Rallie Murray, Stefanie Schnitzer, 2019-06-03 Our world has become inundated with images of a reality in which evil thrives and good seems to be a naive utopian fantasy Good is reserved for superheroes and children's stories while the real world is driven by greed violence and hatred If we are so consumed with evil then is there any point to writing about it Perhaps the more important question is why should we ever stop writing about it Towards that end this volume is intended to act as a catalyst to an ongoing destabilization of mental philosophical and social political historical regimes of evil in thought and practice It is compiled with the intention of saying something new about a very old topic as a reminder that this is an unfinished conversation which stretches back millennia and has a deeply tangible impact on the worlds within which we live today Contributors are Peter Brian Barry Lima Bhuiyan Diedra L Clay Zachary J Goldberg Sophia Kanaouti Stefanie Schnitzer Mills Rallie Murray Asli Tekinay and Claudio Vescia Zanini

Forthcoming Books Rose Army, 2001 **The System of Antichrist** Charles Upton, 2005 The System of Antichrist examines the present religious and cultural scene from the standpoint of traditional metaphysics and critiques the New Age spiritualities within their postmodern context Its many references to Rene Guenon and Frithjof Schuon also help introduce these important but little known traditionalist thinkers The book presents lore relating to the latter days of the present cycle from the vantage point of comparative religion drawing upon relevant doctrines from Buddhism Hinduism Judaism Christianity Islam Zoroastrianism and the Native American traditions It also speculates upon the social psychic and spiritual nature of that being known to Christianity Judaism and Islam as the Antichrist presenting him as both an individual and a system and warning those willing to be warned against the spiritual seduction and terror he represents and against the regime which will be and is the social expression of that seduction and that terror Finally in tracing the roots of Antichrist in the fallen nature of man the author sketches the particular quality of spirituality proper to apocalyptic times the dangers it faces the unique opportunities open to it And along the way he describes his own course from the spiritual revolution of the 1960s through the world of New Age spiritualities to the threshold of traditional esoterism and metaphysics As he says speaking of the angst that characterizes the modern world The specific medicine for the shock of despair is the deeper shock of meaning Nothing but the weight of eternity breaking through the thin brittle shell of the postmodern sky can set us on our feet

Darkness Rising Lis Wiehl, Pete Nelson, 2013-07-09 The evil in East Salem is no longer content to hide in the shadows The stakes and the darkness are rising Dani Harris thought there wasn't much left that could surprise her after serving as a forensic psychiatrist in East Salem And Tommy Gunderson has faced few challenges in his life that he couldn't overcome by either physical strength or his celebrity status But as they race to uncover what's really happening behind the high walls of St Adrian's Academy it becomes clear that supernatural forces have been at work here for generations And now their focus is on making sure Dani and Tommy don't interfere When the unseen becomes seen faith is the only weapon strong enough to fight in a battle involving not just murder and betrayal but angels and demons Wiehl's latest is a truly creepy story with supernatural undertones that seem
