Shelter And Service Issues For Aging Populations:

Shelter and Service Issues for Aging Populations Leon A Pastalan, 2014-01-09 Shelter and Service Issues for Aging Populations takes you for an inside look at what policies in Western Europe Canada and the United States have done to meet the housing and service needs of the elderly and the disabled and what policies have yet to accomplish As you learn about a wide range of cost effective and successful housing options such as congregate housing home equity conversions and homesharing you will learn about the challenges of providing responsive high quality housing and living arrangements to meet the needs of different populations As this insightful book reveals the psychosocial needs of elderly and disabled persons have often been neglected in efforts to provide appropriate physical accommodation and services and shelter are seldom coordinated to respond to the changes individuals experience Shelter and Service Issues for Aging Populations shows you how federal and state provincial governments nonprofit organizations and private groups have all implemented policies to create barrier free housing Yet at the same time most Western countries have not developed comprehensive grant and loan programs to allow the elderly and disabled to modify their homes As this book walks you through the problems that exist it shows you how policymakers architects social work practitioners and academics housing developers and community leaders can work together to improve housing conditions and services Along the way you will learn about the failure of health care systems to cover home modifications the Fair Housing Act Amendment stigmatizing effects of the elderly label in obtaining community accommodation differences between environmental needs of rural and urban seniors current patterns of housing and living arrangements of older Canadians the effects of demographic aging on the urban ecology the Abbeyfield model of congregate housing continuing care retirement communities aging in place Shelter and Service Issues for Aging Populations looks at the strengths and weaknesses of different approaches to housing and service provision to help housing policy specialists gerontologists social workers community leaders architects and housing developers find stronger more effective solutions for giving people the home environments they need Don't continue to supply inadequate housing to people with special needs Let this book inform you guide you and contribute to the shaping of important new housing and service policies

Shelter and Service Issues for Aging Populations Leon A. Pastalan, 1997 Shelter and Service Issues for Aging Populations takes you for an inside look at what policies in Western Europe Canada and the United States have done to meet the housing and service needs of the elderly and the disabled and what policies have yet to accomplish As you learn about a wide range of cost effective and successful housing options such as congregate housing home equity conversions and homesharing you will learn about the challenges of providing responsive high quality housing and living arrangements to meet the needs of different populations As this insightful book reveals the psychosocial needs of elderly and disabled persons have often been neglected in efforts to provide appropriate physical accommodation and services and shelter are seldom coordinated to respond to the changes individuals experience Shelter and Service Issues for Aging Populations shows you

how federal and state provincial governments nonprofit organizations and private groups have all implemented policies to create barrier free housing Yet at the same time most Western countries have not developed comprehensive grant and loan programs to allow the elderly and disabled to modify their homes As this book walks you through the problems that exist it shows you how policymakers architects social work practitioners and academics housing developers and community leaders can work together to improve housing conditions and services Along the way you will learn about the failure of health care systems to cover home modifications the Fair Housing Act Amendment stigmatizing effects of the elderly label in obtaining community accommodation differences between environmental needs of rural and urban seniors current patterns of housing and living arrangements of older Canadians the effects of demographic aging on the urban ecology the Abbeyfield model of congregate housing continuing care retirement communities aging in place Shelter and Service Issues for Aging Populations looks at the strengths and weaknesses of different approaches to housing and service provision to help housing policy specialists gerontologists social workers community leaders architects and housing developers find stronger more effective solutions for giving people the home environments they need Don t continue to supply inadequate housing to people with special needs Let this book inform you guide you and contribute to the shaping of important new housing and service policies

Shelter and Service Issues for Aging Populations, 1997 Issues in Aging Mark Novak, 2015-07-22 Opportunities and optimism in Aging Issues in Aging 3rd edition takes an optimistic view of aging and human potential in later life This book presents the most up to date facts on aging today the issues raised by these facts and the societal and individual responses that will create a successful old age for us all Mark Novak presents the full picture of aging exhibiting both the problems and the opportunities that accompany older age The text illustrates how generations are dependent on one another and how social conditions affect both the individual and social institutions Learning Goals Upon completing this book readers will be able to Understand how large scale social issues social attitudes the study of aging and demographic issues affect individuals and social institutions Identify the political responses to aging and how individuals can create a better old age for themselves and the people they know Separate the myths from the realities of aging Recognize the human side of aging Trace the transformation of pension plans health and opportunities for personal expression and social engagement to the new ecology of aging today *Housing Choices and Well-Being of Older Adults* Leon A Pastalan, Benyamin Schwarz, 2013-10-08 Make housing for the elderly comfortable efficient and appropriate to their special needs Today people are living longer lives than ever before and elderly people need to live in settings that reflect their individual capabilities They need safe and appropriate homes appliances and furnishings that they will not lose the ability to use and enjoy in the years of decline Housing Choices and Well Being of Older Adults Proper Fit addresses the challenge of matching the attributes of residential settings for older adults with the competence of the people who live in them This book views housing for the elderly as a special case in terms of the person environment paradigm It highlights the recurring themes that give housing for the elderly a measure of order

and predictability Care providers consultants for retirement communities researchers in the fields of aging and environment or gerontology university libraries and members of housing associations for the elderly will benefit from the timely and vital information in this book Easy to understand charts and tables make the information even more accessible Housing Choices and Well Being of Older Adults discusses the state of theory development in environmental gerontology housing needs of the elderly quality issues in this type of setting design and development issues kitchen bathroom and bedroom applications for elderly people in various states of health home safety issues and much more and the issues surrounding continued aging and its implications for supportive environmental health and psychosocial services the economic and financial concerns of aging adults housing management and community issues Use what you ll find in Housing Choices and Well being of Older Adults to ensure that the elderly people in your life are comfortable in an environment that is safe and appropriate

Gerontological Social Work in Small Towns and Rural Communities Lenard W Kaye,Sandra Butler,2012-10-12 Learn the skills you need to work with geriatric populations in rural areas Gerontological Social Work in Rural Towns and Communities provides a range of intervention and community skills aimed precisely at the needs of rural elders This book fills a gap in the literature by focusing on the specific practice concerns for social workers assisting older adults in rural areas including the aging experience social worker skills professional functions working with special populations and health and long term care concerns This valuable resource will benefit social workers gerontologists allied health professionals in rural areas health and human services administrators and managers Gerontological Social Work in Rural Towns and Communities explores the challenges social workers need to overcome when working with the elder community in rural areas This book s significance to social workers will only increase as more adults choose to live and grow old away from the cities Experts in the field suggest strategies to overcome barriers in planning and providing services such as a longer distance for the elderly to travel to use social service centers a narrower range of available services in the local area increased poverty levels for the elderly a stronger dependency by elderly on family rather than public assistance This book is divided into five sections Rurality and Aging introduces the concept of rurality and examines the demographics of aging from a rural perspective Practice Dimensions of Social Work with Rural Elders includes clinical practice models intervention and advocacy techniques program planning and marketing approaches Special Populations gives attention to four special population groups indigenous elders African American older adults elderly Latinos and disabled elders Special Issues Pertaining to Rural Elders covers five essential issues for rural gerontological social workers health promotion older workers and retirement preparation aging in place specialized housing and ethical practice Training and Policy Recommendations future training and education recommendations for social workers are explored as well as service capacity building the aging network and the future of long term care While a variety of theoretical perspectives are explored in Gerontological Social Work in Rural Towns and Communities the book s empowerment orientation and strengths based approach will enhance your abilities to improve

quality of life for elderly individuals in rural communities Each chapter contains a comprehensive review of the literature on the subject it addresses and several chapters include tables and graphs to further establish their revealing empirical findings An appendix provides additional sources to turn to for more information Physical Environments and Aging Paul Windley,Rick Scheidt,2015-12-22 A tribute and guide to M Powell Lawton s groundbreaking work Dr M Powell Lawton who died in January 2001 was arguably the most significant thinker researcher and practitioner in environment behavior studies within the field of gerontology The authors of *Physical Environments and Aging* represent three generations of internationally recognized researchers whose lives and work were greatly influenced by both Lawton the professional and Lawton the man This book presents their assessment of his contributions to environmental theory purpose built housing community study long term care settings and other related topics Many of the contributors also share personal anecdotes that illustrate how Lawton s professional visions were shaped by his remarkable intellect and personality *Physical Environments and Aging* examines many aspects of environmental gerontology including housing policy reform and home modification place therapy philosophic foundations of environment aging studies the future of theory practice and policy in the field the role of neighborhoods More than just an homage *Physical Environments and Aging* is also a practical guide to the field offering you tractable theory useful methods and measures and functional research overviews in the realms of everyday experience of older adults *The Role of the Outdoors in Residential Environments for Aging* Susan Rodiek,Benjamin Schwarz,2006-09-11 *The Role of the Outdoors in Residential Environments for Aging* presents new insights on the positive role nature and the outdoors can play in the lives of older adults whether they live in the community in an assisted living environment or in a skilled nursing facility Current research suggests that increased contact and activity levels with the outdoors can be an important therapeutic resource for the elderly with significant mental and physical health benefits This unique book examines how to make the most of outdoor spaces in residential settings exploring attitudes and patterns of use the effect of plants the physical environment and health related outcomes from contact with nature and enhanced physical activity Linking Housing and Services for Older Adults Jon Pynoos,Penny Hollander Feldman,Joann Ahrens,2012-11-12 Packaging supportive services with housing a pressing issue for older adults The population of older adults is expected to explode in the coming years *Linking Housing and Services for Older Adults* Obstacles Options and Opportunities examines a crucial complex and often overlooked issue for policymakers and the public at large older adults increasing needs for housing and supportive long term care services As baby boomers strive to help their parents make difficult decisions about their options pressure mounts for policymakers to develop appropriate housing and services This book brings together respected experts to discuss the answers to difficult questions about meeting the housing and support service needs of aging adults *Linking Housing and Services for Older Adults* Obstacles Options and Opportunities explores in depth the tough issues pertaining to which populations are presently being served what their needs are and who is being left

out You ll learn exactly what types of services are available who is providing them and how are they packaged From residential care to assisted living to institutional care this book addresses all facets of the complicated problems of providing availability to fulfill need This important source presents insightful analysis of the total range of issues and the challenges to progress as well as offering specific recommendations to effectively offer housing and vital long term care supportive services to older adults Linking Housing and Services for Older Adults Obstacles Options and Opportunities discusses in detail the argument for increased development of supportive housing for older adultsand the barriers preventing it the issues related to providing a variety of housing and service options to the Medicaid population two case studies that illustrate how policies aimed at linking housing and services play out at the state and local leveland the need for strong leadership and the ability to develop key partnerships as vital aspects for success the interrelationship of factors regarding nursing home admission the availability of subsidized housing and Medicaid eligibility the need for care management to be holisticincluding environmental care assessment repair and renovation management in addition to current long term care settings creating affordable assisted living facilities for older persons receiving Medicaid services the successful components of the national Coming Home Program four case studies emphasizing different finance and regulatory approachesproviding lessons learned for developers state agencies and advocates of affordable assisted living This vital educational resource is also an essential reference for local state and national policymakers housing officials and long term care providers *Alcohol Problems in Older Adults* Kristen Barry, PhD,Frederic Blow, PhD,2001-03-05 This manual provides state of the art practical materials to detect prevent and intervene with older adults who are at risk and problem drinkers It provides the first systematic practical approach for working with the growing vulnerable population of older adults who use alcohol at risk levels often unnoticed in everyday clinical practice Including guides to alcohol screening protocols for managing withdrawal care and an English Spanish Health Promotion Workbook for Older Adults this book is designed as a hands on text for use in a range of primary and mental health care settings Physicians nurse practitioners nurses social workers psychologists and case managers will all be able to use it profitably
