Matter Of Survival The War Jane Never Saw:

Matter of Survival Chris Noel, Bill Treadwell, 1987 Chris Noel's moving often tragic account of her experiences as the Voice of Armed Forces Radio in Vietnam is filled with memorable references of a young and impressionable girl's introduction to war. She shares unforgettable accounts of her encounters with other movie personalities as well as with combat troops in the field. **Why the Beach Boys Matter** Tom Smucker, 2018-10-02 An excellent introduction to the band that might have evolved the author suggests into the Beatles. New York Journal of Books Of all the white American pop music groups that hit the charts before the Beatles only the Beach Boys continued to thrive throughout the British Invasion to survive into the 1970s and beyond. The Beach Boys helped define both sides of the era we broadly call the sixties split between their early surf car and summer pop and their later hippie counterculture and ambitious rock. No other group can claim the Ronettes and the Four Seasons as early 1960s rivals the Mamas and the Papas and Crosby Stills and Nash as later 1960s rivals and the Beatles and the Temptations as decade spanning counterparts. This is the first book to take an honest look at the themes running through the Beach Boys art and career as a whole and to examine where they sit inside our culture and politics and why they still grab our attention. **Professional Journal of the United States Army**, 1988

Hollywood Surf and Beach Movies Thomas Lisanti, 2015-05-07 Surfers loathed them teenagers flocked to them critics dismissed them producers banked on them surf and beach movies. For a short time in the 1960s they were extremely popular with younger audiences mainly because of the shirtless surfer boys and bikini clad beach girls the musical performers and the wild surfing footage. This lavishly illustrated filmography details 32 sizzling fun in the sun teenage epics from Gidget to the Beach Party movies with Frankie and Annette to The Sweet Ride plus a few offshoots in the snow. Entries include credits plot synopses memorable lines reviews and awards and commentary from such as Aron Kincaid of The Girls on the Beach Susan Hart of The Ghost in the Invisible Bikini Peter Brown of Ride the Wild Surf Chris Noel of Beach Ball and Ed Garner of Beach Blanket Bingo. Biographies of actors and leading actresses who made their marks in the genre are included. **Women at Risk** Noonie Fortin, 2002 Women At Risk We Also Served is about women who served our country since before World War II to present day. All branches of the military are included officers and enlisted personnel as well as women who volunteered as civilians going to a war zone those that stayed stateside and other loved ones. Included are clerks drivers heavy equipment operators nurses USO and ARC volunteers and more. These women explain some of the things they did or do in the military or as civilians. They tell us why they volunteered how their lives were changed and answer the question Would I do it again. More than sixty women are profiled in this book. Their stories are finally being shared many for the first time. This book is for readers of all ages including students. It will encourage patriotism as you read each chapter. They encourage both the reader and listener to talk more and ask questions about their own family military background. Noonie Fortin realized there was a need for this type of book each time she entered a bookstore and couldn't find very many books about women who served.
