Matter and Man Mikhail Vasilyev, Kirill Stanyukovich, 1983-11-01 A System of Biblical Psychology Franz Delitzsch, 1899 **Man or Matter** Ernst Lehrs, 2022-09-04 In *Man or Matter* Ernst Lehrs delves into the intricate relationship between human consciousness and the material world challenging traditional dichotomies that separate mind from matter Set against the backdrop of early 20th century philosophical inquiry Lehrs employs a rich tapestry of literary styles merging philosophical discourse with poetic reflections His exploration is heavily influenced by anthroposophy and the spiritual science movement seeking to bridge the gap between scientific rationalism and spiritualism Through his keen analysis Lehrs presents a compelling case for a profound interconnectedness positing that humanity must recognize its role within the cosmos Ernst Lehrs was a notable figure in anthroposophical circles deeply influenced by the teachings of Rudolf Steiner His educational pursuits in philosophy and the natural sciences provided him with a robust foundation in both scientific inquiry and metaphysical exploration This duality shaped his perspective in *Man or Matter* as he sought to articulate a vision of humanity that transcends mere materialism embedding rich spiritual dimensions into everyday existence This book is a must read for anyone intrigued by the philosophical underpinnings of human existence and the metaphysical implications of modern science Lehrs eloquent prose not only enlightens but also inspires readers to reflect upon their own consciousness in relation to the universe making it an essential addition to the libraries of philosophers scientists and spiritual seekers alike **Man's Destiny** Colin Leach, 2012 This book contains A new theory for the Big Bang that created the universe Validation of the Genesis account of creation The real reason why God created Man The real reason for the construction of the Great Pyramid at Giza The real reason why God sent the Israelites to Egypt The real reason why God sent Jesus to preach Christianity The author has applied his powers of analysis and imagination to all the above and linked them in a cause and effect relationship that points to an undreamt of destiny for mankind The Mysticism of Johann Joseph Von Görres as a Reaction Against Rationalism Sister Mary Gonzaga, 1920 Matter and Man Mikhail Vasil'evich Vasil'ev, Kirill Petrovich Staniukovich, 1960 From Matter to Man A. Redcote Dewar, 2015-06-25 Excerpt from *From Matter to Man A New Theory of the Universe* The preliminary problem in all human speculation has ever been the origin of existence and it still frets the natural philosopher but the solution is partly determined by the definition of the problem and its accuracy for to day depends almost wholly upon the meaning which present intelligence attaches to the term origin Every origin in the universe necessarily includes both the thing made and that out of which it is made For as nothing begets nothing so something must be begotten of something As no definition of origin therefore however orthodox can be accurate which assumes a creation of something from nothing origin in so far as it refers to the universe is meaningless About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally
