My Uncle Charlie:

My Uncle Charlie Marjorie Darke, 1977 Loonyology Charles Bronson, 2011-11-09 Lifer Charlie Bronson's reputation precedes him Britain's most violent prisoner or does it? Do we really know the true Charlie or are our impressions the result of media hype? Well, what is in no doubt is that *Loonyology* is 200% Bronson and will transport the reader on the dizzyest no-holds-barred roller coaster ride of their lives from suspense and shock to laughter and tears and from Bronson the Solitary King to Bronson the Philosopher the Poet the Artist the Author the Joker the Walking Scar and the Freedom Fighter. Now 55 years old and having spent most of his last 34 years as a maximum security Bronco Zoo inmate, he's a much wiser man as he looks back on his crazy journey of unpredictable behaviour, his ever-alert mind darting from reminiscences of his teenage years to memories of fellow cons, the screws, the cranks, letters and news reports, prison life and procedures and the overall madness, loonyology of the legal and penal systems, peppering his stories with diary entries, true gems of information, sound advice and hilarious one-liners. Together with his many supporters and with the aid of a top lawyer, Charlie is campaigning for the parole board to finally allow him his freedom, but begging is not his style; he calls a spade a spade and is determined to win with dignity, fighting with his pen and his brain to achieve his aim of a life outside the cage. In his words: 'I chose to be a villain, I'm not proud of it, nor am I ashamed of it. I have paid my debt to society and it's time to go home.' *The Finished Man* Sean Murphy, 2004 Sean Murphy returns with a tale that introduces an utterly captivating hero, struggling writer Frank Matthews. Newly arrived in L.A., Frank is toiling in obscurity when he bumps into an old classmate on the Malomar pier. Max Peterson is arrogant, blustering, a remarkably untalented writer whose latest pulp fiction effort, *City of Breasts*, has Hollywood calling. And besides six-figure advances, Max has something else Frank desperately wants: his exquisite wife, Magee. Burning with envy, Frank agrees to take up residence in Max's garage apartment and as he's swept into Max and Magee's world of nouveau wealth and near-celebrity, something extraordinary happens with Max conveniently out of town. Frank can't help prying into his old friend's journals and diaries. And what happens next will reveal the astonishing secret to Max's newfound talent and the truth about the great American novel that could be the biggest illusion of all. **BOOK JACKET** *In re Paquin's Estate*, 328 MICH 293 (1950), 1950 58 **Coming to My Senses** George Caspar Homans, 2017-07-05 Those interested in the development of scientific theory and in the nature of academic life will appreciate this intellectual autobiography written by one of America's leading sociologists. Following his family tradition, *The Education of Henry Adams* was written by his great uncle, George Caspar Homans, who describes how his ideas about the proper nature of theory in social science, both in form and content, have developed over time. The chief interest of the book lies in the description of this process. Homans' career has spanned many of the key periods of development in social research, and his own work has been central to the process. He was the first major sociologist to outline the sociological implications of psychologists' work on learning or behavior theory. His contributions to modern sociology have had a major impact on the study of small groups, the problem of theory and methods.

of theory construction and the study of basic characteristics of social behavior He is regarded as the father of social exchange theory Homans considers academic and intellectual as well as nonacademic influences on his development personalities of highly idiosyncratic individuals against whose views of culturalism functionalism and structuralism he reacted discussions with colleagues reading as well as his ancestry his childhood in Boston his literary education and later social life in Boston and his experiences as a sea captain in the Navy in World War II This is an absorbing book both an autobiography and a history of the development of the social sciences in the post World War II era **The 13th Apostle**
