Reading Contemporary Serial Television Universes provides a new framework the metaphor of the narrative ecosystem for the analysis of serial television narratives Contributors use this metaphor to address the ever expanding and evolving structure of narratives far beyond their usual spatial and temporal borders in general and in reference to specific series Other scholarly approaches consider each narrative as composed of modular elements which combine to create a bigger picture The narrative ecosystem approach on the other hand argues that each portion of the narrative world contains all of the main elements that characterize the world as a whole such as narrative tensions production structures creative dynamics and functions The volume details the implications of the narrative ecosystem for narrative theory and the study of seriality audiences and fandoms production and the analysis of the products themselves

Sherlock Holmes - The Hero With a Thousand Faces: Volume 1 David MacGregor,2022-06-07

Sherlock Holmes The Hero With a Thousand Faces ambitiously takes on the task of explaining the continued popularity of Arthur Conan Doyle s famous detective over the course of three centuries In plays films TV shows and other media one generation after another has reimagined Holmes as a romantic hero action hero gentleman hero recovering drug addict weeping social crusader high functioning sociopath and so on In essence Sherlock Holmes has become the blank slate upon which we write the heroic formula that best suits our time and place Volume One looks at the social and cultural environment in which Sherlock Holmes came to fame Victorian novelists like Anthony Trollope and William Thackeray had pointedly written novels without a hero because in their minds any well ordered and well mannered society would have no need for heroes or heroic behavior Unfortunately this was at odds with a reality in which criminals like Jack the Ripper stalked the streets and people didn t trust the police who were generally regarded as corrupt and incompetent Into this gap stepped the world s first consulting detective an amateur reasoner of some repute by the name of Sherlock Holmes who shot to fame in the pages of The Strand Magazine in 1891 When Conan Doyle proceeded to kill Holmes off in 1893 it was American playwright director and actor William Gillette who brought the character back to life in his 1899 play Sherlock Holmes creating a sensation on both sides of the Atlantic with his romantic version of Holmes and cementing his place as the definitive Sherlock Holmes until the late 1930s By that point Sherlock Holmes had developed a cult following who facetiously maintained that Holmes was a real person formed clubs like The Baker Street Irregulars and introduced the idea of cosplay to the embryonic world of fandom These well educated fanboys subsequently became the self assigned protectors of Sherlock Holmes anxious that their version of the character not be besmirched or defamed in any way In spite of this there was considerable besmirching and defaming to be seen in the early silent films featuring Sherlock Holmes which effectively turned him into an action hero due to the lack of sound When sound films took the industry by

storm in the late 1920s there were a numbers of pretenders who reached for the Sherlock Holmes crown including Clive Brook Reginald Owen and Raymond Massey but it took more than a decade before a new definitive Sherlock Holmes would be crowned in 1939 in the person of Basil Rathbone The International Sherlock Holmes Ronald Burt De Waal,1980

Barner,2017-10-31 Challenging readers to rethink what they read and why the author questions the aesthetic assumptions that have led to the devaluing of fanfiction a genre criticized as both tasteless and derivative and other guilty pleasure reading and writing including romance and fantasy The complicated relationship between fanfic and intellectual property rights is discussed in light of the millennia old tradition of derivative literature before modern copyright law established originality as the hallmark of great fiction Absorbed reading the practice of immersing oneself in the narrative versus critically reading from a distance is a strong motive for the appropriation by fanfiction of canon characters and worlds *Baker Street Beat* Dan Andriacco,2011-10-04 A diverse collection of Sherlock Holmes related writings including several essays short stories and two radio plays Andriacco s obsession with matters Sherlockian is obvious and there is much here for Sherlock Holmes fans to enjoy **Sherlock's Secretary** Chris Chan,2021-12-14 In real life 221B Baker Street is the home of a bank When fans send letters to Sherlock Holmes bank employee Addy Zhuang known as Sherlock s Secretary replies One day the bank is robbed but the thieves only take three letters addressed to Sherlock Holmes The police conclude it was all a harmless prank but Addy suspects something more malicious is happening With the help of a true crime reporter Addy and his friends launch their own investigation which leads to murder and a decades old cover up connected to the BBC s Great Erasure Can Addy uncover the truth before more people die
