Principles For Oral Narrative Research

Clive Bloom

Principles For Oral Narrative Research:

Principles for Oral Narrative Research Axel Olrik, 1992-06-22 With this long awaited translation English readers now have available the rules which became the foundation of many folklore programs and the basis for the study of folk narrative

The Eternal Storyteller Vibeke Boerdahl, 2013-01-11 Chinese storytelling has survived through more than a millennium into our own time while similar oral arts have fallen into oblivion in the West Under the main heading of The Eternal Storyteller in August 1996 the Nordic Institute of Asian Studies hosted an International Workshop on Oral Literature in Modern China To this meeting the first of its kind in Europe five special guests were invited master tellers from Yangzhou Wang Xizotang Li Xintang Fei Zhengliang Dai Buzhang and Hui Zhaolong The volume derived from this meeting includes an introductory article written by John Miles Foley entitled A Comparative View on Oral Traditions Thereafter a wide range of topics relating to Chinese oral literature is covered under the headings Historical Lines A Spectrum of Genres Studies of Yangzhou and Suzhou Story telling and Performances of Yangzhou Storytelling However the present volume does more than include papers derived from the meeting It is also lavishly illustrated in word and picture from performances by the guest storytellers In so doing the world of Chinese story telling is not just described and analysed it is also brought to life

International Folkloristics Alan Dundes, 1999-08-01 International folkloristics is a worldwide discipline in which scholars study various forms of folklore ranging from myth folktale and legend to custom and belief Twenty classic essays beginning with a piece by Jacob Grimm reveal the evolving theoretical underpinnings of folkloristics from its nineteenth century origins to its academic coming of age in the twentieth century Each piece is prefaced by extensive editorial introductions placing them in a historical and intellectual context The twenty essays presented here including several never published previously in English will be required reading for any serious student of folklore **Elijah and the Rabbis** Kristen H.

Lindbeck, 2010-07-09 Sabbath Book Jacket *Rhythms of Revolt: European Traditions and Memories of Social Conflict in Oral Culture* Éva Guillorel, David Hopkin, William G. Pooley, 2017-10-23 The culture of insurgents in early modern Europe was primarily an oral one memories of social conflicts in the communities affected were passed on through oral forms such as songs and legends This popular history continued to influence political choices and actions through and after the early modern period The chapters in this book examine numerous examples from across Europe of how memories of revolt were perpetuated in oral cultures and they analyse how traditions were used From the German Peasants War of 1525 to the counter revolutionary guerrillas of the 1790s oral traditions can offer radically different interpretations of familiar events This is a history from below and a history from song which challenges existing historiographies of early modern revolts

The Hebrew Folktale Eli Yassif, 2009-04-16 The most comprehensive account of its subject now available this impressive study lives up to the encyclopedic promise of its title Choice The Hebrew Folktale seeks to find and define the folk elements of Jewish culture Through the use of generic distinctions and definitions developed in folkloristics Yassif describes the major

trends structural thematic and functional of folk narrative in the central periods of Jewish culture *Jude* David Seal,2021-12-02 Jude is a short letter making it easy to read entirely in one sitting Yet the letter is rarely read and it is not a popular text for teaching and preaching Jude is a warning to an early Christian community about a group of itinerant teachers bearing a message that Jude considers incompatible with the apostolic gospel The teaching and practice of these people puts them into a class of individuals who according to Scripture incur God's wrath and judgment Jude stresses that there is guaranteed judgment on those who live outside the normalized instruction and teach others to do the same The importance of a lifestyle that adheres with biblical teaching is just as crucial today as it was in the early church This commentary highlights the oral and performative nature of the first century Mediterranean world Jude was situated in this oral context and it decisively shaped the form and delivery of the epistle while also enhancing its content One cannot separate the content of a message from how a message comes to expression This commentary aims to show the relationship between expression and content demonstrating that there is not only value in what Jude says but in how he says it

Orality and Literacy Kristina Rose Fagan,Natalia Khanenko-Friesen,2011-01-01 Orality and Literacy investigates the interactions of the oral and the literate through close studies of particular cultures at specific historical moments Rejecting the great divide theory of orality and literacy as separate and opposite to one another the contributors posit that whatever meanings the two concepts have are products of their ever changing relationships to one another Through topics as diverse as Aboriginal Canadian societies Ukrainian Canadian narratives and communities in ancient Greece Medieval Europe and twentieth century Asia these cross disciplinary essays reveal the powerful ways in which cultural assumptions such as those about truth disclosure performance privacy and ethics can affect a society's uses of and approaches to both the written and the oral The fresh perspectives in Orality and Literacy reinvigorate the subject illuminating complex interrelationships rather than relying on universal generalizations about how literacy and orality function **The Ethnography of Rhythm** Haun Saussy,2016-03-01 Winner of the Modern Language Association's Aldo and Jeanne Scaglione Prize for Comparative Literary Studies Who speaks The author as producer the contingency of the text intertextuality the device core ideas of modern literary theory were all pioneered in the shadow of oral literature Authorless loosely dated and variable oral texts have always posed a challenge to critical interpretation When it began to be thought that culturally significant texts starting with Homer and the Bible had emerged from an oral tradition assumptions on how to read these texts were greatly perturbed Through readings that range from ancient Greece Rome and China to the Cold War imaginary The Ethnography of Rhythm situates the study of oral traditions in the contentious space of nineteenth and twentieth century thinking about language mind and culture It also demonstrates the role of technologies in framing this category of poetic creation By making possible a new understanding of Maussian techniques of the body as belonging to the domain of Derridean arche writing Haun Saussy shows how oral tradition is a means of inscription in its own right rather than an antecedent made obsolete by the written

word or other media and data storage devices Medieval Scholarship: Literature and philology Helen Damico, Joseph B. Zavadil, Donald Fennema, Karmen Lenz, 1995 First Published in 1998 Routledge is an imprint of Taylor Francis an informal company **Folktales and Fairy Tales** Anne E. Duggan Ph.D., Donald Haase Ph.D., Helen J. Callow, 2016-02-12

Encyclopedic in its coverage this one of a kind reference is ideal for students scholars and others who need reliable up to date information on folk and fairy tales past and present Folktales and fairy tales have long played an important role in cultures around the world They pass customs and lore from generation to generation provide insights into the peoples who created them and offer inspiration to creative artists working in media that now include television film manga photography and computer games This second expanded edition of an award winning reference will help students and teachers as well as storytellers writers and creative artists delve into this enchanting world and keep pace with its past and its many new facets Alphabetically organized and global in scope the work is the only multivolume reference in English to offer encyclopedic coverage of this subject matter The four volume collection covers national cultural regional and linguistic traditions from around the world as well as motifs themes characters and tale types Writers and illustrators are included as are filmmakers and composers and of course the tales themselves The expert entries within volumes 1 through 3 are based on the latest research and developments while the contents of volume 4 comprises tales and texts While most books either present readers with tales from certain countries or cultures or with thematic entries this encyclopedia stands alone in that it does both making it a truly unique one stop resource **The Palgrave Handbook of Gothic Origins** Clive Bloom, 2022-01-01 This handbook provides a comprehensive overview of research on the Gothic Revival The Gothic Revival was based on emotion rather than reason and when Horace Walpole created Strawberry Hill House a gleaming white castle on the banks of the Thames he had to create new words to describe the experience of gothic lifestyle Nevertheless Walpole's house produced nightmares and his book The Castle of Otranto was the first truly gothic novel with supernatural sensational and Shakespearean elements challenging the emergent fiction of social relationships The novel's themes of violence tragedy death imprisonment castle battlements dungeons fair maidens secrets ghosts and prophecies led to a new genre encompassing prose theatre poetry and painting whilst opening up a whole world of imagination for entrepreneurial female writers such as Mary Shelley Joanna Baillie and Ann Radcliffe whose immensely popular books led to the intense inner landscapes of the Bronte sisters Matthew Lewis's The Monk created a new gothic atheistic decadent perverse necrophilic and hellish The social upheaval of the French Revolution and the emergence of the Romantic movement with its more intense and often atheistic self absorption led the gothic into darker corners of human experience with a greater emphasis on the inner life hallucination delusion drug addiction mental instability perversion and death and the emerging science of psychology The intensity of the German experience led to an emphasis on doubles and schizophrenic behaviour ghosts spirits mesmerism the occult and hell This volume charts the origins of this major shift in social perceptions and completes a trilogy

of Palgrave Handbooks on the Gothic combined they provide an exhaustive survey of current research in Gothic studies a go to for students and researchers alike Research and Evaluation in Education and Psychology Donna M.

Mertens,2014-03-06 Focused on increasing the credibility of research and evaluation the Fourth Edition of Donna M Mertens s comprehensive Research and Evaluation in Education and Psychology Integrating Diversity with Quantitative Qualitative and Mixed Methods incorporates the viewpoints of various research paradigms into its descriptions of these methods Providing specific advice on conducting research in culturally complex communities the new edition has been updated to align with the American Psychological Association and the National Council of Accreditation of Teacher Education accreditation requirements Approximately sixty percent of the content in the Fourth Edition is new updated with numerous contemporary examples making this book one of the most comprehensive accessible and practical methods books available Praise for the previous edition The organization of the text reflects the author s intent philosophy and objectives Mertens clearly presents approaches descriptions and many examples useful in conducting studies she is to be commended for the thoroughness of her work Frank D Adams Wayne State College Excellent descriptions definitions examples and narrative about social science theory and the various paradigms Mertens use of a wide variety of social identities to provide her examples makes the text inclusive of a variety of diverse identities It is also useful to see the differences between research and evaluation and to select methods appropriate to the intention of the inquiry Katrina L Rodriguez University of Northern Colorado Double Narratives in the Old Testament Aulikki Nahkola,2011-11-21 A study of the importance of variant forms of Old Testament narratives in prompting the development of the criticism of the Bible The recognition of the recurrence of stories in variant forms in the Old Testament has been seminal to the birth and development of biblical criticism The author assesses the role of the double narrative phenomenon in the evolution of Old Testament methodology from its earliest documentary theories to its most recent literary ones with the help of current literary folklore and textual studies

Exegeting Orality Nick Acker,2024-09-05 For too long critical biblical studies have applied modern textual assumptions to ancient oral cultures Exegeting Orality challenges many of these modern approaches distilling decades of studies in oral traditions to redirect pastors and scholars toward a more accurate narrative of biblical origins identity and meaning Many works in the area of orality textuality performance criticism and media studies focus on critical issues Exegeting Orality guides pastors and scholars through a brief introduction to these fields emphasizing biblical inspiration interpretation and proclamation This work honors the rich oral traditional foundations of the inspired canon urging a transformative shift in how we interpret the Bible The stories we believe define us The Bible is not just a text to be studied but a record of voices from the past who performed our definitive stories The Bible is a tradition to be reproclaimed and reenacted in the community of faith Let us not recast these ancient voices into modern epistemological molds without letting them speak from within their own cultural realities Their voices still call out to us through the abiding Holy Spirit who connects us all to the story of Jesus

May we live out that ancient story today together The Oral Tradition of Yangzhou Storytelling Vibeke Børdahl,1996 This text examines the traditional oral narrative of the Yangzi delta Shakespeare's Errant Texts Lene B. Petersen,2010-06-24 Using case studies of Hamlet Romeo and Juliet and Titus Andronicus this book examines what constitutes a Shakespearean text **Jesus, Gospel Tradition and Paul in the Context of Jewish and Greco-Roman Antiquity** David Edward Aune,2013 Collection of texts published previously Handbook of Pre-Modern Nordic Memory Studies Jürg Glauser,Pernille Hermann,Stephen A. Mitchell,2018-11-19 In recent years the field of Memory Studies has emerged as a key approach in the Humanities and Social Sciences and has increasingly shown its ability to open new windows on Nordic Studies as well The entries in this book document the work to date of this approach on the pre modern Nordic world mainly the Viking Age and the Middle Ages but including as well both earlier and later periods Given that Memory Studies is an ever expanding critical strategy the approximately eighty contributors in this volume also discuss the potential for future research in this area Topics covered range from texts to performance to visual and other aspects of material culture all approached from within an interdisciplinary framework International specialists coming from such relevant fields as archaeology mythology history of religion folklore history law art literature philology language and mediality offer assessments on the relevance of Memory Studies to their disciplines and show it at work in case studies Finally this handbook demonstrates the various levels of culture where memory had a critical impact in the pre modern North and how deeply embedded the role of memory is in the material itself *The Jesus Legend* Paul Rhodes Eddy,Gregory A. Boyd,2007-08 Confronts the legendary Jesus case showing how the Synoptic Gospels are the most historically probable representation of the actual Jesus of history

This is likewise one of the factors by obtaining the soft documents of this **Principles For Oral Narrative Research** by online. You might not require more grow old to spend to go to the ebook introduction as well as search for them. In some cases, you likewise attain not discover the statement Principles For Oral Narrative Research that you are looking for. It will enormously squander the time.

However below, later than you visit this web page, it will be so utterly simple to get as without difficulty as download guide Principles For Oral Narrative Research

Principles For Oral Narrative Research Introduction

In today's digital age, the availability of Principles For Oral Narrative Research books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Principles For Oral Narrative Research books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Principles For Oral Narrative Research books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Principles For Oral Narrative Research versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Principles For Oral Narrative Research books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Principles For Oral Narrative Research books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they

can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Principles For Oral Narrative Research books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Principles For Oral Narrative Research books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Principles For Oral Narrative Research books and manuals for download and embark on your journey of knowledge?

FAQs About Principles For Oral Narrative Research Books

1. Where can I buy Principles For Oral Narrative Research books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
