Making A Difference Psychology And The Construction Of Gender:

Making a Difference Rachel T. Hare-Mustin, Jeanne Marecek, 1990-01-01 Drawing on postmodernist scepticism about what we know and how we know it and on recent developments in the philosophy of science and feminist theory this book offers a new perspective on the meaning of gender one that is not determined by the traditional focus on male female differences

Making a Difference Rachel T. Hare-Mustin, Jeanne Marecek, 1997

Critical Psychology Derek Hook, 2004 Offers a broad introduction to critical psychology and explores the socio political contexts of post apartheid South Africa This title expands on the theoretical resources usually referred to in the field of critical psychology by providing substantive discussions on Black Consciousness Post colonialism and Africanist forms of critique

Latina Realities Oliva Espin, 2018-02-20 This book emphasizes psychology's role as a means of human welfare focusing on the complexities of the psychological development of immigrant women Latinas and other women of color and issues relevant to providing psychological services to them

Inside Out and Outside In Joan Berzoff, Laura Melano Flanagan, Patricia Hertz, 2021-04-08 Inside Out and Outside In has established itself as a foundational book for mental health practitioners in a variety of disciplines who work with clients in complex social environments It is unique in its focus on the forces that shape people from within and also from their social worlds with sensitivity to race gender sexuality and class The fifth edition features new material and revisions throughout while maintaining the respectful and accessible style for which the book is known It has been fully updated to reflect the changing political and social landscape regarding women's issues immigration issues and racism to name just a few Two new chapters have been added on Biopsychosocial Assessment and Neurobiology In addition the authors reinforce intersectionality and diversity through case studies in every chapter The fifth edition of Inside Out and Outside In is an up to date and essential resource for mental health professionals and students practicing in today's increasingly complex environment

Feminist Counselling and Domestic Violence in India Padma Bhate-Deosthali, Sangeeta Rege, Padma Prakash, 2020-11-29 Mainstream counselling in domestic violence often fails to address critical issues such as gender socialisation processes and the abuse of power that allows violence against women and focuses primarily on the intra psychic nature of individual women In contrast feminist counselling is an effective alternative model owing to its ability to address the fundamental correlation of abuse with power In going beyond the individual it helps women locate the source of their distress in the larger social context of power and control manifesting in intimate interpersonal relationships and enables them to resist systemic oppression This volume offers one of the first systematic documentations of feminist psychosocial interventions in India It situates the issue of domestic violence in the historical context of the women's movement and examines institutional factors such as family and marriage that perpetuate abuse Using extensive case studies it discusses the methods principles techniques skills and procedures followed by feminist organisations across the country and their role in women's empowerment The book will serve as a practical reference guide

to practitioners such as social workers counsellors and para counsellors health activists grassroots workers protection officers and service providers It will also be useful to scholars and students of psychology sociology women s studies law and public policy

The Myth of Empowerment Dana Becker,2005-02 Her power today her power is said to reside in her ability to relate to others or to take better care of herself so that she can take care of others Dana Becker argues that ideas like empowerment perpetuate the myth that many of the problems women have are medical rather than societal personal rather than political From mesmerism to psychotherapy to the Oprah Winfrey Show women have gleaned ideas about who they are as psychological beings Becker questions what women have had to

Innovations in Feminist Psychological Research

Ellen B. Kimmel,1999 What are the best ways to do research on the psychology of women and gender Within feminist psychology there is a great deal of methodological creativity and diversity This volume highlights how familiar methods such as focus groups can be brought to bear on feminist issues It demonstrates less common methods such as Q sort

phenomenological analysis concept mapping and discourse analysis Moreover it explores the role of personal values interpersonal dynamics and sociopolitical influences on the research process Over 60 international contributors share insights into adolescent girls and adult women s sexuality violence and its prevention life patterns and narratives the teaching research nexus gender and race in clinical practice and more Included is a comprehensive resource guide for research publication and teaching on methodological diversity

Toward a New Socialism

Anatole Anton,Richard Schmitt,2007-01-01 Toward a New Socialism offers a critical analysis of capitalism s failings and the imminent need for socialism as an alternative form of government This book demonstrates that capitalism is destructive and limiting to the many ongoing campaigns to increase freedom equality and security Dr Richard Schmitt joins with Dr Anatole Anton to compile a volume of essays exploring the benefits and consequences of a socialist system as an avenue of increased human solidarity and ethical principle The essays offer a new definition of socialism by investigating the theories and principles of socialism its influence on social institutions and its role in work dynamics Raising important and unavoidable questions for contemporary society Toward a New Socialism is a vital resource for scholars of political theory and the globalization movement as well as a necessary read for every citizen under capitalism

Handbook of Constructionist Research

James A. Holstein,Jaber F. Gubrium,2013-10-21 Constructionism has become one of the most popular research approaches in the social sciences But until now little attention has been given to the conceptual and methodological underpinnings of the constructionist stance and the remarkable diversity within the field This cutting edge handbook brings together a dazzling array of scholars to review the foundations of constructionist research how it is put into practice in multiple disciplines and where it may be headed in the future The volume critically examines the analytic frameworks strategies of inquiry and methodological choices that together form the mosaic of contemporary constructionism making it an authoritative reference for anyone interested in conducting research in a constructionist vein

The Vulnerable Therapist Helen W. Coale, 2020-03-31 A passionate proactive stance on the present state of psychotherapy The Vulnerable Therapist Practicing Psychotherapy in an Age of Anxiety picks the brains of contemporary mental health professionals and finds a common symptom fear You ll see why litigation market forces and ethical confusion have raised a dark umbrella of angst over psychotherapy practices and discover what therapists can do to restore the profession to its former good self The Vulnerable Therapist will capture your interest with its broad

systemic approach contextual analysis fascinating case studies and anecdotal material You ll see the need for improvement at the institutional and individual levels of the psychotherapy professions Specifically you ll read about social cultural and contextual aspects of the crisis of meaning in psychotherapy professional responses to the crisis of meaning which create ethical dilemmas for individual practitioners the power of language to construct and control mental health beliefs psychotherapy s core constructs and ethical buzzwords psychological and legal risks in practicing psychotherapy today specific problems with licensing boards and other complaint channels problems with rule based ethics alternative models for creating ethical therapist client relationships Today more and more excessive litigation and market driven forces are imposing standard ethics decisions on psychotherapists forcing them to see their clients through the clouded lenses of risk management and liability instead of through the lens of therapeutic need Much like the symptomatic children whose dysfunctional family stops blaming them and starts shouldering part of the problem distraught therapists need the psychotherapy profession to address its own psychopathology at the institutional level The Vulnerable Therapist shows how you can contribute to a total revamping of the mental health professions in a way that facilitates rather than impedes ethical functioning
