Shooting Scripts From Pulp Western To Film

Bob Herzberg

Shooting Scripts From Pulp Western To Film:

Shooting Scripts Bob Herzberg, 2005-04-07 In their heyday pulp westerns were one of America's most popular forms of entertainment. Often selling for less than 50 cents, the paperback books introduced generations to the exploits of Billy the Kid and Jesse James, brought to life numerous villains usually named Black something (e.g. Black Bart and Black Pete) and created a West that existed only in the minds of several talented writers. It was only natural that filmmakers would look to the pulps for stories, adapting many of the works for the big screen and shaping the Western film genre. The adaptations of seven of the pulps' best writers—Ernest Haycox, Luke Short, Frank Gruber, Norman A. Fox, Louis L. Amour, Marvin H. Albert, and Clair Huffaker—are analyzed here. Insightful and humorous, the work looks at how the pulp novels and the movie adaptations reflected the times in which they were produced. It examines the clichés that became a part of the story: the rescue of the heroine, the gunfights, the evil banker or rancher ready to steal the land of the good law-abiding citizens, and the harlot with a heart of gold. A critical examination of how the books were interpreted or frequently misinterpreted by filmmakers is included, along with commentary on the actors and directors who put the pulps on screen.

Westerns Gary R. Edgerton, 2013-09-13 For nearly two centuries, Americans have embraced the Western like no other artistic genre. Creators and consumers alike have utilized this story form in literature, painting, film, radio, and television to explore questions of national identity and purpose. *Westerns: The Essential Collection* comprises the *Journal of Popular Film and Television's* rich and longstanding legacy of scholarship on Westerns, with a new special issue devoted exclusively to the genre. This collection examines and analyzes the evolution and significance of the screen Western from its earliest beginnings to its current global reach and relevance in the 21st century. *Westerns: The Essential Collection* addresses the rise, fall, and durability of the genre and examines its preoccupation with multicultural matters in its organizational structure. Containing eighteen essays published between 1972 and 2011, this seminal work is divided into six sections covering Silent Westerns, Classic Westerns, Race and Westerns, Gender and Westerns, Revisionist Westerns, and Westerns in Global Context. A wide range of international contributors offer original critical perspectives on the intricate relationship between American culture and Western films and television series. *Westerns: The Essential Collection* places the genre squarely within the broader aesthetic, socio-historical, cultural, and political dimensions of life in the United States as well as internationally, where the Western has been reinvigorated and reinvented many times. This groundbreaking anthology illustrates how Western films and television series have been used to define the present and discover the future by looking backwards at America's imagined past.

Billy the Kid on Film, 1911-2012 Johnny D. Boggs, 2013-09-06 A comprehensive filmography, this book is composed of lengthy entries on about 75 films depicting legendary New Mexico outlaw Billy the Kid, from the lost *Billy the Kid* (1911) to the blockbuster *Young Guns* (1988) to the direct-to-video *1313 Billy the Kid* (2012) and everything in between. Each entry gives a synopsis, cast, and credits, critical reception, and a discussion of the events of the films compared to the historical record. Among the entries are made-for-TV

and direct to video films foreign movies and continuing television series in which Billy the Kid made an appearance *The Third Reich on Screen, 1929-2015* Bob Herzberg, 2016-11-19 For more than 80 years images of the Third Reich have appeared in newsreels documentaries and fictional stories from comedies and musicals to war horror and science fiction films Many of these representations say as much about the filmmakers as they do about Nazism itself Hollywood often used the brutal Nazi as an all purpose villain in escapist adventures set during and after the war but just as often used him to attack the evil he symbolized Drawing on studio files correspondence of the Production Code office and the writings of noted historians and critics this book describes the making of many such films produced in Hollywood Nazi Germany the Soviet Union and Eastern Bloc nations Biographies of several military and political figures who served as the basis for Nazi characters compare the cinematic and real life versions **Revolutionary Mexico on Film** Bob Herzberg, 2014-12-24 Drawing on studio files newspaper critiques internet sources and scholarly studies of Mexican cinema this critical history focuses on film depictions in Hollywood and in Mexico of the Mexican Revolution of 1910 and the era of Benito Juarez Mexico's political and military battles are discussed in detail and contrasted with the film industry's mostly uninformative take on these events Important figures of Mexican history are discussed Benito Juarez Porfirio Diaz Francisco Madero Jr Pancho Villa and Emiliano Zapata as well as non Latinos whose actions were influential Performers production personnel and literary sources for films dealing with revolutionary Mexico from the silent *The Life of General Villa* to *Cinco De Mayo La Batalla* of 2013 are covered **Savages and Saints** Bob Herzberg, 2014-01-10 The history of American Indians on screen can be compared to a light shining through a prism We may have seen bits and pieces of the genuine culture portrayed but rarely did we see a satisfying and informative whole picture *Savages and Saints* deals with the changing image of the American Indian in the Western film genre contrasting the fictionalized images of native Americans portrayed in classic films against the historical reality of life on the American frontier The book tells the stories of frontier warriors Indian and white revealing how their stories were often drastically altered on screen according to the times the films were made the stars involved in the film's production and the social political beliefs of the filmmakers Studio correspondence letters from government files and passages from western novels adapted for the screen are used to illustrate the various points Instructors considering this book for use in a course may request an examination copy here **Hang 'Em High** Bob Herzberg, 2013-08-29 For more than a century the Western film has proven to be an enduring genre At the dawn of the 20th century in the same years that *The Great Train Robbery* began a film genre Owen Wister wrote *The Virginian* which began a new literary genre From the beginning both literature and film would usually perpetuate the myth of the Old West as a place where justice always triumphed and all concerned except the villains pursued the Law The facts however reflect abuses of due process lynch mobs and hired gunslingers rather than lawmen regularly pursued lawbreakers vengeance rather than justice was often employed and even in courts of law justice didn't always prevail Some films and novels bucked this trend however This book discusses

the many Western films as well as the novels they are based on that illustrate distortions of the law in the Old West and the many ways most of them marked by vengeance in which its characters pursued justice Indigenous Intellectuals Kiara M. Vigil, 2015-07-15 In the United States of America today debates among between and within Indian nations continue to focus on how to determine and define the boundaries of Indian ethnic identity and tribal citizenship From the 1880s and into the 1930s many Native people participated in similar debates as they confronted white cultural expectations regarding what it meant to be an Indian in modern American society Using close readings of texts images and public performances this book examines the literary output of four influential American Indian intellectuals who challenged long held conceptions of Indian identity at the turn of the twentieth century Kiara M Vigil traces how the narrative discourses created by these figures spurred wider discussions about citizenship race and modernity in the United States Vigil demonstrates how these figures deployed aspects of Native American cultural practice to authenticate their status both as indigenous peoples and as citizens of the United States **Jesse James and the Movies** Johnny D. Boggs, 2014-01-10 This illustrated filmography analyzes the plots and players of the more than forty motion pictures about the legendary Missouri outlaw Jesse James 1847 1882 from the silent era to the 21st century Among the films and actors covered are Jesse James 1939 with Tyrone Power Kansas Raiders 1950 with Audie Murphy The Great Northfield Minnesota Raid 1972 with Robert Duvall and The Assassination of Jesse James by the Coward Robert Ford 2007 with Brad Pitt Each evaluation compares Hollywood s version of history to the hard facts A brief biography of the outlaw provides an overview of his life and career Also examined are European films made for television movies and continuing TV series that have featured episodes involving Jesse James *Imperial Japan on Screen, 1931-2022* Bob Herzberg, 2023-08-07 This book deals with film depictions of Imperial Japan from the time it was a totalitarian power to the productions of recent years It especially covers wartime depictions as well as the historical events that inspire the stories behind these productions In the 1930s Hollywood gave us the likeable Mr Moto at the same time Japan was set on its expansionist course When war broke out both the Allies and the Axis produced propaganda films that increased hatred for the enemy In the postwar years as the Cold War took hold the U S government encouraged friendship with their former wartime enemy This book details correspondence between studio personnel and the Production Code office as well as the critiques of film reviewers historians and military figures from both sides of the conflict Also examined are behind the scenes machinations from both the Japanese and American governments in the censorship of controversial film content
