Launching Your Kids for Life Bob Reccord,Cheryl Reccord,2005-03-20 Ask any parent what they want most for their child and most likely you'll hear the same answer again and again to see their children grow up into happy healthy adults whose lives count for something But ask those same parents what they're doing to equip their children for such a life and you'll get

embarrassed silence Finally parents can find help for this crucial task in a book that is encouraging easy to grasp and filled with great practical suggestions In *Launching Your Kids for Life* Bob and Cheryl Reccord liken the job of equipping your children for success in life to the procedure that NASA undertakes to prepare for a shuttle launch The Reccords along with their friends Dr Tommy Holloway past director of the NASA Space Program and three time shuttle astronaut David Leetsma point out that just as the shuttle must break through the Earth's gravitational force into space so too must children break free into adulthood But our children can't do it on their own They need our help They need us to equip them to prepare them to help them discover their life's mission and to celebrate the milestones along the way If we learn how to do this then we can be sure that they can fly anywhere their wings will take them Abundant Living E. Stanley Jones, 2014-10-21 The business of life is to live and to live well But in this day and age we know almost everything about life except how to live it We can dissect life and explain its parts and then fail to put it together again in such a way that it becomes a coordinated harmonious whole Through the vibrant writings of E Stanley Jones discover not only how God desires more for us than we could ever think or imagine but freely gives us that abundant life of body mind and spirit *Abundant Living* the sequel to *Victorious Living* continues the journey toward extraordinary life through trusting God and self surrender Written in 1942 by one of the greatest Christian leaders of the day experience this classic devotional with a new foreword by Leonard Sweet

Islands just following World War II The journal which addressed a time from June 7 1935 to December 28 2013 includes the important events of my life including my twenty seven years in the US Navy As could be expected there are more reflections from my years as a naval aviator flying combat missions in Vietnam and numerous secret missions against the Soviet Union during the Cold War Not as exciting but just as important was my journal following my naval service after my retirement in December 1982 Most importantly I have shared what took place in my life on June 9 1977 two days after my 42nd birthday and two days before my oldest son graduated from high school when I accepted Jesus Christ as the Lord and Savior of my life This event radically changed my life and immediately healed a broken family It also addressed the thirty plus years in which I was called as a volunteer to serve the least of these in our prison systems If I have a desire for the journal it would be that it encourage others to address the importance of their spiritual needs before age forty two and that it would challenge my grandchildren in their walk with Christ Simple Motivational Guide for Creating Wealth Philemon I.
