**Making Jesus the Messiah** Robert Brownstein, 2000 Long before the time of Jesus Jewish communities spread throughout the eastern Mediterranean Many of these congregations are augmented by growing numbers of Gentiles known as God fearers who participate in the synagogue follow many Jewish practices but reject adult circumcision Soon after the crucifixion of Jesus his first followers all Jews start new congregations in Palestine and the Diaspora preaching his Jewish message Two years later in the year 35 Paul a Jew from Asia Minor will join this movement and change its character and direction forever During Paul's early missions to Diaspora synagogues he finds that these gentile Jewish sympathizers respond to his proposals for a New Israel They will provide him with the market opening he needs to start his first congregations Making Jesus the Messiah illuminates the pivotal relationship between Paul and this market segment of God fearers in the earliest history of Christianity With his first communities established Christianity is born St. Paul's Conceptions of the Last Things H. A. A. Kennedy, 2017-04-10 The following chapters are a study in the history of early Christian thought This description fixes the method and the limits of the investigation From the Preface **Saint Paul Was Not Virgin Born** Ronald Lee Cobb, 2020-09-14 The title of this book may shock you Of course Paul was not Virgin Born Christians believe only Jesus of Nazareth was Virgin Born but the reality is many people consider Paul as the Great Lion of God The Hebrew Scriptures prophesy the rise of the Lion of the Tribe of Judah which Christians believe is Jesus of Nazareth descendant of King David and the true Messiah This book does not demean Paul of Tarsus in spite of its title It actually commends Paul of Tarsus for his incredible intelligence wisdom dedication and vision Yet in doing so it seeks to honor Jesus of Nazareth much more than Paul and honestly seeks to point out the humanity of Paul The Hebrew Scriptures are incredibly honest about the weak points of leaders like Abraham and Moses and kings like David and Solomon The Four Gospels are incredibly honest about the weaknesses of the 12 Disciples of Jesus of Nazareth Paul is incredibly honest about his own flaws This book will help you see that Paul sincere as he was was just like everyone full of strengths and weaknesses but totally dedicated to Jesus of Nazareth What Saint Paul Really Said Nicholas Thomas Wright, 1997 **The 12th Apostle of the Lamb** Sunday Akodu, 2020-11-16 This book came through the inspiration of the Holy Spirit to open the body of Christ to the mystery about the End time concerning the end time Church The book uses the physical Israel to illustrate the spiritual Israel the Church of God The book reveals the replacement for Judas Iscariot Some Christians have the view that Matthias is the replacement while some have the view that it is Apostle Paul but by the inspiration of the Holy Spirit none of these two was the replacement Only Jesus can choose the Apostle of the Lamb no one can choose any for Him Also since they are called the Apostles of the Lamb they can only be chosen by Jesus appearing as the Lamb of God Apostle Paul was called by Jesus on the way to Damascus as He appeared to him as the King of glory through the shining of light and Paul was temporarily judged as he went blind because of the sin in his life and was later redeemed When Jesus appears to one as the Lamb of God His blood

will speak for one and the person will not experience the judgment from God due to sin as we saw with the disciples chosen by Jesus when He came in the flesh to the Earth Matthew was a Publican Also Zachaeus blind Bartomaeus etc were saved without judgment because the Lord appeared to them as the Lamb of God during their salvation Read through this book with total sensitivity in the spirit Allow the Holy Spirit to reveal the truth to you by Himself through this book You shall be blessed as you read this book
