In the Footsteps of the Traveller Chris M. Cannon,2025-04-10 Teachings from the stars Much more than stories about the sky Indigenous astronomies provide powerful centuries old models of knowing being and relating to the world Through collaboration with more than sixty five Dene Elders and culture bearers across thirty four communities in Alaska and Canada In the Footsteps of the Traveller reveals the significance of the stars to Northern Dene life language and culture At the centre of these knowledge systems is the Traveller a being who journeyed around the world in Ancient Time before incarnating among the stars The Traveller constellation is a teacher a gamekeeper a guardian and a practical guide for wayfinding The Traveller together with a host of other celestial and atmospheric phenomena like thunder and the northern lights bridges the divide between earth and sky instilling balance and instructing people on how to live with each other and their environments This study combines interviews stunning photographs and detailed illustrations of the northern night sky author Chris M Cannon s own experiential learning and a foreword from Chief Fred Sangris of Yellowknives Dene First Nation Rooted in years of collaborative fieldwork In the Footsteps of the Traveller leads the way to deeper understandings of Northern Dene astronomical knowledge

A Grammar of Upper Tanana, Volume 1 Olga Lovick,2020-02-01 A Grammar of Upper Tanana Volume 1 provides a linguistically accurate written record of the endangered Upper Tanana language Serving as a descriptive grammar of Upper Tanana the book meticulously details a language that is currently fluently spoken by approximately fifty people in limited parts of Alaska s eastern interior and Canada s Yukon Territory As part of the Dene Athabascan language group Upper Tanana embodies elements of both the Alaskan and Canadian subgroups of Northern Dene This is the first comprehensive grammatical description of any of the Alaskan Dene languages With the goal of preserving a language no longer consistently taught to younger generations Olga Lovick s foundational study is framed within the traditional form of linguistic theory that allows linguists and nonspecialists alike to study a vulnerable language that exists outside the dominant Indo European mainstream This text provides a substantive bulwark to protect a language acutely threatened by near term extinction In its expansive detailing of the Upper Tanana language this volume is methodologically oriented toward structural linguistics through approaches focusing on phonology lexical classes and morphology With attention to both detail and thoroughness Lovick s comparative approach provides solid grounding for the future survival of the Upper Tanana language
