Matthew Through the Centuries Ian Boxall, 2018-11-26 The reception of the Gospel of Matthew over two millennia: commentary and interpretation. *Matthew Through the Centuries* offers an overview of the reception history of one of the most prominent gospels in Christian worship. Examining the reception of Matthew from the perspectives of a wide range of interpreters from Origen and Hilary of Poitiers to Mary Cornwallis and Bob Marley, this insightful commentary explains the major trends in the reception of Matthew in various ecclesial, historical and cultural contexts. Focusing on characteristically Matthean features, detailed chapter by chapter commentary highlights diverse receptions and interpretations of the gospel. Broad exploration of areas such as liturgy, literature, drama, film, hymnody, political discourse and visual art illustrates the enormous impact Matthew continues to have on Judeo-Christian civilization. Known as the Church's Gospel, Matthew's text has been the subject of apologetic and theological controversy for hundreds of years. It has been seen as justification for political and ecclesial status quo and as a path to radical discipleship. Matthew has influenced divergent political, spiritual and cultural figures such as Francis of Assisi, John Ruskin, Leo Tolstoy, Dietrich Bonhoeffer and Mahatma Gandhi. Matthew's interest in ecclesiology provides early structures of ecclesial life such as resolution of community disputes, communal prayer and liturgical prescriptions for the Eucharist and baptism. A significant addition to the acclaimed Blackwell Bible Commentaries series, *Matthew Through the Centuries* is an indispensable resource for both students and experts in areas including religious and biblical studies, literature, history, politics and those interested in the influence of the Bible on Western culture.

Matthew, a Study Guide Commentary Howard F. Vos, 1979-01-01 *Matthew Volume 1 (Chapters 1-13)* Knox Chamblin, 2010 Matthew's Gospel also tells a story of Jesus, the son of David, the son of Abraham, directing the reader to the Saviour of the world. Chamblin clearly wants me to understand Matthew and to stand amazed in the presence of Jesus, the Nazarene.

Matthew Craig A. Evans, 2012-02-06 This book provides a comprehensive introduction to the New Testament Gospel of Matthew and its historical, social and religious contexts.

Commentary on Matthew Saint Jerome, 2008-12 His *Commentary on Matthew*, written in 398 and profoundly influential in the West, appears here for the first time in English translation. Jerome covers the entire text of Matthew's gospel by means of brief explanatory comments that clarify the text literally and historically.

A Commentary on the Gospel of Matthew Craig S. Keener, 1999 This excellent commentary on Matthew offers a unique interpretive approach that focuses on the socio-historical context of the Gospel and the nature of Matthew's exhortation to his first-century Christian audience. By merging a careful study of Matthew's Gospel in relation to the social context of the ancient Mediterranean world with a detailed look at what we know of first-century Jewish-Christian relations, Craig Keener uncovers significant insights into the Gospel not found in any other Matthew commentary. In addition, Keener's commentary is

a useful discipleship manual for the church His unique approach recaptures the full shock effect of Jesus teachings in their original context and allows Matthew to make his point with greater narrative artistry Keener also brings home the total impact of Matthew s message including its clear portrait of Jesus and its call for discipleship both to the Gospel s ancient readers and to believers today [The Gospel of Matthew \(Catholic Commentary on Sacred Scripture\)](#) Curtis Mitch,Edward Sri,2010-12-01 Examine the New Testament from within the living tradition of the Catholic Church This engaging commentary on the Gospel of Matthew is the fifth of seventeen volumes in the Catholic Commentary on Sacred Scripture CCSS which will cover the entire New Testament The CCSS relates Scripture to Christian life today is faithfully Catholic and is supplemented by features designed to help pastoral ministers lay readers and students better comprehend the Bible and use it more effectively Commentary features include Biblical text from the New American Bible Revised Edition NABRE References to the Catechism the Lectionary and related biblical texts Theological insights from Church fathers saints and popes Reflection and application sections for daily Christian living Suggested resources and an index of pastoral subjects Attractively packaged and accessibly written the CCSS aims to help readers understand their faith more deeply nourish their spiritual life and share the good news with others [Commentary on Matthew](#) David Pratte,2021-03-18 Bible study notes and commentary on the New Testament Gospel of Matthew Emphasizes understanding the text with practical applications Intended to be helpful to all Christians including teachers and preachers while avoiding an emphasis on technical issues Written from the conservative viewpoint of faith in the Bible as the absolute inerrant verbally inspired word of God Comments include discussion of these topics Genealogy and birth of Jesus Ministry of John the Baptist Sermon on the Mount Life and teaching of Jesus Christ Jesus miracles and parables Prophecy of the destruction of Jerusalem Trials crucifixion and burial Resurrection and appearances *Bible Lesson Commentary 2009-10* Dan Liroy,2009-03 A one stop Bible resource for teachers each volume contains 52 weeks of Bible lessons based on the International Sunday School Lessons series

Commentary on the Gospel of Mark: Bible Study Notes and Comments David Pratte,2018-12-26 Bible study notes and commentary on the New Testament gospel of Mark Emphasizes understanding the text with practical applications Intended to be helpful to all Christians including teachers and preachers while avoiding an emphasis on technical issues Written from the conservative viewpoint of faith in the Bible as the absolute inerrant verbally inspired word of God Topics discussed include Jesus life and teaching Jesus miracles Jesus parables Jesus fulfillment of prophecies Jesus death burial and resurrection [Zondervan NIV Matthew Henry Commentary](#) Matthew Henry,2010-09-21 Time has sealed the reputation of Matthew Henry s classic commentary as a rich source of insight into God s word Four centuries after its first publication it remains one of the best loved most popular commentaries ever written However while its wisdom is timeless the English language has changed much through the years Words that meant one thing in Matthew Henry s day have taken on different meanings today In addition Henry s often wordy reflections are generations removed from the crisp style that communicates

most effectively to contemporary readers The Zondervan NIV Matthew Henry Commentary is a masterful response to these concerns It delivers the heart and soul of Henry s incomparable writings in a style that is easy to read and understand Dr Leslie Church s meticulous abridgment retains the essential content of the original work Easily misunderstood words have been replaced with modern ones while keeping Henry s style Use of the New International Version NIV instead of the King James Version makes this edition fully compatible with today s most widely used Bible translation In one volume here is a wealth of exposition metaphors analogies and illustrations ideal for Personal devotions Bible study Sermon and lesson preparation

Biblical Studies on the Internet Roland H. Worth, Jr., 2008-09-18 The new edition includes more than 4 800 resources available at more than 10 000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages audio translations of the Bible in English and other languages commentaries dictionaries and other resource materials including ones in Greek Hebrew and other ancient languages The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself In cases when ten or more resources are listed on a single web page the author has assigned the web page a three digit code The code is used to identify this web page as a major resource within the main text while any needed instructions for use of the site are cross referenced separately in the final chapter In adopting this concise method the author was able to add hundreds of additional or updated web resources a surprising number of which can be downloaded onto a hard drive for immediate and continued use
