Johnson, 2008-09 If we are not living abundant lives how do we reclaim our lives in Christ Jesus said in John 10:10 The thief comes only to steal kill and destroy I am come that they might have life and that they might have it more abundantly Yet so many Christians fail to live an abundant life in fact too often they are just getting by just struggling to survive But God has so much more for us Many of us have sat passively and watched as the enemy of our souls has come like a thief stealing away our joy killing our bodies and destroying our families We have lost the abundance in our lives that Christ died to give us We allowed it to be taken from us while we watched apathetically as though we were only spectators of our own lives not followers of a risen active triumphant Christ The time for sitting still and bemoaning our lot in life is over God has empowered us to reclaim what we've lost We can get our lives back Get our health back Get our minds back Get our families back Get our joy back We do not have to wallow in defeat We can make a comeback JEFFREY A JOHNSON SR is senior pastor of Eastern Star Church in Indianapolis Indiana a position he has held for over

twenty years This is a church Where Jesus is Exalted and the Word is Explained More important to him than the size of his church the titles he holds or the places he s been he wants people to know that he loves Jesus He and his wife Sharon Henry Johnson are the parents of four sons This is his second book following *The Song of Solomon Love Sex and Relationships* [A Young Man's Guide to Making Right Choices](#) Jim George,2011-08-01 Guiding a boy toward making right choices will equip him to think carefully about his decisions assuring a more fulfilling and successful life In this book Jim George focuses on all the high points of a young man s life the things that matter most Teen guys will learn why prayer and Bible reading are so essential what makes for the best kinds of friendships how school and social skills contribute to a strong future how to stand strong against temptation and peer pressure what contributes to healthy and biblical perspectives on dating and purity Young men will enjoy Jim s balance of biblical insight personal anecdotes and candid forthrightness And they ll gain the skills they need for making right choices in response to all the challenges that come their way *Participation in EU Rule-making* Joana Mendes,2011-04-07 The limited scope of participation in the making of EU law remains a continued source of controversy featuring prominently in recent institutional and political developments that have been shaping the EU s constitutional framework most intensely in the follow up of the Commission s White Paper on Governance Yet little attention has been paid to participation rights as a means of ensuring the procedural protection of persons affected by EU regulation in its diverse forms This is a dimension of the rule of law that has been largely ignored by EU legislative and judicial bodies Not only the legislator but also the Court of Justice and the Court of First Instance tend to adhere to excessively formal conceptions of participation rights that are premised on the right to be heard in individual procedures as well as to a restrictive view regarding the relationships between the citizens and the administration This book shows why in the face of new regulatory developments these conceptions are currently inadequate to ensure the legal protection of rights and interests affected by EU regulation Combining a conceptual analysis with thorough empirical scrutiny this book assesses the scope of participation rights in EU law against their rationales and underlying legal values It makes a case for the extension of participation rights to new situations and new types of procedures in particular those that would generally fall within the category of rulemaking It brings distinct normative insights into a crucial theme of EU administrative law and makes a topical and timely contribution to the increasingly notable theme of public participation in EU regulation Joanna Mendes 2009 thesis upon which *Participation in EU Rule Making* is based was awarded the the European University Institute Florence Mauro Cappelletti Prize for the best doctoral thesis using a methodology of comparative law George D. **Reflections of the Christ Mind** Paul Ferrini, 2000-07-25 For Paul Ferrini there was a time when the very thought of Jesus left him cold Instead of embodying the truth of Jesus teaching Christianity seemed to harbor the fearful thoughts and actions of people who were more committed to self interest than to unconditional love So when Ferrini felt Jesus voice inside him saying I want you to acknowledge me he resisted In time however he came to realize that it was not Jesus he was rejecting but the untruths that had become attached to Christian teaching Responding to the inner voice did not mean merely acknowledging Jesus as some great teacher who lived in the past but also meant that he was opening himself up to a living presence within his own awareness Once Ferrini reached this reconciliation powerful words of spiritual truth began to flow through him *Reflections of the Christ Mind* presents the most important teachings the author has received through his spiritual awakening Here at last is a gospel devoted solely to Jesus teachings of love healing and forgiveness The teacher readers meet in these pages is both compassionate and open minded he is the Jesus Christians know in their hearts Repudiating religious hypocrisy intolerance and spiritual pride Ferrini rejects the dogmatic position of the Church offering instead words of hope and healing that form the new gospel for today **Legal and Ethical Issues for Health**
