Making Love Again:

First Sight Danielle Steel, 2013-07-16 NEW YORK TIMES BESTSELLER Paris L A and the world of ready to wear fashion provide rich backdrops for Danielle Steel's deeply involving story of a gifted designer whose talent and drive have brought her everything except the ability to erase her past and trust relationships **FIRST SIGHT** New York London Milan Paris Fashion Week in all four cities A month of endless interviews parties and unflagging work and attention to detail at the semiannual ready to wear fashion shows the famous portrait painter At the center of the storm and avalanche of work is American Timmie O'Neill whose renowned line Timmie O is the embodiment of casual chic in fashion and for the home She has created a business that inspires fills and consumes her life With an unerring instinct for what the next trend will be an innate genius for business tireless labor and sheer fearlessness starting from nothing over two decades Timmie has built an international empire that has brought her enormous satisfaction and success In a world where humility and compassion are all too rare her humor kindness integrity and creativity are inspirational Yet as blessed as she feels by her success Timmie harbors the private wounds of a devastating childhood and past tragedy She is too smart too experienced and too hurt to want much in her personal life beyond a succession of convenient very limited relationships Always willing to take risks in business she never risks her heart But despite her well ordered and highly controlled world it turns out that Timmie O'Neill is not immune to magic when it strikes And it strikes in Paris during Paris Fashion Week when an intriguing Frenchman comes into her life when she gets sick At first Timmie and Jean Charles Vernier are only patient and physician They become confidants and friends corresponding at a safe distance between Paris and Los Angeles once she goes home There is every reason why they must remain apart But neither can deny their growing friendship and the electricity that sparks whenever they meet **First Sight** is as complex and compelling as modern life itself Careers families histories losses duty obligation and fear of losing control and getting hurt It is a tale of daring to take risks and losing control just enough to have a life when the opportunity presents itself When two very different worlds and strong willed people collide everything changes in an instant as they confront the age old question of whether to lay oneself bare and risk intimacy or not Are they brave enough to face what comes next And will they do it together or apart **BONUS** This edition includes an excerpt from Danielle Steel's *A Perfect Life* Praise for *First Sight* A novel about love in all its heartbreaking and splendid forms *Kirkus Reviews* Steel is one of the world's most popular authors and this poignant romance is sure to thrill her many loyal fans and reach many new readers too *Booklist* Steel deftly stages heartstring tugging moments *Publishers Weekly* Robert Dolan, 2009-06-01 *My Wonderful Life With My Beautiful Wife* This is a true love story of two people so truly and deeply in love with one another and that made their life so beautiful They enjoyed life to the fullest everyday because of the love they had for one another all of their lives together It is our life story together and it was filled with so much joy happiness peace contentment and the most important thing of all our love of God and the love that God gave us for one another **After the Baby** Rhonda Nordin, 2000-04-01

Conversational and practical After the Baby teaches couples about the natural progression of their marriage as it expands to include children An essential guide for strengthening marriage while becoming parents it offers both help and hope for building better families The Diaries of Waguih Ghali May Hawas,2017-08-01 The captivating diaries of an Egyptian political exile novelist and libertine intellectual in sixties Europe In 1968 Egyptian novelist and political exile Waguih Ghali committed suicide in the London flat of his editor friend and sometime lover Diana Athill Ghali left behind six notebooks of diaries that for decades were largely inaccessible to the public The Diaries of Waguih Ghali An Egyptian in the Swinging Sixties in two volumes is the first publication of its kind of the journals casting fascinating light on a likable and highly enigmatic literary personality Waguih Ghali 1930 69 author of the acclaimed novel Beer in the Snooker Club was a libertine sponger and manic depressive but also an extraordinary writer a pacifist and a savvy political commentator Covering the last four years of his life Ghali s Diaries offer an exciting glimpse into London s swinging sixties Volume 2 covers the period from 1966 to 1968 Moving from West Germany to London and Israel and back in memory to Egypt and Paris the entries boast of endless drinking countless love affairs and of mingling with the dazzling intellectuals of London but the Diaries also critique the sinister political circles of Jerusalem and Cairo describe Ghali s trepidation at being the first Egyptian allowed into Israel after the 1967 War and confess in detail the pain and difficulties of writing and exile Including an interview conducted by Deborah Starr with Ghali s cousin former director of UNICEF Geneva Samir Basta The Book of Life David L. Cook,2016-01-23 This book is about love life and humanity You will read some things that may make you cry You will also read some things that will make you laugh until your stomach hurts There are some serious and there are some humorous topics You will read some fiction and some nonfiction and you wont want to put it down I have written over 1 000 articles songs poems and short stories and also have produced three albums and wrote the lyrics I have also written four plays and this makes my 103rd book This is titled When You Are Love That Is the Best Gift of All The Sicilian's Marriage Arrangement and The Greek's Virgin Bride Lucy Monroe,Julia James,2010-04-21 The Sicilian s Marriage Arrangement by Lucy Munroe Hope Bishop is stunned when darkly sexy Sicilian tycoon Luciano di Valerio proposes marriage Brought up by her wealthy but distant grandfather she is used to fading into the background But Luciano s sensual lovemaking makes her feel vibrantly alive Hope falls in love with her husband and is blissfully happy until she discovers that Luciano married her to fulfill his own ruthless agenda The Greek s Virgin Bride by Julia James As the illegitimate granddaughter of a famous Greek billionaire Andrea Fraser was disowned at birth and grew up in poverty Now at the age of twenty five she is unexpectedly called to Greece where shocking news awaits her Andrea s grandfather has found her a husband She s promised to tycoon Nikos Vassilis as part of a business deal But Andrea has no intention of meekly accepting a marriage of convenience Nikos may be the most sophisticated man she s ever met but she ll be leaving him the first chance she gets won t she **The 158-Pound Marriage** John Irving,2018-05-15 Irving looks cunningly beyond the eye catching gyrations of the mating dance

to the morning after implications The Washington Post The darker vision and sexual ambiguities of this sensual ironic tale about a marriage in a New England university town foreshadow those of The World According to Garp but this very trim and precise novel is a marked departure from the author's generally robust boisterous style Though Mr Irving's cool eye spares none of his foursome he writes with genuine compassion for the sexual tests and illusions they perpetrate on each other but the sexual intrigue between them demonstrates how even the kind can be ungenerous and even the well intentioned destructive One of the most remarkable things about John Irving's first three novels viewed from the vantage of The World According to Garp is that they can be read as one extended fictional enterprise The 158 Pound Marriage is as lean and concentrated as a mine shaft Terrence Des Pres Deft hard hitting What Irving demonstrates beautifully is that a one to one relationship is more demanding than a free for all The New York Times Book Review The Major's Lady Mia Easton,2018-08-02 Liz Gordon gets separated from her friends on the trails of The Haunted Grounds on Halloween When she encounters a gorgeous compelling man dressed in eighteenth century garb it leads to one of the most surreal moments of her life She reacts by slamming herself through the barrier that separates her from the stranger crossing over into 1783 and the life of Major Wesley Hale Wes is a man who is haunted by his past and restrained by eighteenth century manners and customs Will Liz be able to get back to her own time Does she want to Or will the dashing major convince her to stay Publisher's Note This steamy time travel romance takes us back to an era where power romance and trouble behind the scenes all combine to keep the reader guessing Indonesia Walter Reed,2025-09-10 I have had the desire to write this book for forty years before finally taking the plunge The book encompasses the entire time I spent working at the American embassy in Jakarta Indonesia as a Marine Security Guard It follows all the adventures and misadventures of myself and the entire detachment I was assigned to and the eight Marines I worked with there I also followed the political landscape in Indonesia at the time as well as embassy life and politics and life within my detachment But most of the book details my desire to learn about and experience everything Indonesian and how I mostly accomplished that with the help of my Indonesian girlfriend Neneng The Falcon Project Jennifer Groomes,2003-12 This book is about two people lives that were thrown into terminal when they decided to join a new intense military program While going through training and missions time and other things challenged them mentally physically and emotionally In search for who they are they found each other and a family of men and women that would go through great links to protest each other With a lot pride they both found love and happiness in places that you would find rage Thankful for everything that they have they are the Falcon Project
