Major General Henry Knox and the Last Heirs to Montpelier Thomas Morgan Griffiths,1991-01-01 **Major General Henry Knox and the Last Heirs to Montpelier** Thomas Morgan Griffiths,1965 *Henry Knox* Mark Puls,2010-05-11 A comprehensive biography of military tactician and later the nation s first Secretary of War Henry Knox that chronicles his childhood military service with the Boston Grenadier Corps and appointment to Washington s cabinet

A History Of The Organizational Development Of The Continental Artillery During The American Revolution Major William C. Pruett US Army,2015-11-06 The thesis of this study is that the Continental artillery in the American Revolution despite its ad hoc beginning and wartime challenges gradually developed into a professional organization by the end of the war Rather than operational history of the organization its focus is on the growth of the organization over time in terms of its cultural beginnings its doctrinal development and the leadership and career paths of some of its middle ranking leaders The first chapter lays out the structural framework and statutory authorizations for the organization The second chapter describes its early cultural shift from its pre war legacy of provincialism to a trajectory toward professionalism This chapter uses a cultural analysis to argue that Washington s decision to replace the aged Richard Gridley with Henry Knox as the commander of the Continental artillery ushered in a cultural shift away from an older provincial organizational culture to one that sought professionalism The third chapter portrays the development of a battlefield tactical doctrine described in books that gradually took hold in informal ways It takes a comparative theory and practice approach to argue that the kernel of an emerging doctrine existed in available European books and from those kernels a consistent and effective doctrine developed over time The fourth chapter uses a collective biographical approach to show organizational development in the careers of its middle ranking leaders The concluding chapter summarizes findings and ties the professionalization of the corps of artillery to the military establishments of the new republic

Loane,2021-11-29 Friday December 19 1777 dawned cold and windy Fourteen thousand Continental Army soldiers tramped from dawn to dusk along the rutted Pennsylvania roads from Gulph Mills to Valley Forge the site of their winter encampment The soldiers arrival was followed by the army's wagons and hundreds of camp women Following the Drum tells the story of the forgotten women who spent the winter of 1777-78 with the Continental Army at Valley Forge from those on society's lowest rungs to ladies on the upper echelons Impoverished and clinging to the edge of survival many camp women were soldiers wives who worked as the army's washers nurses cooks and seamstresses Other women at the encampment were of higher status they traveled with George Washington's entourage when the army headquarters shifted locations and served the general as valued cooks laundresses or housekeepers There were also the ladies at Valley Forge who were not subject to the harsh conditions of camp life and came and went as they and their husbands Washington's generals and military advisers saw fit Nancy K Loane uses sources such as issued military orders pension depositions after the war soldiers descriptions and some of the women's own diary entries and letters to bring these women to life [Adams Family Correspondence](#) Lyman
