Rewarding Faith Plus Works Lela Grace McConnell, 1962 Who or What Is It All About?: A Worshipping Musician's Guide to Theology Lawrence Cooke, 2012-11-04 This book is a comprehensive and detailed overview of the main aspects of the Christian faith and lifestyle treated in a style which is simple to understand without being simplistic In more than 95 essays Lawrence ranges across the breadth and depth of Christian theology Using the questions Who Is It or What Is It the author proceeds to analyse across a spectrum of topics Included amongst the 95 essays are answers to the following questions Who is God Who is Jesus Christ Who is The Trinity Who is The Messiah Who is a Human Being Who is a Male Who is Satan Who is The Son of Man Who is God the Father Who is the Word Who is a Female Who is the Antichrist What is Revelation What is Creation What is the Truth What is The Law What is Praise What is Glory What is Prophecy What is Healthy Living What is Love What is Holiness What is the Tongue What is Fear **Holy Boldness** Susie C. Stanley, 2004-05 From its inception in the nineteenth century the Wesleyan Holiness religious tradition has offered an alternative construction of gender and supported the equality of the sexes In *Holy Boldness* Susie C Stanley provides a comprehensive analysis of spiritual autobiographies by thirty four American Wesleyan Holiness women preachers published between the mid nineteenth and mid twentieth centuries While a few of these women primarily African Americans have been added to the canon of American women s autobiography Stanley argues for the expansion of the canon to incorporate the majority of the women in her study She reveals how these empowered women carried out public ministries on behalf of evangelism and social justice The defining doctrine of the Wesleyan Holiness tradition is the belief in sanctification or experiencing a state of holiness Stanley s analysis illuminates how the concept of the sanctified self inspired women to break out of the narrow confines of the traditional women s sphere and engage in public ministries from preaching at camp meetings and revivals to ministering in prisons and tenements Moreover as a result of the Wesleyan Holiness emphasis on experience as a valid source of theology many women preachers turned to autobiography as a way to share their spiritual quest and religiously motivated activities with others In such writings these preachers focused on the events that shaped their spiritual growth and their calling to ministry often giving only the barest details of their personal lives Thus *Holy Boldness* is not a collective biography of these women but rather an exploration of how sanctification influenced their evangelistic and social ministries Using the tools of feminist theory and autobiographical analysis in addition to historical and theological interpretation Stanley traces a trajectory of Christian women s autobiographies and introduces many previously unknown spiritual autobiographies that will expand our understanding of Christian spirituality in nineteenth and twentieth century America The Author Susie C Stanley is professor of historical theology at Messiah College She is the author of *Feminist Pillar of Fire The Life of Alma White* Encyclopedia of Christianity in the United States George Thomas Kurian, Mark A. Lamport, 2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping

False Prophets and Their Blind Followers Pastor Kamthian Vaiphei, Joaozinho da S. F. A. Martins, 2013-02 In this brief treatise the authors attempt to describe modern false prophets in the light of God's Word. The so-called evangelical but unbiblical messages are also clearly exposed. Instead of recognizing false prophets and preachers for what they are by their evil fruits, Matthew 7:16, some think highly of them. They assume they are genuine and blindly follow them without questioning their credibility. Jesus called them ravenous wolves in sheep's clothing, Matthew 7:15. The Apostle Paul calls them deceitful workers transforming themselves into the apostles of Christ, 2 Corinthians 11:13. The only way to identify such is through their evil fruits, which cannot escape the notice of spiritually discerning eyes of those who are truly converted and have God's Holy Spirit dwelling in them. Jesus calls to beware of false prophets based on their evil fruits; is redundant if we choose to remain careless by tolerating in our midst such false prophets claiming to be God's anointed servants. Pastor Kamthian Vaiphei B.A.M.B.S. is the founder and pastor of Christian Fellowship Assembly in Kalina, Mumbai, India. He earned his M.A. in biblical studies at Providence Evangelical Bible Seminary, Panvel, Maharashtra, India. Joaozinho da S.F.A. Martins is a budding Christian author and freelance writer proclaiming the power of the true gospel through the written word. He is a member of Divine Life Communion Biblical Christian eFellowship International, Goa, India. Publisher's website: <http://sbpra.com> KamthianVaipheiandJoaozinhodaSFAMartins. Secure Forever Robert Metevia, 2012-06-26 This book is a must read for anyone seeking the assurance and peace of mind that their salvation once received is forever and can never be lost. It is also a must read for those who want to defend this precious doctrine and pass along to fellow believers the truth that will set them free. No longer will it be necessary to walk on eggshells trying to keep what only God can keep. This book will enlighten the understanding of its readers to see that the truth of their new position in Christ is absolutely perfect before God while their practice is flawed. It will also reveal that God's work of justification declares them righteous forever while His work of sanctification makes them righteous in their behavior. A number of other theological distinctions will be made to help the readers understand the permanency of their salvation, such as the differences between salvation faith and service faith, innate knowledge and head knowledge, sinner and saint, the believers' relationship with God and his fellowship with God, judicial forgiveness and parental forgiveness, and a distinction between the words faith of Christ and faith in Christ. This book will also reveal the warfare that goes on in the minds of believers preventing them from going for broke and trusting in Christ and Christ alone for their salvation. To trust in Christ plus one's own ability to maintain a certain level of faith is not to trust in Christ alone to complete what He has started but instead to trust in Christ plus human effort. The truth of once saved always saved will motivate believers to serve God not out of a fear of losing their salvation but out of gratitude that they are kept by God's power to serve others and can never be lost.

The Damnable Heresy of Salvation by Dead Faith (Expanded Edition) Edward Hendrie, 2021-06-19 Good works follow salvation; they do not earn salvation. Good works do not save us. The works of

faith are those works ordained and performed by God through the believer They are the result of faith It is that perfect faith that justifies the believer For by grace are ye saved through faith and that not of yourselves it is the gift of God Not of works lest any man should boast For we are his workmanship created in Christ Jesus unto good works which God hath before ordained that we should walk in them For we are his workmanship created in Christ Jesus unto good works which God hath before ordained that we should walk in them Ephesians 2 8 10 In Romans chapters 6 and 8 Paul explains faith without good works cannot save Paul says that God's elect walk not after the flesh but after the Spirit Romans 8 1 He states that those who do not walk in the Spirit but instead walk in the flesh shall not inherit the kingdom of God Galatians 5 15 25 John explains If we say that we have fellowship with him and walk in darkness we lie and do not the truth But if we walk in the light as he is in the light we have fellowship one with another and the blood of Jesus Christ his Son cleanseth us from all sin 1 John 1 6 7 James asks a rhetorical question What doth it profit my brethren though a man say he hath faith and have not works can faith save him James 2 14 James succinctly explains that faith without works is dead James 2 20 The pronouncement in James that true faith bears the fruit of good works is a theme found in the gospel But some perniciously preach that God saves a person by faith that has no good works That is one of the damnable heresies about which Peter warned See 2 Peter 2 1 22

Rightly Dividing the Scriptures Carlos Serra, 2023-02-09 Where will you spend eternity The Bible can be seen as a reflection of our lives We are born we live and we die Genesis shows the birth of humankind Revelation shows its end Or is it In Genesis Satan brought sin into the world and with sin death Revelation shows how sin and death will end so eternal life begins What a divine paradox Through Christ what started with death shall end with an endless life I am he that liveth and was dead and behold I am alive for evermore Amen and have the keys of hell and of death Revelation 1 18 For believers death will no longer be because death and hell were cast into the lake of fire This is the second death Revelation 20 14 Along with death and hell Satan the Antichrist the false prophet and all rebellious nonbelievers will be cast into the lake of fire Consequently we should evade such lot But how Faith cometh by hearing and hearing by the word of God Romans 10 17 Are you studying the Bible Do you understand it correctly Are you mixing messages meant for you with the ones not meant for you Are you incorporating hypothesis personal interpretations traditions or false doctrines Are you a lukewarm believer So then because thou art lukewarm and neither cold nor hot I will spue thee out of my mouth Revelation 3 16 This book will serve as a tool to increase your biblical understanding therefore your faith Avoid the day of judgment Don't be a tepid believer Understand the Bible correctly and the right way is by following the advice given by the apostle Paul Study to shew thyself approved unto God a workman that needeth not to be ashamed rightly dividing the word of truth 2 Timothy 2 15

Williams,2009-03-26 This book *via media philosophy* Holiness unto Truth Conversations between Wesleyan and Roman Catholic Voices records the first formal philosophical conversations between Wesleyan and Roman Catholic philosophers and theologians Although the Methodist community has developed numerous points of intersection with Roman Catholic counterparts authors from smaller Wesleyan Holiness groups along with Roman Catholic writers now offer new philosophical

conversations This book begins that conversation with a review of Pope John Paul II s call in *Fides et Ratio* Faith and Reason for adequate dialogue by philosophers on crucial areas of mutual concern Important bridges between the two communities are developed within each chapter Examples of via media practices in the lives of Rev John Wesley and Cardinal John Henry Newman are highlighted An editorial thread of other via media practices is offered after each chapter A special contribution by Marquette Professor D Stephen Long *Performing the Truth* closes this conversation with a call for holiness unto truth to be made present in the world This book strives to facilitate early steps along a via media to a holy relationship unto truth between Wesleyan and Roman Catholic voices *Interpreting The Bible Literally* Fred DeRuvo,2009-04-02 Those who understand the Bible in literal terms are constantly accused of not understanding the Bible in literal terms Someone will point to the word all or this or that and charge that the Literalist does not take those words literally therefore they are not truly understanding the Bible in literal terms Is there any truth to this Does the Literalist strive to understand the literal meaning of the Bible and by doing so is he required to understand every word in its most literal sense The author sets out to show that within language while not all words phrases and verbiage are to be taken literally all meaning derived from those same words phrases and verbiage is to be taken literally It is the actual meaning that matters What s the difference Is the Literalist simply pulling the wool over everyone else s eyes in order to make the Bible say what they want it to say
