Revival of the Gnostic Heresy J. Morris,2008-11-24 In this rigorous and provocative study Joe E Morris argues that the basic tenets and practices of Fundamentalism are those of ancient Christian Gnosticism Drawing on extensive research and careful analysis Morris aligns the two religious phenomena point by point tenet by tenet Along the way he provides insights into the key hermeneutic of Fundamentalism inerrancy of Scripture highlighting the multiple problems with the positions of literal and inerrant interpretation their impracticality and unfeasibility and their contradiction with their own conservative doctrine namely the Incarnation of Jesus Christ This groundbreaking book dramatically recasts our understanding of the history of Christianity and gives important context to modern day religious debates

Revival Igniters Elmer Towns,2022-01-18 Elmer L Towns is one of the most God gifted storytellers of our time He begins Revival Igniters with the riveting testimony of his born again experience As only he can tell in vivid detail the reader is there with him in a half built church with a few others gathered on the floor behind the pulpit And again in a garage apartment filled

Ignition and Accessories ,1912 **Counterfeit Revival** Hank Hanegraaff,2001-07-28 Hank Hanegraaff documents the danger of looking for God in all the wrong places and goes behind the scenes into the wildly popular and bizarre world of contemporary revivalism Hanegraaff masterfully exposes the stark contrast between these deeds of the flesh and a genuine work of the Spirit by contrasting modern revivals with the scriptural examples of God s movement among His people

The Never-Ending Revival Michael F. Scully,2022-08-15 In recent years there has been an upsurge in interest in roots music and world music popular forms that fuse contemporary sounds with traditional vernacular styles In the 1950s and 1960s the music industry characterized similar sounds simply as folk music Focusing on such music since the 1950s The Never Ending Revival Rounder Records and the Folk Alliance analyzes the intrinsic contradictions of a commercialized folk culture Both Rounder Records and the North American Folk Music and

Dance Alliance have sought to make folk music widely available while simultaneously respecting its defining traditions and unique community atmosphere By tracing the histories of these organizations Michael F Scully examines the ongoing controversy surrounding the profitability of folk music He explores the lively debates about the difficulty of making commercially accessible music honoring tradition and remaining artistically relevant all without selling out In the late 1950s through the 1960s the folk music revival pervaded the mainstream music industry with artists such as Bob Dylan and Joan Baez singing historically or politically informed ballads based on musical forms from Appalachia and the South In the twenty first century the revival continues and it includes a variety of music derived from Cajun African American and Mexican traditions among many others Even though the mainstream music industry and media largely ignore the term folk music a strong allure based on nostalgia the desire for community and a sense of exclusiveness augments an enthusiastic following connected by word of mouth numerous festivals and the Internet There are more folk festivals now than there were during the original boom of the 1960s suggesting that music artists agents and record label representatives are striking a successful balance between tradition and profitability Scully combines rich interviews of music executives and practicing folk musicians with valuable personal experience to reveal how this American subculture remains in a never ending revival based on fluid definitions of folk and folk music

Revival and Awakenings Volume Two Riaan Engelbrecht,2024-07-10 Volumes one and two of Revival and Awakenings part of the End Time Series explore what is a real revival and a spiritual awakening Prophetically it delves into what God has been saying for a long time which is that the Lord will sweep the earth with revival in the end times which will ignite many followers with His holy fire What will this revival look like This is the big question and one would rather say it will not be a singular event but a sequence of Godly movements across the globe that will be infectious contagious and real In an awakening the Holy Spirit gives unbelieving people who are dead in their trespasses and sins a new awareness of their needs A revival is connected to the people of God and it is when those who are in churches those who are professing believers are ministered to by the Holy Spirit in such a way that they are renewed in their devotion to the Lord The time is ripe for the one final great harvest yet this calls for the revived church full of the fire of the Holy Spirit to go into the fields to awaken the lost and the forgotten and broken and to bring them into the loving embrace of a God who is full of compassion grace and mercy This is the time of spiritual latter rains and now is the time to welcome the embrace of a God who is real alive and who calls us all into His arms to reflect His beauty and greatness It is not God s Will that any soul should perish but that all men should come to the knowledge of God and be saved God is calling on all believers to cast their net in the deep for the harvest of souls
