In *A Wedding at Two Love Lane* by Kieran Kramer, Greer Jones has made a real name for herself at the elegant matchmaking agency Two Love Lane. For a lot of reasons, including a past engagement she broke off, practical tech expert Greer is more interested in the business of love than the experience of it, but she can't help but covet a gorgeous wedding gown that's the prize in an upcoming cocktail party contest. In a moment of brazen inspiration, Greer asks a handsome Brit she's only just met to accompany her to the party. He agrees, and Greer believes her date is a starving artist. Little does she know the truth. Ford Smith, as he calls himself, is actually Stanford Elliott Wentworth Smythe, the Eighth Baron of Wickshire. Fresh off a breakup with a money-grubbing siren who deceived him all the way to the altar, Ford has no desire to fall in love, especially with Greer, who, like the desired wedding gown, is beautiful but only skin deep. But soon Ford realizes that there's more to Greer than meets the eye. Her professionalism is matched only by her passion for life and love, and best of all, she has no idea that he's the manor-born. Could it be that true love is priceless after all. **Love's Treason; Or, The Two Privateers.
