The Biblical Principles of Discipleship Allan Coppedge, 1989 **Principles of Discipleship** Charles G. Finney,1988-02-01 Following a period of great revival Charles Finney reached a point of physical exhaustion which resulted in his writing a series of articles on various subjects to continue the work of discipleship in the new believers scattered throughout the regions of revival These practical instructions were published in the Oberlin Evangelist periodical and took the form of letters addressed to specific themes They now are collected and edited by Pastor L G Parkhurst to appear for the first time in book form As well as letters concerning sanctification major themes include Finney's letters To New Christians Five Core Principles of the Discipleship Journey James Hicks, 2023-07-08 This book To Ministers To Parents To Christians is for those with no church background or a lot of church background Scripture supports the Five Core Principles discussed that all disciples of Christ will need to build an ongoing relationship with Jesus and fulfill His work on earth Readers will gain insight and be challenged as the book unfolds through the discovery process of fervent prayer compassionate outreach comprehensive Biblical learning intentional mentoring and equipping and authentic relationships With the help of the Holy Spirit this promises to be a life changing book as the followers of Christ exercise these principles Throughout these pages there will be an ongoing awareness of God's prevenient saving and sanctifying grace in the life of the believer Together Brandon L Cremeans, 2020-08-10 Think about the classical ways we evangelize what if we implement some additional principals that focus on building relationships Not only sharing the truths of the gospel but also embodying the gospel in and through relationships What if just one of those relationships becomes discipleship That's what this book is about following Jesus to become fishers of men What if we invest first in relationships sharing life s meaningful experiences and encouraging others through a life of service If done in unison with Christ and with a pure heart a disciple will emerge with little effort Discipleship happens organically by spending meaningful time with others Every writer endeavoring to author a book is faced with an intimidating task of presenting material that captivates the attention of the reader from foreword until the final period of the final chapter Brandon Cremeans has found his way of presenting his story in a way that captures your mind but also invites you to walk his journey in his footsteps Every reader will hear his voice share in his experiences and partake in his mistakes and will read every paragraph knowing he has presented real life experiences without compromising his integrity uniqueness authenticity and individuality Dive into his story with an opened mind and heart and leave with a treasure that cannot be measured Andr J CarrollDiscipled Together was a life changing book for me Growing up in church sometimes we miss what it means to make disciples It is easy to get stuck in how many were baptized and filled with God's Spirit when in reality our call from God goes deeper than just bringing someone to church and preaching to them As you will find out in this book discipleship at the core is genuine friendships with people while living life and allowing them to see Jesus through you I highly recommend you pick up this book and let's go be Discipled Together

Dustin Damesworth felt like I was talking to a friend It felt authentic and real It felt challenging in real life areas that we don t often think about discipleship It really brought to life something I think we all know in the back of our head but because it s so uncommon in the church we don't practice it And it really convicted me It makes the reader kind of re evaluate their current stance on discipleship and think in real life terms instead of Sunday school or church walls terms If someone wants to be EFFECTIVE this is the advice to follow without a doubt Beautifully written Five stars Andrea JaimesDiscipled Together is well written and keeps you engaged as it introduces you to its principles with this book you feel the author's sincerity and transparency You relate and realize the necessity to unleash your God given potential as you apply the principles Lewis F Principles of discipleship Paul Sarchet-Waller, 1987 Spiritual Discipleship J. Oswald Sanders, 2009-01-01 As Cremeans I Oswald points out true discipleship is more than intellectual assent to a belief in Christ it involves the whole person and lifestyle Those with only superficial belief will soon fall away from the faith but Sanders says a true disciple would rather be presented with a difficult challenge than a soft option Disciples are charged with the task of training themselves to be godly because it is their responsibility to remain spiritually fit Ever fresh topics in this time tested volume include the disciple s second chance the disciple s ambition the disciple s senior partner the disciple s Olympics the disciple s right the disciple s **Discipleship Defined** Eric Russ, 2010-11 DON T read this book if you want to remain comfortable Eric challenges us to consider what Biblical discipleship looks like based on what Jesus did Eric writes this book with the integrity of a man who is not merely theorizing about the way things ought to be rather he is describing what is actually happening as he builds Biblical disciples in the context of the inner city This book is soundly Biblical challenging and practical This book is about building disciples not programs Roger Hershey Campus Crusade For Christ It is a joy to highly commend to all Discipleship Defined for it is exactly the prescription that is needed for the Church to regain much of our lost effectiveness Discipleship Defined has carefully described yet without programming it into a rigid system how to go about this challenging task Walter C Kaiser Jr President Emeritus Gordon Conwell Theological Seminary Eric Russ gives us some very straight forward thinking about discipleship a topic widely misunderstood and undervalued Moving away from piety driven discipleship Russ points us toward a holistic Christ centered way of following Jesus Jonathan Dodson Lead Pastor Austin City Life Austin TX Eric has a healthy obsession about strong discipleship and it shows in a gracious way in this guidebook for muscular commitment Can you be obsessed and still have a gracious spirit Eric does and so does this book Knute Larson Senior Pastor The Chapel Akron OH 1983 2009 Eric Russ is lead pastor of Mack Avenue Community Church in Detroit Michigan He is married to Sara and has four children For more information visit www discipleshipdefined com or www mackave com Handbook for the Ministry of Biblical Discipleship/Counseling BCF Biblical Counseling Foundation, NOTE To make best use of the Handbook it is vital that you already have a Self Confrontation manual and have completed BCF s Level 1 training This Handbook is designed for an advanced level of training The Handbook for the Ministry of Biblical

Teaching Them Obedience in All Things Edgar J. Elliston, 1999 The seventh installment in the EMS series provides presentations originally given at meetings held in November 1998 Topics include the biblical and missiological foundations for training evangelical pastors and missionaries contextualization of curriculum Christian higher education and case studies in both postmodern settings as well as traditional ones Discipleship in the Postmodern Age Daniel L. Kohn,2020-09-04 There is a missing link in most churches today There is a significant gap between membership and active involvement in ministry What is missing is what Jesus modeled in His earthly ministry disciple making In the absence of this model from Christ churches struggle to maintain membership and ministry Underequipped members lack the enthusiasm and insight to truly be a part of active ministry. The reverse is also true when members are trained as active disciples the ministry potential of the church can follow that of the early Christian church outlined in the book of Acts Yes the model works as the Holy Spirit works in the transformed lives of today s disciples as He has throughout the history of the church This book will give you practical insights for developing a discipleship process in your church Disciple Making in a Culture of Power, Comfort, and Fear Matthew T. Dickerson, 2020-06-08 Speaking in and to a culture that worships power and comfort while cultivating fear as a manipulative tool Matthew Dickerson offers a transformative alternative authentic discipleship and disciple making What does it mean to live as disciples of Christ what would it look like to be transformed by the Holy Spirit and how can we be open to that transformation How can a follower of Christ live as salt and light in the midst of a power

hungry fear mongering society And how can we both teach and model that disciple life as we obey Christ's command to make disciples In the tradition of spiritual theology and formation Disciple Making in a Culture of Power Comfort and Fear draws deeply from Paul's Second Epistle to Timothy viewed as a reflection on Jesus great disciple making commission as well as on Dickerson's own experiences in disciple making ministry on college campuses and his local church Dickerson's writing is deeply informed by Scriptures by the works of such important Christian thinkers theologians and writers as Eugene Peterson John Stott and Richard Foster and also by the literature of C S Lewis and J R R Tolkien whose works he has been teaching and writing about for more than thirty years

Disciples Are Made Not Born Walter A. Henrichsen, 2011-09-01 Make

Disciples Jesus command is clear But what is a disciple And how are we to make them Based on decades of experience this book explains and illustrates the process of disciple making that Jesus taught and modeled First published in 1974 its practical biblical approach has revolutionized the ministry of hundreds of thousands of Christians as they learned how to multiply themselves in the lives of others Disciple making is challenging to be sure But as we are faithful to Christ's Great Commission well experience the fulfillment that comes from being faithful to the life mission to which God has called us
