The Witches of Old Allbyon Brandy Pearson, 2018-04-28 Imagine a large battered old leather folder stuffed full of sheets of paper of various sizes and thicknesses on the front Stories of the Witches of Old Allbyon in curly letters underneath there is a face The hair and beard are made of leaves Leaves are growing out of its mouth and nostrils Inside the folder the stories some written in round loopy handwriting on thick paper with wobbly edges Some had been typed on a mechanical typewriter Others were printouts from dot matrix printers and some from more recent computer printers All these stories were read to me when I was young I didn't know it then but the roots of everything that happened to us are in these stories as the events in *The Last Wizard* grew out of what happened in *The Last Witch* Maybe all stories begin in other stories Who I am who we are I will leave for now For now we start with some of the tales of Old Allbyon
