

405 405 FREEWAY - LOS ANGELES - EARLY EVENING

405

Christmas tinsel on the light poles. We ARE LOOKING east past Inglewood INTO the orange grid of L.A. at night when suddenly we TILT UP TO CATCH the huge belly of a landing 747, the noise is deafening.

406 INT. 747 - PASSENGERS - SAME

406

The usual moment just after landing when you let out that sigh of relief that you've made it in one piece. As the plane TAXIS to its gate, they stir, gather personal belongings.

ON JOHN MCCLANE

mid-thirties, good-looking, athletic and tired from his trip. He sits by the window. His relief on landing is subtle, but we NOTICE. Suddenly, he hears --

SALESMAN'S VOICE

You don't like flying, do you?

McClane turns, looks at the Babbit clone next to him. Caught, he tenses, holds his armrests in exaggerated fear.

MCCLANE

No, no, where'd you get that idea?

Shooting Script

Shooting Script:

Shooting Script Gavin Lyall, 2013-01-16 The vortex of Caribbean politics made even more turbulent by one of the most compelling of contemporary storytellers New York Times Flying charter cargoes around the Caribbean wasn't quite the same as flying in Korea but it was still a living and Carr had built up a solid reputation over the years managing to keep his hands clean But when he is almost brought down by mercenary pilots flying for the newly instated La Republica government he realises it is inevitable that things will get messy As both the new government and the FBI seek his services Carr takes a job flying a camera plane for a major Hollywood movie in order to escape the conflict It soon becomes apparent however that his new employers have more in mind than aerial shots **Adaptation** Charlie Kaufman, Donald Kaufman, Robert McKee, 2002 One of the most talked about scripts of the year Adaptation is the story of an orchid collector Chris Cooper a journalist Meryl Streep as author Susan Orlean and the screenwriter Charlie Kaufman played by Nicolas Cage who in adapting Orlean's bestselling book The Orchid Thief writes himself and his twin brother also played by Cage into the movie In the foreword written exclusively for this Newmarket edition Orlean reveals her own struggle to tell the story of the orchid and her delight that strangely marvelously hilariously Kaufman's screenplay has ended up not being a literal Adaptation of my book but a spiritual one In a fascinating interview Kaufman and Jonze take readers behind the scenes of Adaptation and their other films to speak about how they collaborate where truth and fiction diverge the challenges of balancing various storylines why they do not like to comment on the meaning of their work and Kaufman's approach to writing I try to write in the midst of confusion and be strong enough to stay there rather than swim to the shore of some kind of conclusion Finally screenwriting guru Robert McKee's commentary attempts to analyze Kaufman's work identifying many of his themes including that grand twentieth century preoccupation with the Self In the acclaimed Newmarket Shooting Script series format the book includes the complete screenplay Orlean's foreword the interview with Kaufman and Jonze McKee's critical commentary 24 black and white stills and cast and crew credits **Alternative Scriptwriting** Ken Dancyger, Jeff Rush, 2012-08-21 Alternative Scriptwriting 4E is an insightful and inspiring book on screenwriting concerned with challenging you to take creative risks with genre tone character and structure Concerned with exploring alternative approaches beyond the traditional three act structure Alternative Scriptwriting first defines conventional approach suggests alternatives then provides case studies These contemporary examples and case studies demonstrate what works what doesn't and why Because the film industry as well as the public demand greater and greater creativity one must go beyond the traditional three act restorative and predictable plot to test your limits and break new creative ground Rather than teaching writing in a tired formulaic manner this book elevates the subject and provides inspiration to reach new creative heights **Television Series and Specials Scripts, 1946-1992**, 2009-10-21 In the early days of television many of its actors writers producers and directors came from radio This crossover endowed the American Radio Archives with a treasure trove of television documents The collected

scripts span more than 40 years of American television history from live broadcasts of the 1940s to the late 1980s They also cover the entire spectrum of television entertainment programming including comedies soap operas dramas westerns and crime series The archives cover nearly 1 200 programs represented by more than 6 000 individual scripts Includes an index of personal names program and episode titles and production companies as well as a glossary of industry terms **Capote** Dan Futterman,2006-02-17 This NHB Shooting Script Book includes The complete screenplay by Dan Futterman based on the book by Gerald Clarke Foreword by Gerald Clarke author of the biography of Truman Capote Q A with screenwriter Dan Futterman and director Bennett Miller 16 color photographs Background notes on In Cold Blood and an excerpt from the Clarke biography Full cast and crew credits *Shooting Script* Gordon Cotler,1992 Luck for Byron Saldinger a once successful writer of network television scripts seems to be blowing both ways Just as his career and personal life are on a sharp downward slide a dream assignment happens his way writing the pilot for a big bucks dramatic television series But then during a trip west to Hollywood for preproduction meetings on the project he is accused of plagiarizing his script And when his accuser is murdered in a Sunset Boulevard hotel Saldinger is once again plunged into the depths But he has a lifeline Al Vecchi an ex cop who once solved a high profile New York City murder and is west on a short term contract as technical adviser on crime shows Beefy defiantly New York out of fashion and out of step in Tinseltown Vecchi has previously crossed swords with Saldinger Now he finds himself drawn to the challenge of extricating the writer from a tangle of events that becomes more puzzling by the hour With filming of the pilot about to start the focus shifts rapidly between New York and L A Saldinger s mounting trouble with the police on both coasts must take a backseat when for reasons he cannot fathom he finds himself in imminent personal danger Sometimes pursuer sometimes pursued in settings as varied as Venice Beach and Benedict Canyon Manhattan s Upper West Side and the studios of the San Fernando Valley a Bel Air mock plantation manor and the decaying Desert Palm Hotel in Hollywood Saldinger manages to gather into his web of circumstance four young women an English dancer a half Japanese writer a Greek American restaurateur and a California peach on roller skates as well as the usual nervous mix of eccentrics one expects in the high stakes crapshoot that is network television As the pressures increase and Saldinger can no longer hold off both the New York and Los Angeles police he finds himself having to protect his flanks through several acts that are flat out illegal And then on the eve of principal photography a bare week after the nightmare began Al Vecchi surfaces to lead him to a startling resolution Shooting Script is both a first rate puzzle and a wry glimpse backstage in the arcane world of television production fast urgent witty skillfully plotted and with a surprising truth **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved **Film Scripts** George Garrett,O. B. Hardison,Jane R. Gelfman,1989 These scripts from 1964 65 movies are presented to aid in understanding filmmaking The reader viewer can study the script and finished images to compare film script with movie productions **Cast Away** William Broyles,2001-02-22 Cast Away began in 1994 when Fox executive Elizabeth Gabler told

me that Tom Hanks thought there might be a movie in the story of a modern man stranded on a desert island which Tom jokingly called *Chuck of the Jungle*. So begins William Broyles Jr's fascinating introduction written exclusively for this book about the process and challenges inherent in writing a screenplay that was not by design going to have a lot of dialogue in it and about his collaboration with two extraordinarily gifted artists actor Tom Hanks and director Robert Zemeckis. Broyles's introduction shows how a movie and its story evolve, shift and shape while the creators grapple with all manner of internal and external choices from developing what was Tom Hanks's idea into a story and building a narrative structure and thematic threads into a screenplay to researching the details of the specific and ironic situation of a FedEx executive stranded on a desert island.

Audio Visual Production Mr. Rohit Manglik, 2024-06-23 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources. Specializing in competitive exams and academic support, EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels.

Film Scriptwriting Dwight V Swain, Joye R Swain, 1988-08-24 This second edition of the widely acclaimed *Film Scriptwriting* is a truly practical manual for the working writer. It provides all the clear step by step guidance you need to script both fact and feature film and video from getting and developing ideas to the writing of master scene or shooting script. Featured in this new edition are annotated excerpts from some of today's most successful films selected to point up principles and techniques discussed. Interviews with working film specialists reveal the things professional directors, producers, story editor and analysts look for in appraising the scripts that come across their desks.
