Modern Japan A History In Documents:

Modern Japan James L. Huffman, 2004 The civilization of Japan is an ancient one and by the time the first Western visitors arrived in 1542 the Japanese people were as highly educated as any in the world and enjoyed a sophisticated culture From the sixteenth century on the country's history was shaped by a tension between its people's thirst to understand foreign institutions and customs and their determination to assert and preserve its native traditions In *Modern Japan* James Huffman tells the rich and dynamic story of this history through a fascinating range of primary source documents A picture essay is dedicated to the tumultuous decade and a half following the arrival of Commodore Matthew Perry and the U S Navy in 1853 which led to an unprecedented opening of Japan to the West and accompanying turmoil While many Japanese welcomed the strangers men of zeal signed blood oaths to drive out the barbarians The picture essay explores this cultural clash with American and Japanese portraits of Perry pointing up the differences in attitude toward this divisive figure and a photograph of a Japanese diplomatic mission to Washington dramatically underlining the cultural differences between the Japanese and the Westerners The essay also demonstrates the new mixture of cultures as traditional Japanese art forms depict the lively foreign business district in Yokohama This cultural clash led to peasant uprisings and a coup illustrated in ink and paint that brought an end to the stable introverted Tokugawa rule and signaled the beginning of a new era for Japan Other primary sources in this collection include memoirs school textbooks the prison diary of a woman involved in a plot to assassinate the emperor political speeches a chilling eyewitness account of the dropping of the atomic bomb on Hiroshima and a comic book description of Adam Smith's economic theories Taken with the author's illuminating commentary these diverse voices trace Japan's history from its first uneasy interactions with the Western world to the point where Japanese culture goods and people from sushi ramen noodles karaoke videos anime and automobiles to major league baseball players have come to pervade the world as a part of the common international heritage

Japan in World History James L. Huffman, 2010-02-04 *Japan in World History* addresses the entire scope of Japanese history beginning with Japan's prehistoric culture and ending with a look at Japan in the world today The majority of large scale history books on Japan by contrast focus on the modern era and those that cover the entire scope of its history are not written for general readers and do not focus on Japan's international engagement This work stands apart for its narration of traditional historical developments through the perspective of interactions and comparisons with the broader world

A Companion to Japanese History William M. Tsutsui, 2009-07-20 *A Companion to Japanese History* provides an authoritative overview of current debates and approaches within the study of Japan's history Composed of 30 chapters written by an international group of scholars Combines traditional perspectives with the most recent scholarly concerns Supplements a chronological survey with targeted thematic analyses Presents stimulating interventions into individual controversies

Japan: A Documentary History: v. 1: The Dawn of History to the Late Eighteenth Century David J. Lu, 2015-03-04 An updated edition of David Lu's acclaimed *Sources of*

Japanese History this two volume book presents in a student friendly format original Japanese documents from Japan s mythological beginnings through 1995 Covering the full spectrum of political economic diplomatic as well as cultural and intellectual history this classroom resource offers insight not only into the past but also into Japan s contemporary civilisation This volume covers up to the late 18th century Three major criteria used in the document selection were that the selection avoids duplication with other collections 75% of the documents presented here are newly translated a document accurately reflects the spirit of the times and the life styles of the people and emphasis is on the development of social economic and political institutions *Japanese History & Culture from Ancient to Modern Times* John W. Dower,1986 Japan: A Documentary History David J. Lu,2016-12-14 An updated edition of David Lu s acclaimed Sources of Japanese History this book presents in a student friendly format original Japanese documents from Japan s mythological beginnings through 1995 Covering the full spectrum of political economic diplomatic as well as cultural and intellectual history this classroom resource offers insight not only into the past but also into Japan s contemporary civilisation Three major criteria used in the document selection were that the selection avoids duplication with other collections 75% of the documents presented here are newly translated a document accurately reflects the spirit of the times and the life styles of the people and emphasis is on the development of social economic and political institutions Japanese Studies from Pre-History to 1990 Richard Perren,1992 **Alternative Narratives in Modern Japanese History** M. William Steele,2003-09-02 How did ordinary people experience Japan s modern transformation What role did people in local areas play in the making of modern Japan How do studies of local politics help explain national events The dominant account of modern Japanese history focuses on the nation building that brought Japan into the modern world After centuries of isolation American warships forced Japan to open its doors to the West and a group of tough new leaders transformed the country into one of the great military and economic powers of the world But different perspectives need to be examined Alternative Narratives introduces other actors other places and other dimensions of social and political activity in an attempt to construct a broader and more complex account of modern Japanese history Focusing on the initial years of Japan s modern transformation from the 1850s to the 1890s Steele explores responses of commoners to the arrival of American warships in 1853 the growth of popular political consciousness reactions of the residents of Edo in 1868 on the deposition of the shogun responses of the village elite to the fall of the old regime and established frameworks of historical narration including American attempts to understand Japan s 1868 civil war The author draws upon a wealth of documents including broadsheets woodblock prints political cartoons and local campaign literature as well as more conventional material in an endeavour to find new and different ways to examine the past This book forms an important resource to students of Japanese history and culture while simultaneously appealing to scholars interested in the general problem of history and history writing Itō Hirobumi - Japan's First Prime Minister and Father of the Meiji Constitution Takii Kazuhiro,2014-01-21 The brilliant and influential statesman It Hirobumi 1841 1909 and the first

prime minister of Japan's modern state has been poorly understood. This biography attempts to set the record straight about It's thought and vision for Japan's modernisation based on research in primary sources. It outlines It's life: the son of a poor farmer, he showed exceptional talent as a boy and was sent to study in Europe and the United States. He returned home convinced that Western civilisation was the only viable path for Japan. Following the Meiji Restoration of 1868, It became a powerful intellectual and political force behind reforms of Japanese laws and institutions aimed to shape a modern government based on informed leadership and a knowledgeable populace. Among his many achievements were the establishment of Japan's first constitution, the Meiji Constitution of 1889, and the founding in 1900 of a new type of constitutional party, the Rikken Seiyukai (Friends of Constitutional Government), which reformulated after 1945 became the Liberal Democratic Party that has dominated Japanese politics in the postwar period. Concerning It's role as Japanese Resident General in Korea from 1905, the author argues that It's aim, not understood by either the Japanese home government or Koreans themselves, was not to colonize Korea. He was determined to modernise Korea and consolidate further constitutional reforms in Japan. This aim was not shared by others, and It resigned in 1909. He was assassinated the same year in Manchuria by a Korean nationalist. The Japanese language edition of this book is a bestseller in Japan, and it received the Suntory Prize for Social Sciences and Humanities, one of Japan's most prestigious publishing awards.

The History of Education in Japan (1600 - 2000) Masashi Tsujimoto, Yoko Yamasaki, 2017-03-16. As one of the most rapid and earliest nations to achieve Western modernisation, much of Japan's success stems from its fruitful literacy history during the Tokugawa shogunate, as well as later influences from Western educational ideals and consequent economic and democratic conflicts in Japan. This book seeks to enlighten readers on how education and schooling contributed to Japan's particular process of modernisation and industrialisation. These historical insights can be applied to crises in formal and systemised education today and form the basis of potential solutions to controversies faced by formal education in Japan and other nation states. A book that bridges the international information gap in Japan's history of education will be immensely valuable to historians of both international and Japanese education.

Studies in the Institutional History of Early Modern Japan John Whitney Hall, Marius B. Jansen, 2015-03-08. This study contains twenty-two essays by leading historians on the Tokugawa Period, 1600-1868, eight of which have never before been published. The Tokugawa Period has long been seen as one of Eastern feudalism awaiting the breakthrough that came with the Meiji enlightenment and the opening of Japan to the West. The general thrust of these papers is to show that in many institutional aspects, Japan was far from backward before the Meiji Period and that many of the preconditions of modernization were present and developing much earlier than has generally been believed. This collection will be particularly valuable to students and scholars of comparative and Japanese modernization. Originally published in 1968, The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the

original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Voices of Early Modern Japan Constantine Nomikos Vaporis Ph.D.,2012-01-06 Based on fresh translations of historical documents this volume offers a revealing look at Japan during the time of the Tokugawa shoguns from 1600 1868 focusing on the day to day lives of both the rich and powerful and ordinary citizens *Voices of Early Modern Japan* Contemporary Accounts of Daily Life during the Age of the Shoguns spans an extraordinary period of Japanese history ranging from the unification of the warring states under Tokugawa Ieyasu in the early 17th century to the overthrow of the shogunate just prior to the mid 19th century opening of Japan by the West Through close examinations of sources from a time known as The Great Peace this fascinating volume offers fresh insights into the Tokugawa era its political institutions rigid class hierarchy artistic and material culture religious life and more Sources come from all levels of Japanese society everything from government documents and household records to personal correspondence and diaries all carefully translated and examined in light of the latest scholarship

Japan: A Documentary History: Vol 2: The Late Tokugawa Period to the Present David J. Lu,2015-03-04 An updated edition of David Lu s acclaimed *Sources of Japanese History* this two volume book presents in a student friendly format original Japanese documents from Japan s mythological beginnings through 1995 Covering the full spectrum of political economic diplomatic as well as cultural and intellectual history this classroom resource offers insight not only into the past but also into Japan s contemporary civilisation This volume covers from the late 18th century up to 1995 Three major criteria used in the document selection were that the selection avoids duplication with other collections 75% of the documents presented here are newly translated a document accurately reflects the spirit of the times and the life styles of the people and emphasis is on the development of social economic and political institutions

Modern Japan A History In Documents Introduction

In today's digital age, the availability of Modern Japan A History In Documents books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Modern Japan A History In Documents books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Modern Japan A History In Documents books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Modern Japan A History In Documents versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Modern Japan A History In Documents books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Modern Japan A History In Documents books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Modern Japan A History In Documents books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals,

making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Modern Japan A History In Documents books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Modern Japan A History In Documents books and manuals for download and embark on your journey of knowledge?

FAQs About Modern Japan A History In Documents Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Modern Japan A History In Documents is one of the best book in our library for free trial. We provide copy of Modern Japan A History In Documents in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Modern Japan A History In Documents. Where to download Modern Japan A History In Documents online for free? Are you looking for Modern Japan A History In Documents PDF? This is definitely going to save you time and cash in something you should think about.
