trials During that time He will be brutally beaten almost beyond recognition He will be crucified and dead by about 3 00 p m that same day He knows this because He understands what the Old Testament Scriptures have clearly foretold The mission He was sent to accomplish was about to be completed The twelve disciples dining around the table with Him have no idea of these events that are soon to unfold This is just a time of celebration before the Passover event The city is bustling with millions of pilgrims from all over the empire Soon however the mood turns somber There is talk of Him leaving them and going away where they cannot follow talk of another Helper coming and talk of a betrayer They can sense the heaviness in their Master s heart and they too become troubled in heart They have no idea that sitting with them at that meal not six feet away is not only God incarnate in the person of Jesus but also the devil himself incarnate in the person of Judas whose heart Satan has possessed A drama for all the centuries is about to be played out Jesus has only a few hours to prepare these men for the events of this night that will transform them forever These are Words to Loved Ones words to keep them safe and secure in a hellish storm about to be unleashed that will overwhelm them and change human history Sit among these men these men and listen carefully to Jesus words Upon leaving this room you will never be the same
