Making It Work Women Change And Challenge In The 1990s:

Making it Work Sue Innes,1995 **Women on the Defensive** Sylvia B. Bashevkin,1998-06-08 Bashevkin combines individual voices with policy initiatives to provide the first complete picture of the recent past and uncertain future of contemporary feminism BOOK JACKET **Britain Since 1945** Peter Leese,2006-09-21 Britain since 1945 is an ideal introductory text for students of British Studies cultural studies and modern British history Assuming no prior knowledge Leese offers students of all backgrounds both the essential chronological grounding and vital insight into the issues of identity necessary for a full understanding of contemporary Britain **Gender in Scottish History Since 1700** Lynn Abrams,2006-01-25 Scottish history is undergoing a renaissance Everyone agrees that an understanding of our nation s history is integral to our experience of its present and the shaping of the future But the story of Scotland s past is being told with little reference to gendered identities Not only are women largely missing from these grand narratives but men s experience has tended to be sublimated in intellectual political and economic agendas Neither femininities nor masculinities have been given much of a place in Scotland s past or in the process of nation making Gender in Scottish History offers a new perspective on Scotland s past since around 1700 viewing some of the main themes with a gendered perspective It starts from the assumption that gender is integral to our understanding of the ways in which societies in the past were organised and that national histories have a tendency to be gender blind Each chapter engages with one key theme from Scottish historiography asking what happens when women are added to the story and how the story changes when the meanings of gendered understandings and assumptions are probed Addressing politics culture religion science education work the family and identity Gender in Scottish History proposes an alternative reading of the Scottish past which is both inclusive and recognisable **Women in Educational Management** Maggie Wilson,1997-08-28 Research on the opportunities for and barriers against promotion for women teachers and lecturers in schools and universities in ten European countries is brought together in this volume **Meeting the Energy Challenges of the 1990's** ,1993-06 The proceedings of a conference to examine emerging issues in 5 significant issue areas associated with energy policy energy supply and demand energy and the environment management challenges at the Department of Energy DOE DOE s nuclear weapons complex and emerging R D Includes representatives from government industry research institutions and citizens groups Charts and tables **Facts on Working Women** ,2000 **Culture and Social Change** Marguerite Mendell,1992 **Challenges for Rural America in the Twenty-First Century** David L. Brown,Louis E. Swanson,2010-11-01 The twentieth century was one of profound transformation in rural America Challenges for Rural America in the Twenty First Century defines these changes and interprets their implications for the future of rural America Essays have been specially commissioned to examine key aspects of public policy relevant to rural America in the new century From book jacket *Challenges for Children and Women in the 1990s* ,1991 Please note that no RSA indicators are included *Disaster and Gender in Coastal Bangladesh* Mohammed

Moniruzzaman Khan,2022-07-22 This volume explores the discourse of disaster and women in the existing social settings and state disaster related affairs in coastal Bangladesh It covers various issues ranging from disproportionate vulnerability coping and adaptation mechanisms for women limitations for promoting participation and involvement of women in the decision making process both in family and community and changes in the role and responsibilities of women for reducing disaster risk and vulnerability It contributes to the deconstruction of gender based identity by addressing women s changing practices and roles in the coastal area in terms of the involvement of women with the development process earning income generation activities decision making process access and entitlements to resources This book presents the most current and inclusive circumstances of disaster and women of the coastal area in Bangladesh The insights obtained through the eyes of a sociologist from a holistic perspective make this book different and unique The book is of interest to researchers academics policymakers and professionals engaged in the social understanding of disaster studies as well as to researchers and practitioners in interdisciplinary domains including sociology gender studies social work environmental studies and development studies
