In the Midst of the Storm Charles Dickens, 2018-05-26 Mother Nature is the most photographed subject in the world Storms have captured media attention for centuries Many storm chasers have risked their lives to get an up close photograph of a hurricane or tornado The painting on this cover was chosen because it symbolizes the many storms of life that I have experienced I have been painted literally standing on the Bible to give an illustration of how I spiritually stood on the Word of God and his promises in the midst of the storm Even as the artist painted this cover on his canvas he experienced storms in his life He continued to paint through the storm He explained to me his vision for this cover and told me that his life was an open canvas and he went on to say God is continuing to paint a picture my life My prayer is that my speech and my preaching be not with enticing words of mans wisdom but in demonstration of the Spirit and of the power I pray that my pen would be that of a ready writer and would encourage others as I write

In the Midst of the Storm Charles Dickens

Building Your Life on the principles of God: The Solid foundation Anthony Bright Atwam, 2014 Lord please continue to have mercy on humanity You have made provisions for everything we need in this world and the world to come Yet many people although desire good life are suffering some are

confused others are desperate families are broken down our nation is struggling to cope many people are lost in spiritual matters and sin In this book the author s main argument is that God in his unfailing love for humanity has already provided what people are frantically seeking in life What people need to do is to turn to the Holy Scriptures for guidance This book can be of such help You see when life is calm our foundations don t seem to matter But when crisis come our foundations are tested In this book the author also argues that it is a waste of time and effort for people to build their lives on a faulty foundation Jesus describes God s principles as a solid foundation for people to build their lives on We are strangers in this world therefore we need someone who knows the journey of life to guide us God is the creator of this world and He alone knows the in and out of this world His principles provide guidance for a perfect life The attempts by some groups of people to suppress the knowledge of God in the society have not been very helpful in many ways although they could not succeed For example these people could not provide the society with any viable alternative guiding principles on how people should live their lives This has led many people to turn to wrong sources for guidance sometimes with very little success or no success at all leading to a life of despair hopelessness and failure Because of this suppression of God s word there seems to be famine in our society famine of truth famine of the word of God There is also darkness in our society many people are confused and some do not know what to do with their lives But the word of God is light its gives understanding it gives hope it provides guidance on spiritual matters the salvation of the human soul and solutions to all our problems Sometimes life is easier and beautiful if you know what to do in any situation you find yourself Many people desire a good family life peace joy hope self discipline strength encouragement a connection with a higher being that transcends human existence and meaning to life in their spiritual quest As you read this book know that I am praying for you for all these blessings in Jesus name amen Anthony Bright Atwam According to scripture the church is the salt and the light of this world But the church seems to have locked the resources God has given her to be given to the world in the room and has put the keys in her pocket while the world is suffering One of the things the church needs to do is to start to unpack and release the resources God has given her to meet the needs of postmodern spiritual quest Anthony Bright Atwam **Infinite Greatness** Jivola James Harris
