scrutinizing the legitimacy of those reasons

Dispute Processes Michael Palmer, Simon Roberts, 2020-07-09 This wide ranging study considers the primary forms of decision making negotiation mediation umpiring as well as the processes of avoidance and violence in the context of rapidly changing discourses and practices of civil justice across a range of jurisdictions Many contemporary discussions in this field and associated projects of institutional design are taking place under the broad but imprecise label of Alternative Dispute Resolution ADR The book brings together and analyses a wide range of materials dealing with dispute processes and the current debates on and developments in civil justice With the help of analysis of materials beyond those ordinarily found in the ADR literature it provides a comprehensive and comparative perspective on modes of handling civil disputes The new edition is thoroughly revised and is extended to include new chapters on avoidance and self help the ombuds Online Dispute Resolution and pressures of institutionalisation
