expression of epistemological ethical and political aperture The disposition to co exist with the different is imagined in the de anthropocentricization of the bonds with all living realms And otherness is in some way the reflection of sameness mismidad The other is closely related to the self because the vision of the other implies a reflection about the self it implies consciously or not a relationship with the self These topics are addressed in this book from an interdisciplinary perspective encompassing arts humanities and social sciences *The Pacific Reporter* ,1917 Comprising all the decisions of the Supreme Courts of California Kansas Oregon Washington Colorado Montana Arizona Nevada Idaho Wyoming Utah New Mexico Oklahoma District Courts of Appeal and Appellate Department of the Superior Court of California and Criminal Court of Appeals of Oklahoma varies *Hearings* United States.
