My Venetian Sketchbook:

My Venetian Sketchbook Isabelle De Borchgrave, 2004-10-15 A colourful celebration of the city of Venice Huck Scarry's Venice Sketchbook Huck Scarry, 1994 This charming book presents illustrator Huck Scarry's impressions in watercolors pencil sketches and journal entries of a Venice most tourists never see Scarry reveals the hidden charms and subtle moods of this ancient city in more than 120 full color pages filled with images ranging from detailed drawings of little known piazzas and monochrome studies of Venetian cats to panoramic watercolor renderings of the Grand Canal His illustrations and accompanying texts are a testament to Scarry's love affair with this endlessly fascinating city of water wind light and shadow With an acute and ironical eye and a light hand Scarry studies Venice's unique angles whims and details Whenever I could I would take my box of paints my sketchbook and my folding chair and go painting through the streets of Venice and at the lagoon The drawings filled my portfolio and became the beginning of my Venetian diary His observations of moving and changing colors atmospheres and perspectives reflect the wonders of a stay in the city My Life as an Artist Gilda E. Meyers, 2010 Creativity is the theme connecting the many chapters of the author's life journey with over 300 drawings paintings and photographs illustrating the story Inspired by her daughter's request to introduce her to the artist she was before becoming a mother this intimate memoir includes her growing up in a leftist immigrant Jewish family in the fifties her education and training as an artist studies in Germany in 1958 and a year of drawing and painting in Europe in 1962 The cultural climate of the sixties significantly changed the course of her life and work After the birth of her daughter she began a spiritual practice that included time in India She eventually embraced Buddhist Vipassana meditation Included is her training as an art and body therapist and the transition into becoming a psychotherapist She maintains a private practice as a transpersonal somatic psychotherapist and group therapist in Santa Rosa California **My VENICE** Barbara Athanassiadis, 2014-08-12 ABOUT THE BOOK MY VENICE An intimate look at the Myth History and the magic of its Arts I liked the way the city had attracted my attention But in order to discover it I asked it to stop hiding behind its masks I wanted it real To allow me to discover its secrets understand its problems and hold a direct conversation with it And it was promised to me and all disguises were thrown off as our conversation began A trip through time myth History the magic of Art and life is what Barbara Athanassiadis manages to achieve with the discerning eye of an experienced traveller It is the same eye that captured reflections of Italy in her earlier narratives the books *A Year in Tuscany* and *Feeling Rome* *My Venice* is the final book left to complete her unique literary trilogy that approaches time place and people both in the past and in the present Without directing our steps the author transports us through the canals the narrow streets and the squares of Venice and she focuses our attention on works of Nature and Art drawing on legends and historical omissions The Winged Lion leisurely embraces the shoulders of our romantic heroine and the Seagull's Flight even reaches the Empress Sissy in Venice The Tiny Murano Spheres roll down and stop before The Fork of the Byzantine Princess Torcello flirts with the Venetian
