My Words And Thoughts

Joshua Talbot

My Words And Thoughts:

Referring to the World Kenneth Allen Taylor, 2021 This book is a contribution to ongoing debates in the philosophy of language about reference and truth The ideas discussed have been important not only in philosophy but in logic linguistics psychology computer science and other areas concerned with thought and communication Taylor was an important philosopher and led Stanford's influential Symbolic Systems Program graduates of which are leaders in Silicon Valley The book is not elementary but it presents rich and subtle products of his years of thought on important topics with many examples and clear discussions

From Away Joshua Talbot, *Consciousness and Intentionality* Grant Gillett, John McMillan, 2001 Is there an internal relationship between consciousness and intentionality Can mental content be described in such a way so as to avoid dualism What is the influence of social context upon consciousness conceptions of self and mental content This book considers questions such as these and argues for a conception of consciousness mental content and intentionality that is anti Cartesian in its major tenets Focusing upon the rule governed nature of concepts and the grounding of the rules for concept use in the practical world intentional consciousness emerges as a phenomena that depends upon social context Given that dependence the authors consider and set aside attempts to reduce human consciousness and intentionality to phenomena explicable at biological or neuroscientific levels Series A
