Making Disciples M. Jane Carew, 2005 42 session course provides a truly comprehensive catechesis Solid material based on the Catechism of the Catholic Church Lesson plans that come from prayer and scripture Updated with new chapters

Making Disciples M. Jane Carew, 1997 Used in parishes all over America this 32 session course is based on the Catechism of the Catholic Church **Real Stories of Christian Initiation** David Yamane, Sarah MacMillen, Kelly Culver, 2006 Relates real experiences from parishes that have used the Rite of Christian Initiation of Adults in the Roman Catholic Church draws lessons for the church from these experiences Provided by publisher *Becoming Catholic* David Yamane, 2014-03-03 Conversion has been an essential element of Christianity and especially of Roman Catholicism for centuries from the Apostle Paul's dramatic conversion on the road to Damascus to the spiritual transformations of such prominent modern individuals as Cardinal Newman St Elizabeth Ann Seton Thomas Merton and G K Chesterton In a 1926 essay Chesterton expressed reluctance to describe his conversion on account of a strong feeling that this method makes the business look much smaller than it really is As David Yamane shows in *Becoming Catholic* the business was not only spiritually but literally very large and growing ever larger roughly 150 000 Americans join the Catholic Church each year and more than one in fifty American adults is a Catholic convert Altogether these 5 85 million individuals are the fifth largest religious group in America In this first significant study of the phenomenon of Roman Catholic conversion in the contemporary United States Yamane provides an in depth look at the process of adult initiation in the twenty first century Catholic Church including the new process of spiritual formation called the Rite of Christian Initiation of Adults RCIA that was ushered in by Vatican II The RCIA process which has become an integral part of Catholic parish life takes individuals on a journey through four distinct formative periods punctuated by elaborate ritual transitions before they are finally baptized at Easter Drawing on years of observational fieldwork and candid interviews with more than 200 individuals undergoing the initiation process Yamane follows would be Catholics through all four stages of the RCIA and offers an incisive new perspective on what it means to choose Catholicism in America today Practical Theology Richard R. Osmer, 2008-07-02 Every church congregation encounters challenging situations some the same the world over and others specific to each church Richard Osmer here seeks to teach congregational leaders including but not limited to clergy the requisite knowledge and skills to meet such situations with sensitivity and creativity Osmer develops a framework for practical theological interpretation in congregations by focusing on four key questions What is going on in a given context Why is this going on What ought to be going on and How might the leader shape the context to better embody Christian witness and mission The book is unique in its attention to interdisciplinary issues and the ways that theological reflection is grounded in the spirituality of leaders Useful accessible and lively with lots of specific examples and case studies Osmer's *Practical Theology* effectively equips congregational leaders to guide their communities with theological integrity **The Reflective Disciple**

Roger Walton,2014-07-24 Helps readers to explore the concept of discipleship beginning with the New Testament and through examining snapshots of various patterns of discipleship as well as reflecting on discipleship in our contemporary context and setting New Covenant ,2001 The Catholic Periodical and Literature Index ,2006 *Books in Print* ,1991

Disciples Making Disciples Gael Gensler, osf,Timothy A. Johnston,Corinna Laughlin,Kyle Lechtenberg,2017-09-29 Encourage your assembly to fulfill their baptismal mission of helping to form new Christians with Disciples Making Disciples Print and Digital Resources for Forming the Assembly To help bring people to faith and welcome them into the Catholic Christian community parishes need an engaged assembly They need disciples ready to welcome and support the newcomers in their journey to share their faith and to fully consciously actively participate in the initiation rites Seek the Living God Nick Wagner,2017-12-19 We all know that a one size fits all approach to RCIA catechumenate formation doesn t work But until now many of us were stumped trying to find a viable alternative Seek the Living God Five RCIA Inquiry Questions for Making Disciples is the answer to your prayers After just a few meetings with your seekers you will be able to easily create a customized faith formation plan that is tailored to the unique needs of each person The best part is that the seekers do most of the work in developing their own plan Your role shifts from being the Catholic expert to being a mentor and coach Once you understand how the five question process works you can easily train others to use it New team members don t have to worry about knowing enough to be on the team Start using these questions with your very next RCIA seeker You will be amazed at the powerful conversion that will happen with your inquirers and with you *Subject Guide to Books in Print* ,1997 *Children and Youth in the Catechumenate* Anne Y. Koester,2021-09-27 What does conversion look like for children and youth How do we teach them that conversion is a way of life that requires daily commitment These questions are even more pressing today than they were in 1988 when the Rite of Christian Initiation of Adults with adaptations for children was issued In Children and Youth in the Catechumenate Anne Koester shows catechumenate ministers how to immerse young seekers into an apprenticeship in Christian life By using the liturgy of the church and the liturgy of life she demonstrates the four integral dimensions of Christian discipleship that form young believers for mission *Sourcebook for Sundays, Seasons, and Weekdays 2016* , This book is the essential pastoral resource to help you prepare the liturgy each day of the liturgical year If you are a priest or deacon liturgist music director worship team member religious educator or simply interested in more information about Catholic liturgy this publication will be an invaluable tool **Catholic Life in the Church of England** Simon Cuff,2025-04-24 The Catholic tradition offers a rich and varied resource for the Church of England to draw upon Far from being the preserve of one discrete corner of the national church it offers instead an abundant seam of theology practice and spirituality which is a gift to the whole body of Christ First presented as a series of study days held at St Peter de Beauvoir Town North London the contributions in this book explore the richness and diversity of the Anglo Catholic tradition Chapters reflect on how the tradition can speak into all aspects of life from community to prayer

worship to marriage celibacy to justice With essays from Rowan Williams Morwenna Ludlow Michael Leyden Ben Kerridge Mitzi James Jack Noble Sally Jones and Charlie Bell and homilies from Peter Groves Joanne Grenfell and Nicolas Stebbing

Your Parish is the Curriculum Diana Macalintal,2018 This book proposes that rather than hoping that volunteers will step forward to welcome prospective members of the Church the seekers should be as involved as possible in parish life

Faith on the Way Peter Ball,Malcolm Grundy,2001-01-01 Bringing together the authors s experience of working in Europe the United States and Australia this book includes the latest rites for welcoming adults into church membership together with a detailed account of the Adult Catechumenate and the way in which adults may make a journey into faith making commitment at the right time on the way and following through into discipleship **Field Hospital Catechesis**

Nick Wagner,2018-01-30 If as Pope Francis says the church is a field hospital then what does it mean to care for the wounded and heal the wounds What would we do first Indeed God sends all of us especially catechists and teachers to heal the world And the first thing we have to do is this proclaim that Jesus Christ saves us This first proclamation heals the wounds of unbelievers seekers and believers alike Field Hospital Catechesis The Core Content for RCIA Formation explores the nine core teachings of the church that make up this first proclamation Readers will become catechists and evangelists equipped to bring healing to those around them by learning how to shift from making name only Catholics to making Catholic disciples the first thing we have to say to seekers a thoroughly Catholic understanding of evangelization how what we teach and the way we teach heals the suffering of the world and the wounds of the seekers Pope Francis s solution to what he sees as an urgent crisis in the world the true vocation of a catechist and how to live it out why only nine core teachings of the church should be the consistent focus of our catechesis how the nine core teachings of the church tell the great story of our salvation This book will radically change the way you think about RCIA formation and the task of evangelization **Forming**

Intentional Disciples Sherry A. Weddell Foreword by Bishop Philip A. Egan,2022-08-12 How can we transmit a living personal Catholic faith to future generations By coming to know Jesus Christ and following him as his disciples As we emerge from a pandemic into a post Christian world these are times of immense challenge and enormous opportunity for the Catholic Church in the United States Consider these statistics Fully 10 percent of all adults in America are ex Catholics Nearly three quarters of young Catholics think that they could be a good Catholic without going to Mass every Sunday Catholic marriages have declined by almost two thirds since 1969 even as the number of Catholics in the United States has grown significantly Only one third of Catholics believe that the bread and wine actually become the Body and Blood of Jesus Christ at the consecration during Mass If the Church is to reverse these trends the evangelizers must first be evangelized In other words Catholics in the pew must make a conscious choice to know and follow Jesus before they can draw others to him Ten years after it was first published Forming Intentional Disciples is still helping scores of Church leaders parish staff and all Catholics transform parish life from within World renowned author and speaker Sherry Weddell leads you through the steps that will

help Catholics enter more deeply into a relationship with God and the river of apostolic creativity charisms and vocation that flow from that relationship for the sake of the Church and the world Forming Intentional Disciples Sherry Weddell, 2012-07-05 How can we transmit a living personal Catholic faith to future generations By coming to know Jesus Christ and following him as his disciples These are times of immense challenge and immense opportunity for the Catholic Church Consider these statistics for the United States Only 30 percent of Americans who were raised Catholic are still practicing Fully 10 percent of all adults in America are ex Catholics The number of marriages celebrated in the Church decreased dramatically by nearly 60 percent between 1972 and 2010 Only 60 percent of Catholics believe in a personal God If the Church is to reverse these trends the evangelizers must first be evangelized in other words Catholics in the pew must make a conscious choice to know and follow Jesus before they can draw others to him This work of discipleship lies at the heart of Forming Intentional Disciples a book designed to help Church leaders parish staff and all Catholics transform parish life from within Drawing upon her fifteen years of experience with the Catherine of Siena Institute Sherry Weddell leads readers through steps that will help Catholics enter more deeply into a relationship with God and the river of apostolic creativity charisms and vocation that flow from that relationship for the sake of the Church and the world Learn about the five thresholds of postmodern conversion how to open a conversation about faith and belief how to ask thought provoking questions and establish an atmosphere of trust when to tell the Great Story of Jesus how to help someone respond to God s call to intentional discipleship and much more And be prepared for conversion because when life at the parish level changes the life of the whole Church will change
