

An olive branch with green leaves and a brown stem, forming a border around the top and bottom of the text. The branch is tied in the middle with a brown band.

PEACE HEROES

in Twentieth-Century America

Edited and with an Introduction by
Charles DeBenedetti

Peace Heroes In Twentieth Century America

Murray Polner

Peace Heroes In Twentieth Century America:

Peace Heroes in Twentieth-century America Charles DeBenedetti, 1988 Over twenty years ago when he was running for President John Kennedy published a book called Profiles in Courage He was interested in conventional heroes principled and dedicated who devoted themselves to holding the ship of State to its true course Charles DeBenedetti's timely book is about equally principled heroes who were frequently at odds with the direction the American ship of State was taking at home and abroad The people who gave shape to the American peace movement in the twentieth century were Jane Addams Eugene V Debs Norman Thomas Albert Einstein A J Muste Norman Cousins Martin Luther King Jr and Daniel and Philip Berrigan These dynamic and individualistic people are discussed in separate mini biographies in this volume Peace Heroes in 20th-Century America Charles DeBenedetti, Over twenty years ago when he was running for President John Kennedy published a book called Profiles in Courage He was interested in conventional heroes principled and dedicated who devoted themselves to holding the ship of State to its true course Charles DeBenedetti's timely book is about equally principled heroes who were frequently at odds with the direction the American ship of State was taking at home and abroad The people who gave shape to the American peace movement in the twentieth century were Jane Addams Eugene V Debs Norman Thomas Albert Einstein A J Muste Norman Cousins Martin Luther King Jr and Daniel and Philip Berrigan These dynamic and individualistic people are discussed in separate mini biographies in this volume **Nicholas Murray Butler's The International Mind** Charles F. Howlett, 2013-05-01 This new edition of Nicholas Murray Butler's The International Mind marks the 100th anniversary of its publication Widely read at the time it has reached the status of classic work Butler is one of the 20th Century's most famous college presidents He transformed Columbia University into a famous research institution of higher learning More importantly this work still has an important message for today's readers how can we establish an international mind that builds a lasting peace for the world This work is based on Butler's famous speeches as president of the Lake Mohonk Conferences on International Arbitration which took place just prior to the start of World War 1 Butler was a strong proponent of judicial internationalism and education as the mechanism through which the settlement of disputes between nations could be resolved As head of the just established Carnegie Endowment for International Peace's Division of Intercourse and Education Butler put forth his own views on international understanding Later Butler would become president of Carnegie's Peace Endowment and was most responsible for helping to bring forth the 1928 Kellogg Briand Pact renouncing war as an instrument of national policy In 1931 based on his efforts for world peace which began at Lake Mohonk NY Butler shared the Nobel Peace Prize with Jane Addams This new edition has a scholarly introduction as well as an extensive bibliographic essay on American Peace Writings by Charles F Howlett An added feature to this new edition is a listing of Butler's most notable works the platforms of the 1907 1912 Lake Mohonk Conferences and an lengthy 1914 interview with Butler by New York Times reporter Edward Marshall Readers will find the appendices an added bonus to a

now classic work This new edition of Butler's important book will bring to light one of the early 20th century peace classics devoted to the study of international arbitration It offers a clear and compelling argument as to the importance of internationalism as proposed by some of the more prominent educational leaders statesmen and jurists of the pre World War 1 period Most importantly reissuing this work in its one hundredth anniversary year bears testimony to its lasting importance since Butler's efforts and those at the Lake Mohonk Conferences on International Arbitration led to the creation of a Permanent Court of International Justice only a few years after the conclusion of the First World War Radical Pacifism

Scott H Bennett, 2003-12-01 This deeply researched book is the first history of the War Resisters League an organization that represents the major vehicle of secular radical pacifism in the United States Besides opposing all U S wars and championing conscientious objection to these wars Scott H Bennett shows how the WRL led by its colorful members functioned as a movement halfway house assisting and influencing a variety of social reform groups and campaigns He devotes special attention to WWII conscientious objectors COs who staged dramatic wartime work and hunger strikes in Civilian Public Service camps and prisons against Jim Crow censorship conscription and other policies These radical COs moved the postwar WRL in new directions and transformed radical pacifism By recovering the important links between the WRL and the peace civil rights civil liberties and antinuclear movements Bennett demonstrates the social relevance and political effectiveness of radical pacifism He emphasizes the WRL's most important legacy its promotion legitimization and Americanization of Gandhian nonviolent direct action which infused the postwar peace and justice movements **An American Ordeal**

Charles DeBenedetti, 1990-03-01 An American Ordeal is the first comprehensive interpretive history of the antiwar movement in the United States throughout the Vietnam era Beginning with the rise of a liberal peace movement against atmospheric nuclear testing from 1955 to 1963 the authors describe the emergence of radical pacifists and politically motivated groups who eventually created a diverse coalition against the Vietnam War They examine how extremist elements came to dominate the movement in the late 1960s to be supplanted by a larger consensus of liberal and pacifist groups in the early 1970s

The New American History American Historical Association, 1997 Originally released in 1990 The New American History edited for the American Historical Association by Eric Foner has become an indispensable volume for teachers and students In essays that chart the shifts in interpretation within their fields some of our most prominent American historians survey the key works and themes in the scholarship of the last three decades Along with substantially revised essays from the first edition this volume presents three entirely new ones on intellectual history the history of the West and the histories of the family and sexuality The second edition of The New American History reflects in Foner's words the continuing vitality and creativity of the study of the past how traditional fields are being expanded and redefined even as new ones are created Author note Eric Foner is DeWitt Clinton Professor of History at Columbia University He is the author of numerous books including Reconstruction 1863-1877 which was awarded the Bancroft Prize Catholic New Deal Kenneth J.

Heineman,2010-11-01 *A Revolution of the Heart* Patrick G. Coy,1988 These new essays by scholars activists and workers examine themes events and people that have shaped and continue to build the Catholic Worker movement Voices from both inside and outside the movement provide a much needed analysis of the ongoing significance of the Worker experiment of voluntary poverty gospel nonviolence and solidarity with the poor as a movement in U S religious history Five of the eleven essays focus on individuals who were central to the movement s development Dorothy Day Peter Maurin and Ammon Hennacy Four essays explore critically important themes of the Catholic Worker the practice of nonviolence in the often violent atmosphere of hospitality houses for the homeless prophetic spirituality the relationship of radical politics to religious orthodoxy and the differences and similarities between Catholic Worker pacifism and Vietnam era draft board raids led by the Berrigan brothers A final section attends to the decentralized nature of this essentially anarchist movement offering case histories of Worker communities in St Louis and Chicago With increasing numbers of Christians turning to the gospel call of peace simplicity and service and with over one hundred Catholic Worker communities existing in the United States this timely collection offers a fresh analysis of the movement s tradition and its contribution to American culture Author note Patrick G Coy formerly Coordinator of the Peace and Justice Ministry at St Louis University is a member of the Karen Catholic Worker House Community and is on the National Council of the Fellowship of Reconciliation **The Human**

Tradition in America between the Wars, 1920-1945 Donald W. Whisenhunt,2002-04-01 American society in the years from 1920 to 1945 experienced great transformation and upheaval Significant changes in the role of government in the nation s world outlook in the economy in technology and in the social order challenged those who lived in this tumultuous period framed by the two world wars This transformation lies at the core of this collection of biographical essays Each individual in his or her own way grappled with the difficulties of the times Some of those included here were well known in their day and afterwards but many led lives now obscured by the passage of time In these essays are men and women African Americans Hispanics whites and Native Americans from all regions of the country Written by leading and rising scholars these never before published pieces provide students with a greater understanding of a period that in many ways represents an important last chapter in the creation of modern America Providing a rich portrait through biography of the interwar years *The Human Tradition in America between the Wars* is an excellent text for the following courses Twentieth Century American History to 1945 American history survey the Depression and the New Deal and American social and cultural history

Disarmed And Dangerous Murray Polner,2018-02-02 What transformed Daniel and Philip Berrigan from conventional Roman Catholic priests into holy outlaws for a time the two most wanted men of J Edgar Hoover s FBI And how did they evolve from their traditionally pious second generation immigrant beginnings to become the most famous some would say notorious religious rebels of their day *Disarmed and Dangerous* the first full length unauthorized biography of the Berrigans answers these questions with an incisive and illuminating account of their rise to prominence as civil rights and antiwar

activists It also traces the brothers careers as constant thorns in the side of church authority as well as their leadership of the ongoing Plowshares movement a highly controversial campaign of civil disobedience against the contemporary arms trade and nuclear weapons Murray Polner and Jim O Grady plumb the Berrigans contradictions among them Philip s secret marriage while he was still a Josephite priest to Elizabeth McAlister then a Catholic nun which led to their dismissals by their respective religious orders and Philip s excommunication from the church and Daniel s speech faulting Israel s treatment of Palestinians and the resulting criticism loosed upon him from pro Israeli Americans and many of his allies on the left Disarmed and Dangerous is a fascinating study of brothers linked by faith and the dreams of peace and social justice in a century bloodied by war mass murders and weapons of immense destructive power It is above all an original contribution to modern American history that is sure to be widely read and discussed

Whispering the Strategies of Language: An Emotional Journey through **Peace Heroes In Twentieth Century America**

In a digitally-driven earth wherever monitors reign supreme and quick conversation drowns out the subtleties of language, the profound techniques and mental subtleties hidden within phrases frequently go unheard. Yet, set within the pages of **Peace Heroes In Twentieth Century America** a captivating fictional value pulsing with natural thoughts, lies a fantastic quest waiting to be undertaken. Written by a talented wordsmith, this enchanting opus invites viewers on an introspective trip, lightly unraveling the veiled truths and profound influence resonating within the material of each word. Within the mental depths with this poignant review, we will embark upon a honest exploration of the book is core subjects, dissect their fascinating writing model, and fail to the effective resonance it evokes strong within the recesses of readers hearts.
