The Release Athena Grayson, 2016-06-01 Only her enemy can set her mind free. The Release. When Micah's incarceration brings him face to face with the head of the Union itself, he discovers a devastating weakness in the Union's stranglehold on the star system and a shocking truth about his people. Now a fugitive from the Union she so loyally served, Treska is forced into uneasy alliance with the Restoration. As the lies holding the Union together at the top begin to unravel, so do the thin threads maintaining Treska's false identity. With her world shattered and her identity in crisis, Treska's only ally is the man whose mental powers terrify her. It's going to take all of Micah's mental talents to set her free, but her fear of his gifts may make Treska a prisoner of her own mind. The Release is the final part of Season One of Huntress of the Star Empire, a space opera set against the backdrop of an interplanetary government and the resistance fighting against it. If you like fast paced action, satisfying romantic tension, and breathtaking sci-fi worlds, then you'll love this sci-fi with sizzle. About the Huntress. Ever since she was found in the aftermath of alien attacks, Treska Sivekka has been trained to one purpose: to hunt down threats to the security of the Union that gave her an identity. But when the Union's biggest threat inspires desire and not fear, it's going to take all her training to protect her principles against his persuasive onslaught. The Huntress's neuro collar and repulsor cuffs may keep Micah bound to her mercy, but they can't stop him from challenging her convictions and the lies she's been told about his people. But when the secrets surrounding her own missing memories begin to reveal themselves, he may be the only one she can trust. Huntress of the Star Empire is a space opera with sizzle.
