**Anna Bosco, Leonardo Morlino**

## **Making Party Democracy In Greece:**

**Making Party Democracy in Greece** T. Pappas, 2015-12-22 Focusing on the formative 1974-1981 years the central theme of this book is the building of democracy in contemporary Greece and the role played in it by the newly emergent political parties. Although all main parties are examined according to their importance, attention is chiefly given to conservative New Democracy which led for the greatest part by charismatic Karamanlis held office during these years of democratic transition. This study also offers a systematic analysis of today's political system in Greece, its strengths and deficiencies and its prospects for the future.

Making Party Democracy in Greece T. Pappas, 1999-03-14 Focusing on the formative 1974-1981 years the central theme of this book is the building of democracy in contemporary Greece and the role played in it by the newly emergent political parties. Although all main parties are examined according to their importance, attention is chiefly given to conservative New Democracy which led for the greatest part by charismatic Karamanlis held office during these years of democratic transition. This study also offers a systematic analysis of today's political system in Greece, its strengths and deficiencies and its prospects for the future.

**The Making of Party Democracy in Greece** Takis Spyros Pappas, 1995

Greece and the Cold War Alexander Kazamias, 2022-08-25 After the proclamation of the Truman Doctrine in 1947 the United States became deeply involved in Greek affairs. By 1952 however the pro-Western government of Marshal Papagos began to support the nationalist Enosis movement in Cyprus and called for an end to British colonial rule in the island. The opposition of the US, Britain and Turkey to these demands brought Greece face to face with its closest allies at the United Nations in 1954 and led to the outbreak of the first major crisis within NATO since its creation. Greece and the Cold War examines these developments from the novel perspective of critical international theory and exposes the unexplored connections between dependence and nationalism in Greek foreign policy. Drawing on a wide range of American, British and Greek archival sources it argues that nationalism and compliance with the collective interests of NATO were two irreconcilable objectives in Greek foreign policy after 1952. At the same time the book tells the story of how the post-Civil War governments of Greece for a variety of political, cultural and ideological reasons treated these two objectives as essentially compatible, resulting in the adoption of a dualist policy. This self-contradictory diplomatic doctrine, which the author refers to as dependent nationalism, lies at the heart of Greece's post-war failures both to emancipate its politics from US intervention and to peacefully end its regional dispute with Turkey over Cyprus. The book deploys an interdisciplinary approach which brings together the diverse perspectives of diplomatic history, foreign policy analysis and political sociology.

Modern Greece Elaine Thomopoulos, 2021-11-05 A valuable resource ideal for students doing research or general readers interested in knowing more about Greece, both its current state and its history. Library Journal: There's more to Greece than its legacy as the birthplace of democracy and Western Philosophy. Discover what life is like in this contemporary European nation. Thematic chapters examine topics such as government and politics, history, food, etiquette, education, gender, marriage and

sexuality media and popular culture music art and more Each chapter opens with a general overview of the topic and is followed by alphabetically arranged entries that home in even closer on the topic Sidebars and illustrations appear throughout the text and appendixes cover a glossary facts and figures holidays chart and vignettes that paint a picture of a typical Day in the Life      *Austerity and the Third Sector in Greece* Jennifer Clarke,Asteris Huliaras,2016-03-09 Organised civil society in Greece is generally regarded as weak with rankings for associational density volunteerism and levels of social capital traditionally among the lowest in Europe Austerity and the Third Sector in Greece explores the context behind the statistics and general perceptions of a society of takers not givers Stereotypes of a country living beyond its means have been exacerbated by the Eurozone crisis but since 2008 there has in fact been a great proliferation of organised civil society initiatives in the country Has the financial crisis seen a belated awakening of Greek civil society Offering a broad overview of contemporary civil society in Greece this book explores how various characteristics of the country s socio political context have affected the development of the third sector and examines the effect of the economic crisis on it Expert contributors combine macro level analyses with local case studies to form a fascinating new study on the influences of national and regional context on civil society development Their findings provide not only for a better understanding of similar movements but also contribute to wider academic debates on societal responses to economic crises      **Beyond Party Members** Susan E. Scarrow,2015 This book offers a broad overview of an important and ongoing transformation in relations between political parties and their closest supporters It focuses on established parliamentary democracies showing how the changing nature of party membership is affecting how political parties define themselves and the choices presented to voters      *Europe's Last Red Terrorists* George Kassimeris,2001-12 Since the 1970s Europe s last Marxist Leninist terrorists,the Greek Revolutionary Organization 17 November have waged a violent campaign against US and NATO personnel Turkish diplomats and members of the Greeks military and business elite In May 2000 they assassinated a top British diplomat in Athens in a daring daylight attack Yet no one suspected of belonging to the organization let alone of being involved in its terror campaign has ever been arrested This is the first book to deal with revolutionary terrorism in Greece Tracing the history of 17 November Kassimeris demonstrates how it has persevered with a one dimensional view of a world peopled by heroes and villains that has precluded the emergence of a coherent ideology Combining fanatical nationalism contempt for the existing order and the cult of violence for its own sake 17 November has stubbornly refused to accept that its eclectic belief system is incompatible with modern democratic principles Unlike Italy s Red Brigades or Germany s Red Army Faction which both assailed the capitalist state and its agents 17 November hopes to create an insurrectionary mood that will propel the Greeks into revolutionary political action without disrupting society as a whole As such 17 November s terror campaign has been an audacious protest aimed at discrediting and humiliating the Greek establishment and the US government but one that has never sought to develop widespread revolutionary guerrilla warfare      **Modern Greece** John S. Koliopoulos,Thanos M. Veremis,2009-10-27

Modern Greece A History since 1821 is a chronological account of the political economic social and cultural history of Greece from the birth of the Greek state in 1821 to 2008 by two leading authorities Pioneering and wide ranging study of modern Greece which incorporates the most recent Greek scholarship Sets the history of modern Greece within the context of a broad geo political framework Includes detailed portraits of leading Greek politicians Provides in depth considerations on the profound economic and social changes that have occurred as a result of Greece's EU membership

Contemporary Greece and Europe Achilleas Mitsos, Elias Mossialos, 2019-07-17 This title was first published in 2000 Contemporary Greek society is characterized by an all embracing trend for reform This task however is constrained by problems of Greek polity rooted in the historical and political culture This text explores the important facets of divergence between Greece and the EU examining the process through which they affect the relative performance of the country in the economic social political and international relations fronts together with significant attempts to modernize and rationalize internal and external policies and structures The book is in five parts In the first introductory section Greece's Alternate Minister of Foreign Affairs the late Yannis Kranidiotis analyzes the fundamental objectives of Greek foreign policy whilst the editors explore the challenges of EU membership for Greek domestic and foreign politics and Greece's participation in the process of European integration The second part deals with Greece and the EMU the third analyzes the issues related to state modernization and adjustment A fourth section examines the welfare state and related policies and the final part analyzes Greece's foreign policy and external relations with particular emphasis on the Balkans and Greek Turkish relations

Greece, the EEC and the Cold War 1974-1979 E. Karamouzi, 2014-10-03 Eirini Karamouzi explores the history of the European Economic Community EEC in the turbulent decade of the 1970s and especially the Community's response to the fall of the Greek dictatorship and the country's application for EEC membership The book constitutes the first multi archival study on the second enlargement of the EEC

**Populism and Crisis Politics in Greece** T. Pappas, 2014-07-16 Exploring the negative effects of populism this study presents an original explanation of Greece's current political and economic failures It argues that the sovereign debt crisis only exacerbated the malfunctioning of a democracy long ago contaminated by populist politics while also offering a more general insight into the impact of populism

**Beyond the Secret Garden of Politics: Internal Party Dynamics of Candidate Selection** Guillermo Cordero, Eva H. Önnudóttir, Xavier Coller, 2022-12-02

**The Legacy of the Global Financial Crisis** Youssef Cassis, Jean-Jacques van Helten, 2021-08-12 Much has been written on the financial crisis of 2008 the most severe economic downturn since the Great Depression analysing its causes and the risks for the future of the global economy This book takes an alternative approach which focuses on the legacy of the global financial crisis what is remembered and what lessons have been drawn from it This volume provides perspectives on this legacy from a variety of contributors including central bankers regulators politicians academics and journalists They offer insight into what remains of the crisis in terms of public and industry awareness changes to the post 2008 financial architecture lessons from the

national experiences of highly exposed small economies and considers this legacy in terms of oversight by regulatory regimes. These diverse perspectives are drawn together here to ask how we can ensure that these lessons will be transmitted to the new generation of global financiers.

**Justice as Prevention** Pablo De Greiff, Alexander Mayer-Rieckh, 2007. Countries emerging from armed conflict or authoritarian rule face difficult questions about what to do with public employees who perpetrated past human rights abuses and the institutional structures that allowed such abuses to happen. Justice as Prevention: Vetting Public Employees in Transitional Societies examines the transitional reform known as vetting, the process by which abusive or corrupt employees are excluded from public office. More than a means of punishing individuals, vetting represents an important transitional justice measure aimed at reforming institutions and preventing the recurrence of abuses. The book is the culmination of a multiyear project headed by the International Center for Transitional Justice that included human rights lawyers, experts on police and judicial reform, and scholars of transitional justice and reconciliation. It features case studies of Argentina, Bosnia and Herzegovina, the Czech Republic, El Salvador, the former German Democratic Republic, Greece, Hungary, Poland, and South Africa, as well as chapters on due process, information management, and intersections between other institutional reforms.

**The Politics of Southern Europe** José Magone, 2003-02-28. European integration has had a profound impact on the politics of Southern Europe, a region that was initially at the margin of the decision-making processes of the European Union but is gradually becoming more and more influential. This volume offers a comparative overview of modern politics in Spain, Portugal, Italy, and Greece, focusing in particular on the process of integration of these countries into the European Union and on the impact of European public policy. The author analyzes the development of Southern European political systems from the establishment of democratic governments to the most recent political events, looking at each individual system and finding patterns, similarities of development, as well as differences between them. Among the topics examined are the building of institutions, the parties and party systems, foreign policies, the political culture of each country, and the recent efforts towards the creation of a space of security and peace in the Mediterranean.

*Party Change in Southern Europe* Anna Bosco, Leonardo Morlino, 2007-02-01. It has been argued that political parties are weakening. In Southern Europe, however, political parties have shown remarkable pragmatism. Not only have they played a crucial role in the installation and consolidation of democracy, mostly in the 1970s and 1980s, but they have also adapted to the aftermaths of severe political crises during the 1990s.

**Sociology in Greece** Spiros Gangas, Georgia Lagoumitzi, 2022-11-21. This Palgrave Pivot provides a concise history of the development of sociology in Greece. It provides a compelling narrative of the discipline's embryonic state, its promising beginnings that aligned with its contact with the then robust French and German accomplishments in sociology. It continues with sociology's entanglement with modern Greece's turbulent history during the Civil War and the junta years. It charts Greece's gradual recovery during the mid 1970s, which led to sociology's institutionalization. Yet such institutional boom was not free of politicization processes, many of which

proved residual and resilient stemming from the dictatorship years as well as from Greece's dependency during its process of modernization. This book completes this historical account by reconsidering sociology's gradual embrace of a multi-paradigmatic orientation in light of the burgeoning Greek EU membership and extroversion. It concludes with charting sociology's position in the 21st century facing challenges like the Great Recession and its impact in Greece as well as the COVID-19 pandemic. *The Oxford Handbook of Modern Greek Politics* Kevin Featherstone, Dimitri A.

Sotiropoulos, 2020-10-09. The Oxford Handbook of Modern Greek Politics is a major new contribution to the study of contemporary European and Greek politics. This edited volume contains 43 chapters written by Greek and foreign academics foremost in their field. After an introductory section offering a frame of analysis, the volume includes sections on political institutions, traditions, and party families; political and social interest groups; policy making and policy sectors; external relations; and Greece's most important political leaders of the period between the 1974 transition to democracy and today. It will be an invaluable reference for scholars new and established as well as for the informed reader around the world. This work offers the most comprehensive approach to the subject to this day. Drawing on data and analysis previously available only in national sources, Greek books, articles, and other primary and secondary sources in combination with international data, it allows international scholars of politics, international relations, society, and economy to integrate the case of Greece in their own projects and facilitates the search of any informed reader who seeks a reliable, updated source on Modern Greece.

*Democratic Quality in Southern Europe* Tiago Fernandes, 2024-05-15. Fueled by new data from the Varieties of Democracy project, *Democratic Quality in Southern Europe* takes a close look at the democratic trajectories of France, Greece, Italy, Portugal, and Spain over the past fifty years. Despite similar beginnings, France, Greece, Italy, Portugal, and Spain have experienced significant variations in the way their democracies have evolved. Covering ground from the protest movements of the late 60s and early 70s to the challenges that resulted from the financial crisis of the Great Recession, editor Tiago Fernandes expertly draws together a collection of essays that look beyond the impact of socioeconomic development in these five countries, exploring innovative and nuanced explanations for their diverging paths. *Democratic Quality in Southern Europe* combines new data with classical methodologies to create fresh, convincing hypotheses on the development, quality, and depth of democracy in this critical region. Contributors: Tiago Fernandes, Rui Branco, João Cancela, Edna Costa, Pedro Diniz de Sousa, Pedro T. Magalhães, Edalina Rodrigues, Sanches, Jos Santana, Pereira, Tiago Tibério.

## Whispering the Secrets of Language: An Mental Journey through **Making Party Democracy In Greece**

In a digitally-driven earth wherever screens reign great and instant conversation drowns out the subtleties of language, the profound techniques and emotional nuances concealed within phrases usually go unheard. Yet, situated within the pages of **Making Party Democracy In Greece** a charming fictional prize pulsating with raw feelings, lies a fantastic journey waiting to be undertaken. Written by a skilled wordsmith, that enchanting opus encourages visitors on an introspective journey, delicately unraveling the veiled truths and profound impact resonating within the cloth of each and every word. Within the psychological depths of the moving evaluation, we will embark upon a heartfelt exploration of the book is core styles, dissect their captivating publishing type, and succumb to the powerful resonance it evokes deep within the recesses of readers hearts.
