My War Memoir Of A Young Jewish Poet:

My War Edward Stankiewicz, 2002-12-01 In this unusual memoir Edward Stankiewicz stirringly recalls his youth as a Polish Jew beginning with prewar Warsaw through to the Nazi invasion Life on the run lands Stankiewicz in Soviet occupied Lwow where in time he joins the Lwow Literary Club A friend of Jewish Yiddish Polish and Soviet poets and writers he offers rare insights into wartime Eastern European intellectual life After the German occupation of Lwow in the newly built Jewish ghetto he works in German military outfits and learns to forge Aryan and German documents to help people escape In a German uniform he escapes to the Eastern Ukraine where he wanders for several months from town to town Captured by the Gestapo he is shipped to Buchenwald where he survives as a Pole In the camp he manages to produce Polish and German poetry and a play Some of these poems are reproduced in the book Writing in a spare accessible style Stankiewicz unflinchingly addresses such significant issues as identity loyalty betrayal anti-Semitism and communism **Nitzotz** Laura M. Weinrib, 2009-11-30 Under the brutal conditions of the Dachau Kaufering concentration camp a handful of young Jews resolved to resist their Nazi oppressors Their weapons were their words During the Soviet occupation of Kovno and after the German invasion within the Kovno ghetto the members of Irgun Brith Zion circulated an underground journal Nitzotz Spark In its pages they debated Zionist politics and laid plans for postwar settlement in Palestine When the Kovno ghetto was liquidated several contributors to Nitzotz were deported to the Kaufering satellite camps of Dachau Against all odds they did not lay down their pens Nitzotz is the only Hebrew language publication known to have appeared consistently throughout the Nazi occupation anywhere in Europe Its authors believed that their intellectual defiance would insulate them against the dehumanizing cruelty of the concentration camp and equip them to lead the postwar effort for the physical and spiritual regeneration of European Jewry Laura Weinrib presents this remarkable document to English readers for the first time Along with a translation of the five remaining Dachau Kaufering issues the book includes an extensive critical introduction Nitzotz is a testament to the resilience of those struggling for survival *Four Letters to the Witnesses of My Childhood* Helena Ganor, 2022-09-01 The evocation of memory is wrought with emotional and historical significance in this distinctive Holocaust memoir With lyrical prose and remarkable candor Helena Ganor narrates her story through a series of recently penned letters to the significant people in her life during her wartime girlhood her sister mother father and stepmother Both Ganor's mother and sister perished during the war The author's letters reveal much about living in pre-war Lvov Poland Her descriptions of relationships between local Jews Poles Ukrainians and Gypsies in Lvov lend a broad historical context to the Holocaust Ganor combines deeply personal reminiscences of trying to survive as a secular Jew under Nazi occupation with reflections on the varied ways that humans respond in the face of utter catastrophe Punctuating her letters with poems Ganor's story is an inspiring contribution to Holocaust literature *Obligated by Memory* Steven T. Katz, Alan Rosen, 2006-01-19 Based on a three day symposium The Claims of Memory this volume conveys the omnipresence of memory

in Elie Wiesel's writing and attempts to preserve the flavor of the exchange that took place. It represents several intersecting approaches to memory: the nature of memoir writing; an analysis of contrasting dimensions of memory in victims and persecutors; the ethics of memory; and chronicling of the memory of God through key texts in Christian and Jewish traditions. Contents include Cynthia Ozick, *The Rights of History and the Rights of Imagination*; Susan Suleiman, *Do Facts Matter in Holocaust Memoirs*; Wilkomirski, *Wiesel*; Shlomo Breznitz, *The Advantages of Delay: A Psychological Perspective on Memoirs of Trauma*; John Silber, *Memory, History and Ethics*; Geoffrey Hartman, *The Morality of Fiction*; and Elie Wiesel, *Jeffrey Mehlman: Reflections on the Papon Trial*. Paula Fredriksen, *Augustine on God and Memory*. *The Warriors* Harold Zissman, 2005-11-11. In this candid memoir, Harold Zissman examines Jewish existence in prewar and wartime Poland. Born into an observant family, he begins by recalling his youth in the Polish town of Ostrow Mazowiecki near the German border. It is the 1930s, a time of childhood nostalgia darkened by ominous anti-Semitic uprisings and government indifference. In lean and concise prose, Zissman relives the German invasion of Poland and his own incarceration in a forced labor camp. He recalls life in the Derechin ghetto where every day brought brutal Nazi persecution and the constant threat of slaughter. Finally, he tells of escape to Russia where he fought alongside Soviet partisans only to face prejudice from his comrades. In the tradition of Elie Wiesel and Primo Levi, Zissman probes the Nazi impact on Jewish notions of identity and community during and after the Holocaust. Few books offer such detailed insights into the complexity, peril, and volatility of life as a Jew among non-Jewish Soviet partisans even while battling a common enemy. *Nightmares* Konrad Charmatz, 2003-10-01. When World War II erupted in Europe, Konrad Charmatz was a prospering businessman in Sosnowiec, Poland, a loving son, and an aspiring poet. For the next seven years, he witnessed the Holocaust as it destroyed his family, his country, and his culture. In this astonishing story of suffering and survival, he gives his own personal account of the Warsaw ghetto, the death chambers at Auschwitz, the transport trains, the slave labor camps of Dachau, and the liberation. And from the perspective of the renowned journalist he later became, he also describes how the Holocaust was carried out not only at the level of governments and their armies but at the level of the individuals who took its orders. Few people survived the Holocaust from such close range or for so long, and few remembered it with the eye of a practiced journalist. **Fighting Fascism and Surviving Buchenwald** Bension Varon, 2015-07-23. Bension Varon has given the world two great gifts: the publication for the first time of the remarkable 1946 Buchenwald memoir of Hans Bergas and a riveting account of Bergas' equally remarkable life. Bergas, a highly secular German Jew, was first known to Bension Varon as the brother-in-law of his wife's uncle. Far transcending genealogical interest, Varon's painstaking research has revealed the many identities of Hans Bergas: an impassioned Social Democrat who battled both fascist and communist threats to Germany's fledgling interwar democracy; a member of the anti-Nazi Resistance in France who aided other escapees of the Nazi regime; a victim of capture and savage torture by the Gestapo; a years-long political inmate in Buchenwald; active in the camp resistance; and a gifted chronicler of life in Buchenwald and the detail of Nazi

depravity In this volume Bergas emerges like a lost treasure from history s attic precious both in itself and for what it reveals about its troubled times A Captive of the Dawn Joseph Sherman,2019-01-22 Peretz Markish 1895 1952 one of Eastern Europe s most important Yiddish poets in the period between the two world wars was a fiercely independent maverick who published work in all literary genres Although emerging from the Kiev literary tradition Markish always went his own way in a literary career spanning four decades and embracing almost **Jews and Ukrainians in Russia's Literary Borderlands** Amelia Glaser,2012-02-22 Studies of Eastern European literature have largely confined themselves to a single language culture or nationality In this highly original book Glaser shows how writers working in Russian Ukrainian and Yiddish during much of the nineteenth century and the early part of the twentieth century were in intense conversation with one another The marketplace was both the literal locale at which members of these different societies and cultures interacted with one another and a rich subject for representation in their art It is commonplace to note the influence of Gogol on Russian literature but Glaser shows him to have been a profound influence on Ukrainian and Yiddish literature as well And she shows how Gogol must be understood not only within the context of his adopted city of St Petersburg but also that of his native Ukraine As Ukrainian and Yiddish literatures developed over this period they were shaped by their geographical and cultural position on the margins of the Russian Empire As distinctive as these writers may seem from one another they are further illuminated by an appreciation of their common relationship to Russia Glaser s book paints a far more complicated portrait than scholars have traditionally allowed of Jewish particularly Yiddish literature in the context of Eastern European and Russian culture **Songs in Dark Times** Amelia M. Glaser,2020-11-24 A probing reading of leftist Jewish poets who during the interwar period drew on the trauma of pogroms to depict the suffering of other marginalized peoples Between the world wars a generation of Jewish leftist poets reached out to other embattled peoples of the earth Palestinian Arabs African Americans Spanish Republicans in Yiddish verse Songs in Dark Times examines the richly layered meanings of this project grounded in Jewish collective trauma but embracing a global community of the oppressed The long 1930s Amelia M Glaser proposes gave rise to a genre of internationalist modernism in which tropes of national collective memory were rewritten as the shared experiences of many national groups The utopian Jews of Songs in Dark Times effectively globalized the pogroms in a bold and sometimes fraught literary move that asserted continuity with anti Arab violence and black lynching As communists and fellow travelers the writers also sought to integrate particular experiences of suffering into a borderless narrative of class struggle Glaser resurrects their poems from the pages of forgotten Yiddish communist periodicals particularly the New York based Morgn Frayhayt Morning Freedom and the Soviet literary journal Royte Velt Red World Alongside compelling analysis Glaser includes her own translations of ten poems previously unavailable in English including Malka Lee s God s Black Lamb Moyshe Nadir s Closer and Esther Shumiatscher s At the Border of China These poets dreamed of a moment when we could mean we workers rather than we Jews Songs in Dark Times takes on the beauty and difficulty of

that dream in the minds of Yiddish writers who sought to heal the world by translating pain
