Kiestra, 2014-09-11 In this book the interaction between the rights guaranteed in the European Convention of Human Rights ECHR and private international law has been analysed by examining the case law of the European Court of Human Rights the Court and selected national courts In doing so the book focuses on the impact of the ECHR on the three main issues of private international law jurisdiction applicable law and the recognition and enforcement of foreign judgments Next to a list of cases consulted and a comprehensive bibliography the book offers brief introductions to PIL and the ECHR for readers who are less familiar with either of the topics This makes the book not only a valuable tool for specialists and practitioners in the fields covered but at the same time a well documented basis for students and starting researchers specializing in either or both directions

*Polygraph Testing in the Private Work Force* United States. Congress. House. Committee on Education and Labor. Subcommittee on Employment Opportunities, 1987 **The Private Is Political** Alice E. Marwick, 2023-05-30 A compelling firsthand investigation of how social media and big data have amplified the close relationship between privacy and inequality Online privacy is under constant attack by social media and big data technologies But we cannot rely on individual actions to remedy this it is a matter of social justice Alice E Marwick offers a new way of understanding how privacy is jeopardized particularly for marginalized and disadvantaged communities including immigrants the poor people of color LGBTQ populations and victims of online harassment Marwick shows that few resources or regulations for preventing personal

information from spreading on the internet Through a new theory of networked privacy she reveals how current legal and technological frameworks are woefully inadequate in addressing issues of privacy often by design Drawing from interviews and focus groups encompassing a diverse group of Americans Marwick shows that even heavy social media users care deeply about privacy and engage in extensive privacy work to protect it But people are up against the violation machine of the modern internet Safeguarding privacy must happen at the collective level      **Clearinghouse Review** ,1993
