Making God Laugh:

Making God Laugh Sean Grennan, 2014-02-03 *Making God Laugh* follows one typical American family over the course of thirty years worth of holidays Starting in 1980 Ruthie and Bill's grown children a priest an aspiring actress and a former football star all return home where we learn of their plans and dreams as they embark on their adult lives The empty nester parents contend with their own changes too as old family rituals are trotted out and ancient tensions flare up As time passes the family discovers that despite what we may have in mind we often arrive at unexpected destinations [Making God Laugh - The most beautiful true story of love and loss you will ever read](#) Ellen Jameson, 2014-04-07 Ellen Jameson is the widow of legendary journalist and television broadcaster Derek Jameson But she is much more besides Garnering acclaim as a Fleet Street journalist a BBC broadcaster author actress and theatre producer Ellen bestrode the British media business with her husband for years Mixing with celebrity strata from princes to Prime Ministers Ellen has graced prime time television and various national publications as well as co hosting a hugely successful national radio show with Derek From delivering herself to the Beatles in a giant parcel as a teenager to her star studded wedding to Derek in Arundel Cathedral there are happy memories galore But life has not always been so kind to Ellen Growing up with the burden of a dysfunctional family of heavy drinkers it wouldn't be long before Ellen succumbed to demons of her own A hell of drugs sex and suicidal compulsion threatened to engulf her but in a testament to the human endurance she fought through to recovery and the beckon of a brighter life In *Making God Laugh* Ellen tells her story with great verve and charm laying bare the shocking and the scandalous in her glittering career But the beating heart of this deeply moving book is how Derek Jameson loved his flagging bride back from desperate alcoholism and into life This is the inspirational story of Ellen Jameson her love for a husband and her steadfast belief that we are all here on earth just making God laugh [Making God Laugh](#) Anne Primavesi, 2004 *Making God Laugh* examines the claim that we can speak with divine authority about God's plans for us and the world Such arrogance must surely make God laugh But its effects on our relationships with other religions are no laughing matter Neither is the claim that God has made us the center of the universe which has legitimized the exploitation of the earth's natural resources Anne Primavesi argues that the time has come to replace human arrogance with ecological humility and an understanding of ourselves as members of the whole community of life on earth [God Laughs](#) Reed Fleming, 2025-01-28 My goal in writing is to share with readers passages in Scripture that I find amusing I will tell or retell these stories with the hope of demonstrating their humour and practical life lessons that can be drawn from them We find things humorous which we recognize as common experiences or foibles The biblical characters stand in for us at our most foolish We are amused because we see our common humanity and we smile at the things which are not funny when pointed out in ourselves I trust that you will laugh along with me but also that we can learn grow and even repent together as the funny becomes a mirror into our own lives [When God Laughs with Us](#) David L. McKenna, 2011-01-01 Lighten up Most of

us take ourselves too seriously Christian leaders in particular are tempted by the position they hold or the power they wield to lose touch with their humanity become arrogant and alienate their followers But what about our tendency to shoot ourselves in the foot time and time again Can we laugh at ourselves David McKenna a Christian college president brings a lifetime of learning to this question By confessing his own foibles and laughing at the ludicrous he finds that God is laughing with him not to ridicule but to give the special grace that saves us from ourselves The lessons are humbling when the laugh is on us but they can lead to the discovery that a sense of humor is a partner with the witness of a joyful spirit McKenna shows us by example how to lighten up and find God as we laugh at ourselves Looks to Lift the Spirit J. Bernard

Taylor,2011-02-26 The format of this book is unique featuring an acrostic on the word LOOK The purpose of the book is to provide Biblical insights for daily living The discussion of each Bible passage is an acrostic of the word LOOK The letter L stands for the lesson or purpose of the Scripture The letter O represents the outline of the passage The next letter O contains an overview of the passage and the letter K asks a reflective question about it Each LOOK ends with a sentence prayer Readers may browse for LOOKS which might seem appropriate for them at that time or read them all consecutively He sincerely hopes the book will benefit the readers in meeting their daily spiritual needs These LOOKS come from sermons preached through the years but the format makes them more than just a book of sermons They are synopses of sermons with an interesting format getting to the main points of the message with an opportunity for response A special section of the book deals with LOOKS in building a great church These LOOKS including prayer witnessing teaching and serving are signs of strong vibrant churches that are on a continual journey of renewal and transformation **Baptism Is Making a**

very well In fact the societies we ve created are actively destructive not only to themselves but to all life on this planet and even to the planet itself Clearly it s time for a change We need a new paradigm and we need a way to live it This new paradigm isn t something we can outline clearly and implement programmatically To arrive at a new way of living with ourselves one another and the planet is a journey that requires faith because we can t see exactly where it will lead Quite frankly where it will lead is at this point beyond our imagination However we do have some resources to bring to the table Schaef whose classic and beloved works include *Meditations for Women Who Do Too Much* and *Meditations for Living in Balance* explains that deep within ourselves in our cells in our blood in our souls we have the ancient knowledge we need to find our way We simply need to be reminded of what we already know and this book is written to help us remember Schaef takes thirty themes one for each day of the month months with 31 days get a wild card day and offers a cycle of reflections on each theme that expands and deepens over the course of the year Through insightful reflections on Beliefs and Assumptions Honesty Entitlement Accepting Our Humanness and Walking in Beauty we enter a process that broadens our perspective and opens our minds so we can live fully into a new future The Emerging Christian Way Michael Schwartzentruber, The face of Christianity is changing In recent years and in rapidly increasing numbers people have begun to understand the core message and purpose of Christianity differently They have returned to its ancient roots and found a wisdom that speaks to their experience of faith and God According to this emerging vision Christianity is primarily about transformation the transformation of the self through a living and dynamic experience of God who is not separate from us but a part of us and the transformation of society *The Emerging Christian Way Thoughts Stories and Wisdom for a Faith of Transformation* is a collection of 13 essays by some of the leading authors and thinkers in the field covering every aspect of this developing Christian paradigm Contributors include Marcus Borg Matthew Fox Tom Harpur Tim Scorer Sallie McFague Cynthia Bourgeault Nancy Reeves Don Grayston the Very Rev Bill Phipps the Very Rev Anne Squire Mark Maclean Bruce Harding and Michael Schwartzentruber **When Love Calls** Travis W. Conradie,2012 Christians trying to save the planet have to relate creation with salvation This volume explores the ways in which this task is approached by a wide range of recent theological movements *The Making of a Man of God* Alan Redpath,2004-03-01 The conversion of a soul is the miracle of a moment the manufacture of a saint is the task of a lifetime The turbulent and triumphant incidents in the life of the shepherd king David illustrate that truth most clearly Despite his faults great and small David became a man who wondrously understood and reflected the mind of a perfect God Beloved author Alan Redpath brings David to life and shows us how we can learn from a man who was

utterly human but reached for the divine Richly blending insights from 1 and 2 Samuel 1 Chronicles and portions of the Psalms Redpath demonstrates how God shapes those who are responsive to His love even through times of trial and despair Through an understanding of David s great faith in the midst of trouble and tranquility we can draw closer to God and come into a better understanding of His grace and salvation **The Bob Hope Memorial Book** Xulon Press, Incorporated,2003-08 *Quarantining with God* Glenn L.
