The Golden Bough Sir James George Frazer,2012-04-26 Classic 1890 study of cults rites and myths of antiquity helped define terms of social anthropology influencing generations of thinkers Abridgment omits footnotes occasionally condenses text all main principles remain intact *The Ordinance Making Powers of the President of the United States* James Hart,1925 **The Golden Bough** James George Frazer,2005-12-01 The notion of a man god or of a human being endowed with divine or supernatural powers belongs essentially to that earlier period of religious history in which gods and men are still viewed as beings of much the same order and before they are divided by the impassable gulf which to later thought opens out between them Strange therefore as may seem to us the idea of a god incarnate in human form it has nothing very startling for early man who sees in a man god or a god man only a higher degree of the same supernatural powers which he arrogates in perfect good faith to himself from Chapter VII Incarnate Human Gods In 1890 James George Frazer began publishing *The Golden Bough* his monumental study of myth ritual and religion which would by 1936 run to 13 volumes and establish him as a pioneer in the study of religion as an aspect of culture This abridged edition assembled in 1922 condenses this fundamental work to one readable volume that is still a source for modern anthropology thanks to its expansive discussions ancient cultish practices and their connections to the rites of modern Christianity In eloquent prose Frazer discusses legends of the woods sympathetic magic magicians as kings the worship of trees the concept of the sacred marriage the links between priestly and royal power ritual royal sacrifices the concept of eating the god the myths of Osiris Adonis Isis and other ancient deities and much more Lovers of mythology will be enraptured by this book which draws all of human belief under one unifying umbrella celebrating myth and ritual as part of the basis of all human culture Scottish anthropologist SIR JAMES GEORGE FRAZER 1854 1941 also wrote *Man God and Immortality* 1927 and *Creation and Evolution in Primitive Cosmogonies* 1935 **Report of the Assistant Director and of the Curators of the U.S. National Museum** United States National Museum,1897 *Hearings Before and Special Reports Made by Committee on Armed Services of the House of Representatives on Subjects Affecting the Naval and Military Establishments , Hearings ... on Sundry Legislation Affecting the Naval and Military Establishments United States. Congress. House. Committee on Armed Services, Middletown, America Gail Sheehy,2003-09-02 The single event that we know as 9 11 is over but the shock waves continue to radiate outward generated by orange alerts terrorism lockdowns and the shrinking of personal liberties we once took for granted The stories in this book of real people faced with extraordinary trauma and gradually transcending it are the best antidote to our fears *Middletown America* is a book of hope All Americans were hit with some*

degree of trauma on September 11 2001 but no place was hit harder than Middletown New Jersey Gail Sheehy spent the better part of two years walking the journey from grief toward renewal with fifty members of the community that lost more people in the World Trade Center than any other outside New York City Her subjects are the women men and children who remained after the devastation and who are putting their lives back together Sheehy tells the story of four widowed moms from New Jersey who started out scarcely knowing the difference between the House and the Senate yet turned their sorrow and anger into action and became formidable witnesses to the failures of the country's leadership to connect the dots before September 11 Sheehy follows the four moms as they ght White House attempts to thwart the independent commission investigating 9 11 and expose efforts at a cover up What would become of the young wives carrying children their husbands would never see wives who had watched their dreams literally go up in smoke in that amphitheater of death across the river Amazingly each nds her own door to the light Here too is the story of the widow and widower who met in the waiting room of a mental health agency and brought each other back from the brink of despair across a bridge of love Sheehy also reveals how bereft mothers who will never have another son or daughter found reasons to recommit to life And she follows in the footsteps of the robbed children documenting the incredible resilience of four year olds the anger of teenagers the courage of sisters and brothers Sheehy follows survivors who escaped the burning towers only to nd themselves trapped inside a tower of inner torment from which it took love family and faith to free themselves She is taken into the con dence of the night crew at Ground Zero police of cers who worked in that pit for eight months straight and then faced the returning home phenomenon She recounts the confessions of religious leaders who struggled to explain the inexplicable to their ocks Mental health professionals con de in her as do corporate chiefs educators friends and neigh bors town of cials and volunteers who rose to the occasion and committed themselves to healing their wounded community As a journalist who conducted more than nine hundred interviews Gail Sheehy is an impeccable researcher As a writer with a novelistic gift she weaves the individual stories into a compelling narrative Middletown America illuminates every stage of a tumultuous passage from shock passivity and panic attacks to rising anger and deep grieving and on to the secret romances and startling relapses the realignment of faith the return of a capacity to love and be loved and nally the commitment to constructing new lives
