The Holocaust in 100 Histories Paul R. Bartrop, 2024-07-25. This chronologically arranged collection of articles demonstrates the complex and multifaceted nature of the Holocaust. From January 1933 and the ascent to office of Hitler and the Nazi Party in Germany through to October 1945 and the opening of the International Military Tribunal at Nuremberg, *The Holocaust in 100 Histories* takes an episodic approach to consider some of the people, ideas, groups and events that characterized the genocide which unfolded against the backdrop of the Nazi period and the Second World War. Paul R. Bartrop shines a light on Nazi perpetrators, Righteous Gentiles who helped save Jews during the Holocaust, Jewish resisters as well as movements, events and developments during the Third Reich and the war years. The 100 entries included in the book provide both a series of snapshots and a pathway to understanding how the Holocaust was manifested or defied during the years between 1933 and 1945. Its structure enables readers to access the Holocaust in or out of sequence, reading individual entries as appropriate, while the book also contains key primary source documents, further reading suggestions and discussion questions designed to prompt debate and further study.

This standardized format makes it easy for readers to find specific information while also helping them place events within the proper historical context. A curated selection of further readings at the end of each profile and an end of volume list of books and Internet resources point readers toward materials for additional study. While often conceptualized as a single event that happened the same way across all Axis or Axis occupied countries, the Holocaust and reactions to it varied widely from country to country. In many cases, political and economic conditions in the prewar years as well as the degree of anti-Semitism in a nation influenced that country's experience of the Holocaust. Even after the war, countries experienced the aftermath of the Holocaust in different ways.
