a hard winter as a prisoner in an Indian longhouse Meanwhile some members of his congregation the first Amish settlement in America move away for fear of further attacks Based on actual events Jacob s Choice describes how one man s commitment to pacifism leads to a season of captivity a complicated romance an unrelenting search for missing family members and an astounding act of forgiveness and reconciliation Free downloadable study guide available here *Decision making and appeals in the benefits system* Great Britain: Parliament: House of Commons: Work and Pensions Committee,2010-02-09 In this report the Work and Pensions Committee reiterates its call for the establishment of a Welfare Commission to create a fairer and simpler benefits system that claimants can understand and the Department of Work and Pensions DWP can administer more accurately The report concludes that the vast majority of decisions DWP makes are accepted by claimants and lead to the right benefits being paid on time to those who are eligible But the level of official error in the benefits system has increased substantially since 2000 01 The level of overpayments due to official error has risen from 0 4 billion 0 4 per cent of benefits paid to 0 8 billion 0 6 per cent of benefits paid in 2008 09 Although the Department has made great strides in reducing fraud this increase in error should be a cause for concern The report also highlights a worrying lack of response to scrutiny of the decision making and appeals DMA system by DWP A former President of the Appeal Tribunals Judge Robert Martin felt his reports were effectively ignored and there is evidence that the Decision Making Standards Committee lacks influence There should be a much more constructive response to scrutiny Another area that seems not to be working as effectively or as quickly as it should is the reconsideration process the review of decisions and the Department should examine this urgently *The 5 A.M.
