*Suing for Peace* James P. Kimmel, 2005 From the time we are children we are taught that the best way indeed the only way to resolve conflicts and get what we need from life is to seek justice against those who wrong us In fact seeking justice has become an obsession in the United States Unfortunately this obsession has a dark side that is throwing our society and our lives dangerously out of balance In the name of justice We employ 700 000 lawyers but only 36 000 clergy We file 36 million lawsuits against each other every year We confine more than two million people in our prisons We have a justice system that costs us more than 650 billion annually We have waged two wars that have killed thousands of people since the terrorist attacks of September 11 2001 At this rate we should all be happy right In *Suing for Peace* respected attorney James P Kimmel Jr shows you why seeking justice never leads to peace or happiness and only makes our conflicts worse Just as physicians have now discovered a connection between spirituality and medical outcomes so Kimmel has now discovered a connection between spirituality and legal outcomes That connection is this The more we seek justice the more bitter and spiritually impoverished we become Winning an argument a lawsuit or a war at the expense of our emotional and spiritual well being cannot be considered a victory by any measure The secret to resolving life s conflicts is to stop seeking justice against your enemies and start suing for peace by practicing what Kimmel calls nonjustice In this uncommon book of legal and spiritual wisdom Kimmel shows you how to break the justice addiction that only fuels anger and suffering His proven Nonjustice System guides you through nine practical steps you can take right now to resolve your conflicts and restore your happiness immediately Whether you have been injured emotionally physically or financially *Suing for Peace* gives you everything you need to win the most important trials of your life without lawyers guns or money

*How to Make Peace with Your Partner* Connie Peck, 1995 Peck leads readers through foolproof strategies for negotiating conflict so that both partners win She shows how couples can tackle tough problems together by scheduling time to negotiate exploring each other s interests

managing emotions and building options into win win situations
